2. INTRODUCTION

a. New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP) owns a 2.50 MW Wind Power Plant (WPP) comprising two (2) wind turbine generators of 1,250 kW capacity each at Narasimhakonda hilltop, in the premises of Shri Vedagiri Laxmi Narasimha Swami Temple in Devarapalem village, Nellore district in Andhra Pradesh. The site is about 15 km from Nellore City connected with a good tar road till South Mopur 33/11 kV substation. The existing NREDCAP windfarm is about 12 km from South Mopur 33/11 kV substation.

b. The 2.50 MW Wind Power Plant (WPP) was commissioned on 07.05.2004 and was in operation up to February 2025. Thereafter, the plant has not been in operation; however, the plant and its associated equipment are understood to remain technically functional.

c. NREDCAP intends to dispose of the components and equipment of the 2.50 MW Wind Power Plant through this e-Auction. Accordingly, NREDCAP invites bids for the dismantling of the 2.50 MW Wind Power Plant comprising 2 × 1,250 kW Wind Turbine Generators (WTGs) and for the purchase of the dismantled assets and scrap materials on an "As Is, Where Is" basis at Narasimhakonda, Nellore District, Andhra Pradesh.

d. The scope of work includes dismantling of the 2 × 1,250 kW Wind Turbine Generators, including all associated components and accessories forming part of the Wind Power Plant, loading, transportation, unloading, removal of materials, and clearing of the site.

e. Notwithstanding anything contained herein, any assets, equipment, components or materials located at the Project Site which are not owned by NREDCAP, or which, under the provisions of the applicable APERC Regulations, statutory requirements, contractual obligations, or any other applicable laws, rules, regulations, orders, or directions, are required to remain under the ownership, custody, or control of NREDCAP, shall be excluded from the scope of sale under this e-Auction. Where dismantling of such assets, equipment, components or materials is necessary for execution of the work, the Successful Bidder may undertake such dismantling strictly in accordance with the directions of NREDCAP. The Successful Bidder shall carefully segregate and hand over such assets, equipment, components and materials to NREDCAP at the location designated by NREDCAP and shall not remove, dispose of, sell, appropriate, or claim any right, title, or interest therein.

f. NREDCAP reserves the sole and unconditional right to accept or reject the award of Contract to the Successful Bidder / Vendor discovered through this e-Auction, without assigning any reason whatsoever. No Bidder shall have any claim against NREDCAP on account of such decision.

g. **Prospective bidders are advised to visit and inspect the Wind Power Plant site prior to submission of their bids and make themselves fully conversant with the site conditions, accessibility, and the assets/materials offered under the e-Auction. NREDCAP shall**

provide an opportunity for site inspection during the period specified under Sl. Nos. (10) to (11) of Section 1(d) [E-Auction Particulars] of the E-Auction Notice forming part of this document.

Section – VII: Scope and Schedule of Work

A. Scope of Work:

The Successful Bidder / Vendor shall undertake the complete dismantling, handling, transportation, and site clearance of the 2 x 1,250 kW wind turbines and associated equipment at the project site. The scope of work shall include, but not be limited to, the following:

1. Dismantling of the 2.50 MW Wind Farm comprising 2 × 1,250 kW Wind Power Turbines, including all towers, nacelles, hubs, blades, generators, transformers, control panels, switchgear, cables, foundations, balance-of-plant systems, associated accessories, auxiliaries, appurtenant equipment, structures, and all other assets and materials forming part of the wind farm.

2. Provision of all required manpower, supervisory personnel, tools, tackles, cranes, machinery, vehicles, safety equipment, and consumables necessary for the safe execution of the work.

3. Loading, unloading, handling, packing (where required), and transportation of all dismantled materials from the site to locations determined by the Successful Bidder.

4. Removal of all scrap, debris, waste materials, and dismantled components generated during the execution of the work.

5. Compliance with all applicable statutory requirements, labour laws, safety regulations, environmental regulations, and directions issued by NREDCAP and local authorities from time to time.

6. Restoration of the work area and maintenance of proper housekeeping during and after completion of the dismantling activities.

7. Clearing the site of all materials, structures, debris, and waste arising from the dismantling activities and handing over the site to NREDCAP in a neat and clean condition. The site clearance shall include, but not be limited to:

   i. Removal of all dismantled equipment, structures, accessories, scrap, and salvage materials.

   ii. Removal of all construction debris, waste materials, packing materials, temporary structures, and discarded items generated during the execution of the work.

   iii. Cleaning and restoration of the work area to a condition satisfactory to NREDCAP.

   iv. Ensuring that no material belonging to the Successful Bidder remains at the site after completion of the work.

8. Notwithstanding anything contained herein, any assets, equipment, components or materials located at the Project Site which are not owned by NREDCAP, or which, under the provisions of

the applicable APERC Regulations, statutory requirements, contractual obligations, or any other applicable laws, rules, regulations, orders, or directions, are required to remain under the ownership, custody, or control of NREDCAP, shall be excluded from the scope of sale under this e-Auction. Where dismantling of such assets, equipment, components or materials is necessary for execution of the work, the Successful Bidder may undertake such dismantling strictly in accordance with the directions of NREDCAP. The Successful Bidder shall carefully segregate and hand over such assets, equipment, components and materials to NREDCAP at the location designated by NREDCAP and shall not remove, dispose of, sell, appropriate, or claim any right, title, or interest therein.

B. Schedule for Completion of Work:

1. The Vendor shall commence the work within fifteen (15) days from the receipt of communication from the NREDCAP for commencement of work.

2. The Vendor shall complete the entire scope of work mentioned at Section VII, clause A, within forty (40) days from the date of receipt of communication from the NREDCAP for commencement of work.

C. Penalty:

1. The Successful Bidder / Vendor shall commence the dismantling and site activities within fifteen (15) days from the date of receipt of communication from the NREDCAP for commencement of work. Failure to commence the work within this period shall be treated as a fundamental breach of Contract. In such event, NREDCAP shall have the right to forfeit the entire Performance Security, and terminate the Contract.

2. If the Vendor starts the work but fails to complete the work within the period as specified in Section VII, Clause B, such failure shall constitute a breach of Contract and shall attract a penalty of 2% of the Performance Security for every day of delay until completion of the work, subject to a maximum cumulative penalty of 100% of the Performance Security. Upon reaching the maximum penalty limit, NREDCAP reserves the right to take appropriate action, and termination of the Contract.

3. If the Vendor abandons the work after commencement or fails to maintain satisfactory progress such that completion within the stipulated time becomes unlikely, NREDCAP may, after giving a notice, terminate the Contract and forfeit the Performance Security, without prejudice to any other rights and remedies available to NREDCAP.

4. Upon termination of the Contract due to any default, breach, abandonment of work, failure to commence the work, or failure to complete the work by the Successful Bidder, NREDCAP shall be entitled to adjust and recover any penalties, damages, losses, statutory liabilities, costs, expenses, and other dues from the purchase value of dismantled assets and scrap materials and/or the Performance Security received from the Vendor. Any balance amount remaining after such

recoveries, if any, may be refunded to the Vendor without interest.

5. Upon termination of the Contract due to default of the Vendor, NREDCAP shall be at liberty to engage another agency or adopt such alternative arrangements as it may deem fit for completion of the work and disposal of the dismantled assets and scrap materials. Any additional cost, loss, damage, or liability incurred by NREDCAP on account of such default shall be recoverable from the Vendor.

6. The levy of penalty for delay and/or forfeiture of Performance Security shall be without prejudice to NREDCAP's right to terminate the Contract and take such further action as may be deemed necessary in the interest of the organization.

D. **Safety:**

1. The Vendor shall ensure that all dismantling and related activities at the Wind Power Project, Narasimhakonda site are carried out only after complete isolation and shutdown of the electrical supply to the concerned equipment and in strict compliance with all applicable safety procedures, statutory regulations, and industry best practices.

2. The height of wind turbine towers is around 90 m above the ground level. Hence, Vendor shall take all necessary safety / life saving precautions during execution of work. The safety and well-being of all personnel engaged in the work shall be the sole responsibility of the Vendor. The Vendor shall provide all necessary Personal Protective Equipment (PPE), safety devices, tools, and supervision, and shall obtain adequate accident insurance and other statutory insurance coverage for its personnel in accordance with the applicable Central and State Government laws and regulations. NREDCAP shall not be liable for any accident, injury, disability, loss of life, or damage arising during the execution of the work.

3. Vendor shall be solely responsible for taking all safety and security measures during transportation of materials to and from project site and/or execution of work order. Any compensation towards the accidents shall be borne by Vendor as per existing laws. NREDCAP will not bear responsibility for such accidents and/or compensation.

4. Prior to commencement, the Successful Bidder shall submit for review by NREDCAP a detailed dismantling methodology, crane and lifting plan, work-at-height plan, electrical isolation and permit-to-work procedure, traffic management plan, emergency and rescue plan, details of competent supervisors and equipment operators, fitness certificates for cranes and lifting equipment, insurance policies and such other safety documents as may be required by NREDCAP. Commencement of work shall be subject to written clearance by NREDCAP.

Section – VIII: Important Terms

A. **Definition of Contract:**

1. "Contract" in this document shall mean the legally binding arrangement between NREDCAP and the Successful Bidder arising out of this e-Auction process and shall include, collectively and without limitation, this e-Auction Document together with all sections, schedules, annexures, appendices, forms, formats, amendments, corrigenda, addenda, clarifications and modifications issued by NREDCAP from time to time; the Bid submitted by the Successful Bidder along with all declarations, undertakings, certificates, representations and supporting documents; the Letter of Acceptance (LoA), Sale Order and any subsequent instructions, notices, approvals, directions or written communications issued by NREDCAP; the Performance Security, Earnest Money Deposit, Insurance Surety Bond, indemnities, undertakings and other instruments furnished by the Successful Bidder; and all obligations, responsibilities, rights and liabilities relating to payment of scrap value, dismantling, cutting, handling, loading, unloading, transportation, removal of materials, disposal of waste, site clearance, restoration of site, compliance with applicable laws, safety requirements, labour laws, environmental regulations, taxes, duties, levies, permits, insurance requirements and all other activities necessary for successful completion of the work.

2. The Contract shall come into force upon issuance of the Sale Order by NREDCAP and shall remain valid and binding until all obligations of the parties have been fully performed and discharged. No separate formal agreement shall be executed between NREDCAP and the Successful Bidder. The documents and instruments referred to herein shall collectively constitute the entire Contract and shall be valid, binding and enforceable upon the parties in all respects.

B. **Termination of Contract:**

If, at any stage during the execution of the Contract, the work is found to be unsatisfactory or not in conformity with the scope of work, specifications, terms, and conditions of the Contract and Sale Order, NREDCAP reserves the right to terminate the Contract by issuing a written notice to the Vendor, without prejudice to any other rights and remedies available to NREDCAP under the Contract or applicable law.

C. **Extension of the Contract:**

If the Vendor requires an extension of time for completion of the work on account of being unavoidably hindered in its execution or due to any reason beyond its reasonable control, the Vendor shall submit a written request to the Vice Chairman & Managing Director, NREDCAP, Tadepalli, at least 7 (Seven) days prior to the stipulated date of completion, stating the reasons for such extension and the additional time required. The decision of the Vice Chairman & Managing Director, NREDCAP, Tadepalli regarding the grant or otherwise of such extension shall be final and binding on the Vendor.

D. **Important conditions pertaining to delivery of work:**

1. The Successful Bidder shall ensure that the clearance and removal of materials is carried out strictly in accordance with the instructions issued by NREDCAP. Maintenance of the stockyard and surrounding area in a neat, clean, and orderly condition during the execution of the work shall be the sole responsibility of the Successful Bidder. In the event of non-compliance, NREDCAP reserves the right to impose penalties and/or forfeit the Security Deposit.
2. In the event of any delay in handing over or releasing the materials by NREDCAP due to unforeseen administrative or other reasons beyond its control, NREDCAP may grant a suitable extension of the delivery period without levy of penalties on the Successful Bidder. The Successful Bidder shall not be entitled to claim any compensation, damages, or additional costs on account of such delay.
3. After receipt of payment against the Sale Order, the materials shall be deemed to be in the custody of the Successful Bidder. The Successful Bidder shall be solely responsible for any loss, theft, damage, deterioration, accident, or any other cause affecting the materials until their complete lifting and removal from the NREDCAP site.
4. The Successful Bidder shall lift and remove the materials in their entirety and shall not leave any material, debris, or residue at the site.
5. Cutting or breaking of materials shall be permitted only to the extent necessary for facilitating loading and transportation. Use of oxy-acetylene gas cutting equipment shall be allowed only with the prior permission of NREDCAP and subject to compliance with applicable safety requirements. The decision of NREDCAP or its authorized representative in this regard shall be final and binding.
6. The Successful Bidder shall, at its own cost and risk, arrange all required manpower, tools and tackles, lifting equipment, forklifts, hoists, cranes, vehicles, and other resources necessary for the execution of the work.
7. Loading and transportation of materials shall be carried out strictly in accordance with the carrying capacities of the vehicles and the provisions of the Motor Vehicles Act and other applicable laws and regulations.
8. Upon removal of the materials from the NREDCAP Wind Power Project premises, the Successful Bidder shall assume full responsibility for any loss, shortage, theft, damage, accident, or claim arising in respect of such materials.
9. The Successful Bidder, its employees, agents, representatives, and workmen shall comply with all security regulations and site rules applicable at the NREDCAP Wind Power Project premises. Any act of indiscipline, nuisance, theft, misconduct, or unlawful activity shall result in suspension of work and may attract legal action, including forfeiture of the Security Deposit.
10. The Successful Bidder shall be responsible for any damage caused to buildings, structures, roads, equipment, utilities, or other property of NREDCAP during the execution of the work. NREDCAP may undertake repairs at the risk and cost of the Successful Bidder, and the corresponding expenditure shall be recoverable from the Successful Bidder. In the event of non-payment,

NREDCAP reserves the right to forfeit the Security Deposit and/or suspend further removal of materials until such dues are cleared.

11. NREDCAP shall not be liable for any injury, loss of life, accident, or damage suffered by the Successful Bidder, its employees, representatives, laborers, or any third party during the execution of the work. The Successful Bidder shall be solely responsible for compliance with all applicable labour laws and statutory obligations and shall provide appropriate personal protective equipment (PPE) and safety gear, including hand gloves, safety shoes, helmets, safety harnesses, and other necessary safety equipment to its personnel.

12. If any accident, injury, death, loss, or damage to property occurs due to any act, omission, negligence, default, or non-compliance with statutory provisions, safety requirements, or contractual obligations by the Successful Bidder, the Successful Bidder shall be solely liable for all consequences arising therefrom. The Successful Bidder shall indemnify and keep NREDCAP fully indemnified against all claims, demands, proceedings, liabilities, losses, damages, compensation, costs, and expenses arising out of or in connection with such incidents.

13. Certain materials may be required to be transported through or from locations adjoining wind power projects owned or operated by other developers. The Successful Bidder shall exercise due care during movement, loading, unloading, and transportation of materials and shall ensure that no obstruction, inconvenience, damage, or disturbance is caused to the operations, assets, personnel, or activities of such projects.

14. In the event that the Successful Bidder fails to execute the dismantling of the wind farm, or fails to lift and transport the dismantled assets and scrap materials within the stipulated period, NREDCAP shall be at liberty to entrust the work to any other eligible Bidder, without any further notice to the Successful Bidder, at the sole risk and cost of the Successful Bidder. Any additional expenditure incurred by NREDCAP in completing the work through such alternative arrangements shall be recoverable from the Successful Bidder, including from the Performance Security or any other dues payable to the Successful Bidder.

15. NREDCAP and its authorized representatives shall have the right to inspect, monitor, and supervise the work being carried out by the Successful Bidder at any stage during the execution of the Contract. The Successful Bidder shall provide all necessary access and cooperation for such inspection. All work shall be executed in accordance with the Contract requirements and to the satisfaction of NREDCAP.

E. **TCS:**

Tax Collected at Source (TCS), as applicable, shall be collected by NREDCAP from the Successful Bidder in accordance with the provisions of the Income Tax Act, 1961 and other applicable laws in force from time to time. NREDCAP shall issue the requisite TCS certificate and related documents to the Successful Bidder within the prescribed statutory timelines.

F. **Insurance:**

The Successful Bidder shall, at its own cost and risk, obtain and maintain adequate insurance coverage for its personnel, equipment, and materials from the date of award of work until completion of transportation and delivery. Such insurance shall cover risks including, but not limited to, loss, theft, burglary, transit damage, riots, strikes, accidents, fire, and Acts of God. NREDCAP shall not be liable for any loss, damage, or claim arising on account of such risks, and the Successful Bidder shall be solely responsible for all consequences thereof.

G. **Arbitration:**

In the event of any dispute or difference arising out or touching upon any of the terms and conditions of this Contract and/or in relation to the implementation or interpretation thereof, the same shall be resolved initially by mutual discussion and conciliation. If the dispute remains unresolved, it shall be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996, as amended. The arbitration shall be conducted by a sole arbitrator appointed in accordance with the said Act. The seat and venue of arbitration shall be Amaravati, Andhra Pradesh. But in the event of failure thereof, the same shall be referred to the Hon'ble High Court, Amaravati.

H. **Force Majeure:**

1. Neither party shall be liable for any failure or delay in the performance of its obligations under this Contract to the extent such failure or delay is caused by a Force Majeure event.
2. For the purpose of this Contract, Force Majeure shall mean any event or circumstance beyond the reasonable control of the affected party, which could not have been foreseen, avoided, or overcome through the exercise of due diligence. Such events shall include, but not be limited to:
    i. Acts of God;
    ii. War, hostilities, invasion, armed conflict, or acts of terrorism;
    iii. Governmental actions, restrictions, or interventions;
    iv. Riots, civil commotion, strikes, or lockouts;
    v. Fire, explosion, vandalism, or sabotage;
    vi. Floods, cyclones, storms, lightning, earthquakes, landslides, or other natural calamities;
    vii. Epidemics, pandemics, or public health emergencies; and
    viii. Any other event beyond the reasonable control of the affected party.

3. The affected party shall promptly notify the other party in writing of the occurrence and expected duration of the Force Majeure event. The time for performance of the affected obligations shall be extended for the period during which the Force Majeure event continues. No claim for compensation or damages shall arise on account of such delay or non-performance caused solely by a Force Majeure event.

I. **Process to be confidential:**

1. Information relating to the receipt, opening, examination, clarification, evaluation, and comparison of Bids, as well as recommendations concerning the award of the Contract, shall be treated as confidential and shall not be disclosed to any Bidder or to any person not officially concerned with the evaluation and award process until the notification of award is issued to the Successful Bidder.
2. Any attempt by a Bidder, directly or indirectly, to influence NREDCAP in the examination, evaluation, comparison of Bids, clarification process, or Contract award decision shall result in rejection of the Bid and may lead to such further action as deemed appropriate by NREDCAP.

In consideration of M/s _____ (hereinafter referred to as the "Successful Bidder"), having submitted its bid in response to the e-Auction document No._____ dated _____ (*insert e-Auction document reference No. and date*) issued by New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP), having its registered office at 12-464/5/1, River Oaks Apartments, CSR Kalyana Mandapam Road, Tadepalli, Andhra Pradesh, for the work of "Dismantling of 2.50 MW Wind Farm Comprising 2 × 1,250 kW Wind Power Turbines and Sale of Dismantled Assets and Scrap Materials on "As Is, Where Is" Basis at Narasimhakonda, Nellore District, Andhra Pradesh", and NREDCAP having accepted the bid of the Successful Bidder and issued Letter of Acceptance (LoA) No. _____ dated _____, requiring the Successful Bidder to furnish a Performance Security for due and faithful performance of all obligations under the Contract;

We _____ (*Name and address of the insurer)* having its Head Office at _____ (hereinafter referred to as the 'Insurer', which expression shall, unless repugnant to the context or meaning thereof, include its successors, administrators, executors and assigns) do hereby guarantee and undertake to pay NREDCAP unequivocally, irrevocably and unconditionally, on demand any and all amount to the extent of amount up to and not exceeding INR _____ (Indian Rupees _____ only) on behalf of M/s _____ (*insert name of the Successful Bidder*) at any time up to _____ (*insert date*) without any condition, demur, reservation, contest, recourse or protest and/or without any reference to the Successful Bidder. Any such demand made by NREDCAP on the Insurer shall be conclusive and binding notwithstanding any difference between the NREDCAP and the Successful Bidder or any dispute pending before any Court, Tribunal, Arbitrator or any other authority. The Insurer undertakes not to revoke this Insurance Surety Bond during its currency

and or any period extended under the Contract, without prior consent of NREDCAP and further agrees that the guarantee contained shall be enforceable till NREDCAP discharges this guarantee.

NREDCAP shall have the fullest liberty, without affecting in any way the liability of the Insurer under this Insurance Surety Bond, from time to time to extend the performance of the Contract by the Successful Bidder for the purpose of which, the Insurer shall be liable to extend the validity of the present Insurance Surety Bond without any demur, condition, protest and the Insurer shall at no point in time have an option of revoking the same, NREDCAP shall have the fullest liberty, without affecting this Insurance Surety Bond, to postpone from time to time the exercise of any powers vested in them or of any right which they might have against the Successful Bidder, and to exercise the same at any time in any manner, and either to enforce or to forbear to enforce any covenants, contained or implied, in the Contract Agreement between NREDCAP and Successful Bidder or any other course or remedy or security available to NREDCAP.

The Insurer shall not be released of its obligations under these presents by any exercise by NREDCAP of its liberty with reference to the aforesaid or any of them or by reason of any other act or forbearance or other acts of omission or commission on the part of NREDCAP or any other indulgence shown by NREDCAP or by any other matter or thing whatsoever which under law would, but for this provision, have the effect of relieving the Insurer.

The Insurer also agrees and undertakes that NREDCAP at its option shall be entitled to enforce this Insurance Surety Bond against the Insurer as a Surety, in the first instance without proceeding against the Successful Bidder and notwithstanding any security or other guarantee that NREDCAP may have in relation to the Successful Bidder's liabilities.

The Insurer hereby agrees and acknowledges that the NREDCAP shall have a right to invoke this Insurance Surety Bond in part or in full, as it may deem fit.

The Insurer hereby expressly agrees that it shall not require any proof in addition to the written demand by NREDCAP, made in any format, raised at the above-mentioned address of the Insurer, in order to make the said payment to NREDCAP.

The Insurer shall make payment hereunder on first demand without restriction or conditions and notwithstanding any objection by _____ (*Insert name of the Successful Bidder*) and/ or any other person. The Insurer shall not require NREDCAP to justify the invocation of this Insurance Surety Bond, nor shall the Insurer have any recourse against NREDCAP in respect of any payment made hereunder.

This Insurance Surety Bond shall not be affected in any manner by reason of merger, amalgamation, restructuring or any other change in the constitution of the Insurer.

The Insurer acknowledges that this Insurance Surety Bond is not personal to NREDCAP and may be

assigned, in whole or in part, (whether absolutely or by way of security) by NREDCAP to any entity to whom NREDCAP is entitled to assign its rights and obligations under the e-Auction document.

Notwithstanding anything contained hereinabove our liability under this Insurance Surety Bond is restricted to INR _____ (Indian Rupees _____ only) and it shall remain in force up to and including _____ and shall be extended from time to time for such period, as may be desired by M/s _____(*insert name of the Successful Bidder)* on whose behalf this Insurance Surety Bond has been given.
