

TENDER REFERENCE NO. NREDCAP/WE/PSP/2020 DATED 31.08.2020

CORRIGENDUM DATED 10.09.2020

Taking into consideration the representations made by some of the companies by emails and also during the Pre-bid Meeting on 09.09.2020 at 5.00 PM, the Corrigendum is issued on certain terms of the Tender Schedule as follows:

1. The due dates for tender process are revised as follows:

S.No	Reference/ Clause of Tender Schedule	Amendment(s) made
1	E-Tender Notice	Bid Document Download End Date : 24.09.2020 at 17 .00 Hours Bid closing date : 25.09.2020 at 17 .00 Hours Technical Bid Opening date : 28.09.2020 at 11 .00 Hours Financial Bid Opening date : 06.10.2020 at 15.00 Hours End date for submission of hard copies of Technical bid (scanned) with supporting documents : 01.10.2020 (Before 15 .00 Hours)

2. The evaluation criteria for awarding of marks in respect of technical criteria is revised as follows (please refer clause 5.6):

Sl. No.	Criteria	Points
(I)	General Criteria (20 points)	
a.	Experience (10 points)	
I	10-15 years	5
ii	16 years and above	10
B	Average Annual Financial Turnover (5 points)	
i	Rs.6 Cr - Rs50 Cr	2
ii	Rs.51 Cr – Rs.100 Cr	3
iii	Rs.101 Cr – Rs.150 Cr	4
iv	Rs.151 Cr and above	5
C	Experience in Power Projects in Andhra Pradesh (Maximum 5 marks @ one per each assignment)	5
(II)	Technical Criteria	
A	Experience in preparation/review of PFR/DPR/detailed engineering design of pumped storage HEPs in India (Maximum- 10 points)	10
B	Experience in preparation/review of PFR/DPR/detailed engineering design of Hydro Electric Projects having total installed capacity of 100MW and above (Maximum- 30 points @10 points per each project)	30
C	Experience in preparation/review of PFR/DPR/detailed engineering design of Hydro Electric Projects involving head over and above 100meters (Maximum 20 points)	
i	Head range between 100 m – 200 m	5
ii	Head range between 201 m – 300 m	10
iii	Head range between 301 m – 400 m	15
iv	Head range above 401 m	20

D	Experts/Engineers with at least 10 years experience in the field of hydro power with the following areas of specialization (maximum 20 points). Bidder shall submit proof of these professionals on the rolls of the company.	
i	Hydropower Engineer	4
ii	Hydrologist	3
iii	Geologist	3
iv	Hydraulic Engineer	3
v	Structural Engineer	4
vi	Electro-Mechanical Engineer	3
	TOTAL Maximum points possible	100

3. The payment schedule and terms are revised as follows (Pl refer to the clause no-5.7):

1. 25% of item-1 on submission of topographical survey.
2. 50% of item-1 on submission of draft feasibility report.
3. Balance 25% of item -1 on submission of final feasibility report and go ahead for preparation of DPR.
4. 50% of item-2 on completion of geo-physical investigations, drilling, drifting, etc.
5. 25% of item-2 on submission of EIA&EMP reports, R&R plan, etc
6. 15% of item-2 on submission of draft DPR.
7. Balance 10% of item-2 on receipt of Techno-Economic Clearance.
8. 15% of item-3 on submission of ToR.
9. 15% of item-3 after public hearing.
10. 50% of item-3 on receipt of clearances from respective agencies/departments.
11. Balance 20% on closing of contract on completion of all activities.

4. The bidders are requested to note down the following in respect of scope of work (please refer clause 5.3 of the bid):

The bidders may consider the following major quantities in respect of few items mentioned hereunder for submission of their bids. NREDCAP will pay for actual quantities that may be required to be carried out by the bidder during execution of contract. While execution of the additional quantities, the bidder shall take the consent of NREDCAP with clear justification to carry out such additional work. Therefore, the bidder shall also indicate their rates for each of these items while submitting their bid. It is to be noted that the NREDCAP may negotiate and agree upon these rates with the L1 bidder while awarding the contract. The bidders shall also note that these rates are not considered for evaluation of the bids.

Sl. No.	Description of item	Estimated quantity to be considered by the bidder for submission of their bid
1	Topographical survey	Five Square Kilo Meters
2	Geophysical survey	Five Square Kilo Meters
3	Forest area survey	Five Square Kilo Meters
4	Bore holes for Geological investigations	1000 Meters (Aggregate)

The bidders may note that the NREDCAP do not envisage any requirement of studies for drifting. However, the bidders are advised to quote their rate for drifting also along with their bid, which will be considered by NREDCAP in future.

5. The Schedule for completion of the consultancy work is as follows (Pl refer to the clause 5.4 of the bid):

Considering the overall period of 30 months, the schedule is as follows,

- The PFR shall be submitted within Four (4) months from the date of award of the work (16 months in case of streams where the gauge station is required to be installed for discharge measurements)
- The PFR shall be scrutinized/finalized by the NREDCAP and sanction for proceeding with preparation of DPR and Clearances, will be given in Two (2) months
- The Draft DPR shall be submitted within Twelve (12) months from the date of sanction of proceeding with DPR preparation from the NREDCAP
- Final DPR including all requisite Clearances for implementation of the project shall be submitted within Twelve (12) months from the date sanction of proceeding with DPR preparation
- The NREDCAP will examine the delays not attributable to the consultant during the course of execution and time extensions will be given on case to case basis.

6. The bank guarantee format for submission of EMD is attached. The details of the banker of NREDCAP are as follows:

- | | | | |
|------|------------------|---|---------------------------------|
| i. | Name of the Bank | : | State Bank of India |
| ii. | Account No | : | 5218 8926 870 |
| iii. | Branch Name | : | Tadepalli, Guntur Dist, 522501. |
| iv. | IFSC Code | : | SBIN 0012870 |
