

Corrigendum – 7

Submission of Hard Copies of Format 15/ SOR

Tender Notice no. NREDCAP/EVCI/PM E-DRIVE (Phase-1)/2026 Dated. 29.05.2026

Name of the work: Request for Proposal (RfP) for Appointment of Charge Point Operators (CPOs) for Supply, Erection, Testing, Commissioning, Operation and Maintenance (O&M) of Electric Vehicle Public Charging Stations at identified locations in Andhra Pradesh.

This is to inform all bidders that e-procurement portal provides for entry of Price Bid values by the Bidder. The financial evaluation, QCBS scoring and further processing under the RfP shall be carried out strictly on the basis of the Price Bid values entered by the Bidder on the e-procurement portal.

However, as the e-procurement portal does not presently provide a separate provision for uploading the detailed Schedule of Rates (SOR) / Price Bid format prescribed under Format 15 – “Format for Submission of Financial Bid” of the RfP, the Bidder shall submit the hard copies of the Format 15/ SOR for the respective Cluster(s) for which it has submitted its Bid.

The said hard copies shall be submitted in a separate sealed cover on or before the deadline prescribed for submission of hard copies of EMD and Technical Bid under the RfP, or within such time as may be notified by NREDCAP. The sealed cover shall clearly mention the name of the Bidder, Tender Notice Number, Cluster name & number and the words “Format 15 / SOR Breakup – Supporting Breakup Document.”

Submission of Format 15 / SOR Breakup along with the Technical Bid documents, EMD documents, or in any manner other than in a separate sealed cover as prescribed herein, shall render the Bid liable for disqualification / rejection. The said sealed cover shall be opened only at the stage of opening / evaluation of Financial Bids, and only in accordance with the RfP.

The aggregate Price Bid reflected in the hard copies of the Format 15 / SOR shall strictly match with the prices entered by the bidder in the e-Procurement portal. In case of any discrepancy or mismatch between the prices quoted in the hard copies and the prices entered in the e-Procurement portal, the prices entered by the bidder in the e-Procurement portal shall prevail and shall be considered final for evaluation and further processing.

NREDCAP may seek clarifications from the Bidder only for reconciling the breakup with the portal-entered value, and no change in the commercial bid value entered on the portal shall be permitted.

Failure to submit the physical Format 15 / SOR within the time prescribed by NREDCAP may render the Bid liable for rejection or such other action as NREDCAP may deem fit, without prejudice to NREDCAP's right to evaluate the Bid on the basis of the commercial bid value entered on the e-procurement portal.

All other terms and conditions of the RfP shall remain unchanged.
