Expression of Interest (EoI) for Empanelment for Supply, Installation and Commissioning of Grid Connected Solar Rooftop PV Power Plants of Capacity 1KWp to 500KWp under Net Metering Policy  
EoI Reference No:NREDCAP/SE/SPV 1-500 KWp/42-350/2026-27

**EOI NOTICE**

S.No	Particulars	Details
1	Authorised Person and Office address	The VC & Managing Director, NREDCAP #12-464/5/1, River Oaks Apartments, CSR Kalyana Mandapam Road, Tadepalli, Guntur District- 522 501, 0863-2347650/51/52/53/54 Email: vc@nredcap.in Website: www.nredcap.in
2	EOI Notice No	NREDCAP/SE/ SPV 1 - 500 KWp/42-350/2026-27, dated:08.04.2026
3	Scope of the work	Design, Supply, Installation, Commissioning, Synchronisation, Maintenance and Operation of Grid Connected SPV Rooftop Plant under Net Metering as per the technical specifications and standards notified by MNRE/AP DISCOMs/CEA/CEIG.
4	EOI Processing fee	Non- Refundable fee of Rs. 25,000/- + Rs. 4,500/- (GST @ 18%) = Rs. 29,500/- shall pay in online in AP e-Procurement portal in favor of NREDCAP.
5	EOI Security (EMD)	Rs. 50,000/- (Rupees Fifty thousand only) by way of DD in favour of NREDCAP, which is refundable after empanelment of the suppliers.
6	EOI document download start date and time	09.04.2026, 17:00 hrs
7	EOI Document download end date and time	22.04.2026, 11:00 hrs
8	EOI submission closing date and time	22.04.2026, 17:00 hrs
9	Hard copy submission date and time	23.04.2026, 13:00 hrs
10	EOI document opening date and time	23.04.2026, 15:00 hrs
11	Place of EOI Opening	NREDCAP, Head Office, Tadepalli, Guntur District
12	Contact Details/Telephone, Fax	Name: Sri J. Nani Babu Dy. General Manager (T), NREDCAP, Tadepalli. Telephone: 0863-2347650/51/52/53/54

		<p>For technical queries related to e-Procurement, please contact Help Desk Nos:  <b>9154383633, 9154383634, 7337318402 &amp; 7337318403</b></p>
13	Procedure for EOI Submission	<p>The Supplier shall submit response to the EOI on eProcurement platform at <a href="https://tender.apecurement.gov.in">https://tender.apecurement.gov.in</a> by following the procedure given below.</p> <p>The Supplier would be required to register on the e-procurement market place <a href="https://tender.apecurement.gov.in">https://tender.apecurement.gov.in</a> and submit their EOI online. Online submission of EOI is mandatory and Offline EOI shall not be entertained by the Tender Inviting Authority. The Suppliers shall submit their eligibility and qualification details, EOI Processing Fee and EMD, Technical details, Financials etc., in the online standard formats displayed in eProcurement web site. The Suppliers shall upload the scanned copies of all the relevant certificates, documents etc., in support of their eligibility criteria/Technically/EOI Processing Fee/EMD and other certificate/documents in the eProcurement web site. The Supplier shall sign on all the statements, documents, certificates, uploaded by him, owning responsibility for their correctness/ authenticity. The Supplier shall attach all the required documents to the tender document while EOI submission.</p> <p>1. Registration with eProcurement platform:                  For registration and online EOI submission Suppliers may contact HELP DESK No.  <b>9154383633, 9154383634, 7337318402 &amp; 7337318403</b>  <a href="https://tender.apecurement.gov.in">https://tender.apecurement.gov.in</a>.</p> <p>2. Digital Certificate authentication:                  The Supplier shall authenticate the EOI with Digital Certificate for submitting the EOI electronically on eProcurement platform. The EOIs not authenticated by Digital Certificate of the Supplier will not be accepted.</p> <p>For obtaining Digital Signature Certificate, you may please Contact:</p>

		<p>Andhra Pradesh Technology Services Ltd, 3rd Floor, R&amp;B Building, MG Road, Labbipet, Vijayawada-520010, Andhra Pradesh</p> <p>(OR)</p> <p>Any other Registration Authority in India. The city-wise list of RAs is available by clicking the link "Apply for a Class-2 Certificate" under "Enroll" section in the website "<a href="https://www.tcs-ca.tcs.co.in/mca21/index.jsp">https://www.tcs-ca.tcs.co.in/mca21/index.jsp</a>"</p> <p>3. Hard copies:</p> <p>i) Suppliers shall submit hard copies of the EOI document as per the timelines specified.</p> <p>ii) All the Suppliers shall invariably upload the scanned copies of DD particulars in eProcurement system and this will be one of the key requirements to consider the EOI responsive.</p> <p>4. Deactivation of Suppliers:</p> <p>If any Successful Supplier fails to submit the original hard copies of uploaded certificates/documents, within stipulated time or if any variation is noticed between the uploaded documents and the hard copies submitted by the Supplier, as the successful Supplier will be barred from participating in the tenders on eProcurement platform for a period of 3 years. The eProcurement system would deactivate the user ID of such defaulting Supplier based on the trigger/recommendation by the Authorised Representative in the system. Besides this, the Authorised Representative shall invoke all processes of law including criminal prosecution of such defaulting Supplier as an act of extreme deterrence to avoid delays in the EOI Process for execution of the development schemes taken up by the government. Other conditions as per the EOI are applicable.</p> <p>5. Payment of Transaction Fee:</p> <p>It is mandatory for all the participant Suppliers to electronically pay a Non-refundable Transaction fee to MD, APTS as per the relevant GoAP guidelines in regard to e-procurement fund to be administered by APTS limited, the service provider through "Payment Gateway Service on E-Procurement platform". The Electronic Payment Gateway accepts all Master and Visa Credit Cards issued by any bank and Direct Debit facility/Net</p>
--	--	---

		<p>Banking of ICICI Bank, HDFC, Axis Bank to facilitate the transaction. GST is applicable for Transaction on the transaction amount payable to MD APTS.</p> <p>6. EOI Processing Fee: Non- Refundable fee of Rs. 25,000/- + Rs. 4,500/- (GST @ 18%) = Rs. 29,500/- shall pay in online in AP e-Procurement portal in favor of NREDCAP.</p> <p>7. EOI Document: The Supplier is requested to download the EOI document and read all the terms and conditions mentioned in the EOI Document and seek clarification if any from the Authorised Representative.</p> <p>The Supplier has to keep track of any changes by viewing the Addendum/Corrigenda issued by the Authorised Representative on time-to- time basis in the e-Procurement platform/NREDCAP official website <a href="http://www.nredcap.in">www.nredcap.in</a>. The Authorised Representative inviting EOIs shall not be responsible for any claims/problems arising out of this.</p> <p>8. EOI Submission Acknowledgement: The Supplier shall complete all the processes and steps required for EOI submission. The system will generate an acknowledgement with a unique EOI submission number after completing all the prescribed steps and processes by the Supplier. Users/Suppliers may also note that the EOIs for which an acknowledgement is not generated by the eProcurement system are treated as invalid or not saved in the system. Such invalid EOIs will not be available to the Authorised Representative for processing the EOIs. The Authorised Representative is not responsible for incomplete EOI submission by the Suppliers.</p>
14	Rights reserved with the Department	Authorised Representative reserves the right to accept or reject any or all of the EOIs received without assigning any reasons therefore.

### EXPRESSION OF INTEREST

Expression of Interest (EOI) for empanelment of suppliers for the year 2026-27 is invited for supply & installation of Grid Connected Solar Rooftop systems in the following categories,

1. 1KWp Capacity
2. 2 KWp Capacity
3. 3KWp Capacity
4. 4KWp Capacity
5. 5KWp Capacity
6. 6-10KWp Capacity
7. 11-100KWp Capacity
8. 101-500KWp Capacity

The suppliers shall have financial eligibility and technical experience in installation of Grid Connected solar rooftop systems as detailed below,

Project Category	Annual Turnover	Minimum Experience
1 to 10 KWp	Minimum Average turnover of Rs.50 Lakhs during the last three years period (2023-26) or net worth of Rs.1.00 crore as on 31.03.2026.	50KWp cumulative capacity should have been installed in the last 3 years period, with atleast one 10KWp system should has been installed at single location.
11 to 100 KWp	Minimum Average turnover of Rs.1.00 crore during the last three years period (2023-26) or net worth of Rs.2.00 crores as on 31.03.2026.	100KWp cumulative capacity should have been installed in the last 3 years period, with atleast one 50KWp system should has been installed at single location.
Above 100 KWp	Minimum Average turnover of Rs.2.00 crores during the last three years period (2023-26) or net worth of Rs.5.00 crores as on 31.03.2026.	500KWp cumulative capacity should have been installed in the last 3 years period, with atleast one 100KWp system should has been installed at single location.

The Copies of the work completion reports shall be enclosed. The suppliers shall not be black listed at any time by NREDCAP as well as any of the Govt. Nodal Agencies in the country.

The Empanelled Suppliers / Manufacturers shall generate demand under market mode in association with the District Officers of NREDCAP. The District Officers of NREDCAP will also generate demand and submit indents to Head Office by recommending the supplier for allotment of the works. **The suppliers shall submit the documents in e-procurement along with detail offer before 22.04.2026 by 17:00 hrs and also submit the Hard Copies to reach NREDCAP Head Office, Tadepalli, Guntur District before 23.04.2026 by 13:00hrs. The Non-Refundable Processing fee of Rs.25,000 +18% GST (Rs.29,500) shall be paid in online in AP E-procurement in favour of NREDCAP. Further, an Earnest Money Deposit of Rs.50,000/-(Rupees Fifty thousand only) in the form of DD drawn in favour of NREDCAP, which is refundable after empanelment of the suppliers.**

### ELIGIBILITY CONDITIONS

The Supplier shall provide sufficient documentary evidences to satisfy the following conditions that the Supplier:

- (a) Is an indigenous manufacturer of the Solar PV Systems or experienced contractor in the field of Solar PV Power Plant.
- (b) The supplier fulfills the terms and conditions of eligibility as an indigenous manufacturer of Solar PV Systems in accordance with the guidelines of Ministry of New and Renewable Energy, Government of India.
- (c) The company should contain **Andhra Pradesh GST registration** during the last 3 years.
- (d) Has established quality assurance systems and organization designed to achieve high level of equipment reliability in manufacturing of the Solar Systems.
- (e) Has adequate financial stability and status to meet the financial obligations Pursuant to the scope of work.
- (f) In case of new entities, minimum turnover or net worth criteria shall be fulfilled. Turnover Certificate and Net worth certificate obtained from Chartered Accountants shall be attached.
- (g) The company should have done any work with NREDCAP during the last 3 years (The copies of work order should be attached) or Registered as a Vendor with DISCOMs of Andhra Pradesh State under PM Surya Ghar Scheme.
- (h) Has turnover and experience of Supply, Installation, Testing, Installation / commissioning and maintenance/after sale services in the field of Grid Connected Solar PV systems in the last 3 years, and the details of the same must be submitted in the Proforma given in Technical- EOI section of EoI document:
- (i) Has adequate field service setup to provide goods after sale services including necessary repair and maintenance in the state of AP.
- (j) Has provided goods after sale services for the works done by him during past years.
- (k) Has Valid Test Certificates of the Solar PV Power Plant as specified and required in the Technical- EOI of this EoI document.
- (l) Solar PV modules and Solar PV cells shall comply with the ALMM List-I (for solar PV modules) and ALMM List-II (for solar PV cells) under Approved Models and Manufacturers of Solar Photovoltaic Modules (Requirements for Compulsory Registration) Order, 2019 and its subsequent amendments and clarifications if any.
- (m) The supplier shall be required to have adequate post installation localized service facilities/ centers.

(n) All the components including Power plant, software's and other components mentioned above should be quoted as a single item. No partial quotes are accepted.

(o) All the material used in Grid connected solar rooftop systems and allied equipment shall comply to the technical specifications and standards of MNRE and DISCOMs being notified from time to time.

The above stated requirements are compulsory to be fulfilled by the Supplier and NREDCAP may also ask for any additional information as may be deemed necessary in public interest.

### INFORMATION ON SUBMISSION OF EOI AND EMPANELMENT

1. The Supplier shall download the EOI document and sign all pages, fill the financials capacity wise and upload the EOI document in e-procurement. The Supplier shall also upload DD towards EMD and other relevant documents i.e Experience, Turn Over and Net Worth etc. The Supplier shall also submit the Hard Copies in sealed cover duly subscribing “**Expression of Interest (EoI) for empanelment for Supply, Installation and Commissioning of Grid Connected Solar Rooftop PV Power Plants of Capacity 1KWp to 500KWp under Net Metering Policy**” which containing the Technical eligibility criteria documents along with EMD in the form of DD on or before the Deadline, to the address mentioned below:

**The VC & Managing Director, New & Renewable Energy Development Corporation of AP Ltd., 12-464/5/1, /River Oaks Apartments, CSR Kalyana Mandapam Road, Tadepalli, Guntur District, Andhra Pradesh – 522 501.**

2. The Supplier shall furnish documentary evidence in support of meeting Qualification Requirements set forth in this document to the satisfaction of the Authorized Representative.
3. The supplier shall quote lump sum price for the Solar Rooftop System/Project for each category that is quoted by the supplier. Such lump sum price including Taxes and Duties shall be the Quoted Price and the taxes shall be indicated separately.
4. NREDCAP will download the documents from e-procurement and verify the technical qualification of the suppliers. The technically qualified suppliers, financial offers only consider for financial evolution.
5. The lowest quoted price in each category will be arrived and all the suppliers who have participated in the EoI shall be given opportunity to accept the L1 Price and who have given the consent for L1 Price(s) will be considered for empanelment.
6. NREDCAP will notify the successful suppliers by registered Letter/Email that he is empaneled as one of the suppliers accepted to install the solar rooftop power plants under the state net metering policy.
7. Before empanelment as approved supplier, an agreement shall be signed between NREDCAP and the Supplier. The denial of the Supplier who has consented to undertake the work and failed to enter into agreement shall be treated as breach of contract and NREDCAP may forfeit EMD amount submitted by him.
8. The short-listed supplier shall execute an agreement of empanelment in the INR 200 non-judicial stamp paper of Andhra Pradesh Jurisdiction only in the name of the supplier, within 15 days from the date of Letter of Intimation about qualification by NREDCAP. (Format is attached).
9. NREDCAP may accept or reject any or all offers without assigning any reason.

## 10. INSTALLATION & COMPLETION SCHEDULE

The entire work involving Supply, Installation and Commissioning of each Grid connected Solar Rooftop power plants shall be completed within 45 days in case of 1-10 KWp capacities, 60 days in case of 11-100 KWp capacities and 90 days in case of 101-500 KWp capacities from the date of issue of work order by the end user or beneficiary or NREDCAP. If any delay from suppliers, Penal Clauses may attract as per Agreement.

## 12. SCOPE OF WORK

a) Scope of work covers Design, Supply, Installation, Commissioning, Synchronisation, Maintenance and Operation of Grid Connected SPV Rooftop Plant under Net Metering as per the technical specifications and standards notified by MNRE/AP DISCOMs/CEA/CEIG.

b) Wiring up to Distribution Board from the SPV Rooftop system will be in the scope of the successful Supplier(s). The maximum cable length of 50 m for every solar power plant installed shall be in the scope of the Supplier and supply of excess cable length if required shall be in the scope of purchaser.

c) Mounting Structure within the scope of this EoI is for flat RCC roofs.

d) Performance testing of the complete system.

e) On receipt of work order, shall install the system and submit the invoice in triplicate duly certified by the authorized representative of NREDCAP along with Joint Inspection Report, Net Metering Work Completion & Synchronization reports, installed system photographs, handing over certificate and the panel serial nos. has to be submitted to NREDCAP for release of cost of the system.

f) The empanelled installer shall undertake to supply spares free of cost for the maintenance of the offered items during the warranty period.

g) A leaflet containing the details of the service centres shall be provided to each user agency as well as to NREDCAP.

h) If the operation or use of the system proves to be unsatisfactory during the warranty period, the installer shall replace the faulty ones or carry out necessary repairs as per the warranty terms and conditions.

i) During the installation of Solar System, the supplier shall follow necessary safety precautions.

j) The Empanelled Installer shall do necessary coordination with concerned agencies like DISCOM and CEIG, as applicable, for procuring necessary approvals on behalf of the User Agency.

### 13. INSPECTION BY NREDCAP

All the SPV Rooftop systems installed will be inspected by the representative of NREDCAP within 07 days of receipt of Communication. The eligible amount will be released only for the systems installed in compliance to the technical specification of MNRE /NREDCAP /CEIG /DISCOMs. During the Inspection, if the system installed is found faulty (or) not in compliance to the technical specification, the cost for re-inspection by NREDCAP after rectification/replacement shall be borne by the Supplier.

### 14. SERVICE CENTRES

Empanelled Installer shall have minimum of **two service centres** in Andhra Pradesh. Additional service centres shall be opened in Andhra Pradesh in different districts based on the installations carried out by them under this empanelment mechanism.

The Installer shall visit the site at least once in a quarter, to attend routine maintenance, during the 5 years warranty period. However, in case of malfunctioning of the system, the Supplier/Suppliers shall attend for rectification of defects within 5 working days from the date of lodging complaint.

### 15. WARRANTY

1. (a) The SPV panel shall carry a warranty of minimum 25 years.
  - (b) The SPV panel must be warranted for their output peak watt capacity which shall not be less than 90% at the end of 10 years and 80% at the end of 25 years.
  - (c) The PCU/Solar Grid tie Inverter shall carry a warranty of minimum 5 years.
2. The complete SPV rooftop systems installed and commissioned shall be under a warranty against any manufacturing or usage defect for a minimum period of 5 years from the date of Commissioning. The mechanical structures, electrical works including power conditioners/inverters/maximum power point tracker units/distribution boards/digital meters/ switchgear etc. and overall workmanship of the SPV rooftop systems must be warranted against any manufacturing/ design/ installation defects for a minimum period of 5 years.
3. The warranty will be against breakages, malfunctions, non-fulfilment of guaranteed performance and breakdowns due to manufacturing defects or defects that may arise due to improper operation of electrical /electronic components of the system but do not include physical damages by the end users.
4. The above warranty shall take effect from the date on which the system is taken over by the purchaser after commissioning Synchronizing.

5. The supplier shall be liable to make good the loss by replacing the defective product during the warranty period for the entire system free of cost.
6. The warranty will cover all the materials and goods involved in the installation and commissioning of SPV rooftop systems by the successful Supplier.

#### **16. PAYMENT TERMS**

In case the work order is released by NREDCAP, the payment shall be made as follows,

- a. 60% of purchase order value will be released on installation of the total system.
- b. 30% payment will be released after 30 days of successful Commissioning of the system including net meter and on receipt of synchronization report, performance report and one month electricity bill from user organization/district office, NREDCAP.
- c. Balance 10% of the contract value shall be released at the end of the 5 years on completion of the warranty period and on submission of satisfactory performance report from the user organization or against performance bank guarantee.
- d. The payment shall be released only on receipt of funds from respective user organizations.

#### **17. VALIDITY OF EMPANELMENT**

The validity of Empanelment and the price accepted shall be up to **31/03/2027**.

### TECHNICAL ELIGIBILITY FORMAT

All pages of the Technical Format shall be organised section-wise, annexed with proof documents, serially numbered shall be attached.

#### 1. GENERAL PARTICULARS OF SUPPLIER

SL.	PARTICULARS	TO BE FUNISHED BY THE SUPPLIER
1	Name of Supplier/Firm	
2	Postal Address	
3	E-mail address for communication	
4	Telephone No.	
5	Name, designation, address, contact number and Email of the representative of the Supplier to whom all references shall be made.	
6	Nature of the firm (Individual/ Partnership/Consortium/ Pvt. Ltd /Public Ltd. Co. /Public Sector, etc.) Attach attested copy of Registration & Partnership deed/ Memorandum of Association	
7	PAN NO (Copy of certificate to be enclosed)	
8	GST No. (Copy of certificate to be attached)	
9	Amount and particulars of the Earnest Money Deposited.	
10	Annual Turnover for last three years i.e 2023-24 to 2025-26 (Attach Certificate issued by CA)	
11	Net worth of the company as on 31.03.2026 (Attach Certificate issued by CA)	

Expression of Interest (EoI) for Empanelment for Supply, Installation and Commissioning of Grid Connected Solar Rooftop PV Power Plants of Capacity 1KWp to 500KWp under Net Metering Policy  
EoI Reference No:NREDCAP/SE/SPV 1-500 KWp/42-350/2026-27

12	Name and address of the Indian/foreign collaboration if any.	
13	Has the Supplier/firm ever been debarred by any institution for undertaking any work?	
14	Any other information attached by the Supplier (Details of Annexure / page no. where its enclosed)	
15	Does Supplier have any relative Working in NREDCAP? If yes state the Name and designation.

**DECLARATION**

**(on Rs.100/- non-judicial stamp paper)**

I / We ..... have gone through carefully all the EoI conditions and solemnly declare that I / we will abide by any penal action such as disqualification or black listing or determination of contract or any other action deemed fit, taken by, the Department against us, if it is found that the statements, documents, certificates produced by us are false / fabricated.

I / We hereby declare that, I / We have not been blacklisted / debarred / Suspended / demoted in any Government Department in any State due to any reasons.

**Date**

**Signature of the Supplier with Stamp**

**DECLARATION BY THE SUPPLIER**

I/We

.....

(Hereinafter referred to as Supplier) being desirous of EoI for the work, under this EoI and having fully understood the nature of the work and having carefully noted all the terms and conditions, specifications etc. as mentioned in the EoI document do hereby declare that

1. The Supplier is fully aware of all the requirements of the EoI document and agrees with all provisions of the EoI document and accepts all risks, responsibilities and obligations directly or indirectly connected with the performance of the EoI.
2. The Supplier is fully aware of all the relevant information for proper execution of the proposed work, with respect to the proposed place of works/ site, its local environment, approach road and connectivity etc. and is well acquainted with actual and other prevailing working conditions, availability of required materials and labour etc. at site.
3. The Supplier is capable of executing and completing the work as required in the EoI and is financially solvent and sound to execute the EoI work. The Supplier is sufficiently experienced and competent to perform the contract to the satisfaction of NREDCAP. The Supplier gives the assurance to execute the EoI work as per specifications, terms and conditions of the EoI on award of work.
4. The Supplier has no collusion with other Suppliers, any employee of NREDCAP or with any other person or firm in the preparation of the EoI.
5. The Supplier has not been influenced by any statement or promises by NREDCAP or any of its employees but only by the EoI document.
6. The Supplier is familiar with all general and special laws, acts, ordinances, rules and regulations of the Municipal, District, State and Central Government that may affect the work, its performance or personnel employed therein.
7. The Supplier has never been debarred from similar type of work by any Government Undertaking /Department. (An undertaking on Non-Judicial Stamp paper worth of Rs. 100/- in this regard shall be submitted)
8. The Supplier accepts that the earnest money / security deposit may be absolutely forfeited by NREDCAP if the selected Supplier fails to sign the contract or to undertake the work within stipulated time.
9. This offer shall remain valid for acceptance for 3 (Three) months from the proposed date of opening of EoI.

10. All the information and the statements submitted with the EoI are true and correct to the best of my knowledge and belief.

**Signature of Supplier**

## MODEL FORM OF AGREEMENT

*To be executed on a Rs.200- Non-judicial Stamp paper of Andhra Pradesh jurisdiction by the Successful Supplier for Supply, Installation and Commissioning of Grid Connected Rooftop Systems*

### AGREEMENT

This Agreement is entered into at Tadepalli on the ..... day of \_\_\_\_\_ 2026 between New & Renewable Energy Development Corporation of A.P Ltd (NREDCAP) having its Regd. Office at # 12-464/5/1, River Oaks Apartment, CSR Kalyana Mandapam Road, Tadepalli-522 501, Guntur district,. Andhra Pradesh State, India hereinafter referred to as "NREDCAP" (which term shall mean and include its successors and permitted assigns) and ....., a Company registered under .....and having its Registered office at ..... hereinafter referred to as the "Installer" (which term shall mean and include its successors and permitted assigns)

Whereas NREDCAP invited a EoI vide EoI Ref. No. NREDCAP/SE/ SPV 1 - 500 KWp / 42-350/2026-27 dated: \_\_\_\_\_ for Supply, Installation, Commissioning, Maintenance and Operation of Grid connected SPV Rooftop Systems all over the State of Andhra Pradesh.

This document on having been signed by both the parties shall constitute a binding contract between the parties and shall remain in force for a period of five years. But in the event of any breach of the Contract at any time on the part of the Installer, the contract shall be terminated by NREDCAP without compensation to the Installer. The contract may also be put to an end at any time by the NREDCAP upon giving seven days' notice to the Installer. The Installer agrees to extend warranty to the solar panels and complete system as per point 15 and as per the tender Terms & Conditions.

#### 1. Installation & Completion Schedule

The entire work involving Supply, Installation and Commissioning of SPV Rooftop shall be completed within 30 to 90 days based on capacity of the system from the date of issue of work order by the NREDCAP.

#### 2. Service:

Empanelled Installer shall have minimum of two service centre in Andhra Pradesh. Additional service centres shall be opened in Andhra Pradesh in different districts based on the installations carried out by them under this empanelment mechanism.

The Installer shall visit the site at least once in a quarter, to attend routine maintenance, during the 5 years warranty period. However, in case of malfunctioning of the system, the Supplier/Supplier shall attend for rectification of defects within 5 working days from the date of lodging complaint.

3. Installation and Commissioning locations:

The Grid Connected Solar Rooftop Power Plants shall be installed and commissioned anywhere in Andhra Pradesh under Net Metering Scheme.

4. The validity of Empanelment and the price accepted will be up to 31.03.2027.

5. The following documents shall be deemed to form and be read and construed as part of this Contract.

- a) Technical Specifications of MNRE/AP DISCOMs/CEIG/CEA
- b) EoI Terms and Conditions
- c) Amendments if any issued by NREDCAP for the EoI document
- d) Corrigendum/Clarifications issued by NREDCAP for the EoI document
- e) Detailed final offer of the Successful Supplier
- f) Correspondence made by NREDCAP to the successful Supplier from time to time during the period of the contract.

6. Waiver of any terms and conditions by NREDCAP in writing shall not have the effect of waiving or abandoning other terms and conditions of the contract.

7. (a) Unless otherwise provided in the Contract, any notice, request, consent or other communication given or required to be given hereunder shall be given by mailing the same by registered mail, postage prepaid to NREDCAP at its registered office.

(b) Any notice to the Installer shall be deemed to be sufficiently served, if given or left in writing at their usual or last known place of abode or business. In case of failure by the Installer to commission the Solar Rooftop systems within the period specified as per the schedule or in case of installations made by them, not being of the stipulated quality and specifications, NREDCAP shall have the power to reject any such installations.

8. NREDCAP is no way responsible for any dispute arising between the Installer & Consumer.

Subject to the above, the Courts of AP jurisdiction alone only shall have jurisdiction in the matter of empanelment.
