SECTION I: INTRODUCTION

1. BACKGROUND

Tirupati, a renowned pilgrimage city in Andhra Pradesh, famous for the sacred Sri Venkateswara Temple on the Tirumala hills, is renowned for its cultural legacy, economic dynamism, and rapid infrastructural development. The rising population, increased consumerism, and changing lifestyles has led to a substantial increase in municipal solid waste (MSW) generation in and around the city. As a result, the city is experiencing significant strain on its landfill sites, revealing the inadequacies of the conventional waste management systems, and posing serious environmental and public health risks in the city. In response to these challenges, the Government of Andhra Pradesh is actively promoting energy recovery from Municipal Solid Waste (MSW) as a strategic measure to advance sustainable waste management practices and reduce harmful emissions across the region.

The Municipal Administration and Urban Development (“**MA&UD**”) Department, Government of Andhra Pradesh, through Commissioner, Tirupati Municipal Corporation (“**TMC**”) and the **Participating ULBs** (hereinafter referred to as the “**Authority**”), as a part of the aforementioned initiative, proposes the development of **12MW Waste to Energy (WtE) Plant at Tirupati** on Public Private Partnership (“**PPP**”) through Design, Build, Finance, Operate, Maintain and Transfer (“**DBFOT**”) model (hereinafter referred to as the “**Project**”), in accordance with the terms and conditions contained in the Bidding Documents.

In order to ensure efficient and reliable MSW supply, MA&UD has adopted a clustering approach, wherein multiple ULBs are grouped to support the designated WtE Plant. Therefore, the proposed WtE plant will serve as an integrated facility for the scientific disposal of Municipal Solid Waste (MSW) generated within the jurisdiction of TMC and the Participating ULBs. The Tirupati Municipal Corporation (TMC) has been appointed as the **Lead ULB** of the cluster, to facilitate the functioning of the Plant.

New and Renewable Energy Development Corporation of Andhra Pradesh Limited (“**NREDCAP**”) has been authorized by the Authority and APDISCOMS to conduct the bidding process on their behalf for selection of an entity to whom the Project may be awarded.

1.1 The objectives that the Authority wishes to achieve through the Project include:

- (a) proper handling, processing and disposal of waste and conversion of Acceptable Municipal Solid Waste (**MSW**) to electricity and sell recovered recyclables;

- 26.4 The NREDCAP will prepare a record of the opening of the Bids that will include, as a minimum, the names of the Bidders from whom Bids have been received. The Bidders' representatives who are present will be requested to sign the record. The omission of a Bidder's representative's signature on the record will not invalidate the contents and effect of the record.
- 26.5 Once all the Qualification Proposals have been opened, they will be evaluated for responsiveness and to determine whether the Bidders are qualified for opening of the Financial Proposals. The procedure for evaluation of the Qualification Proposals is set out in Clause 27.
- 26.6 Once the Qualification Proposals have been evaluated, all Bidders whose Qualification Proposals meet the Eligibility Criteria and the Qualification Criteria, will be informed of a date, time and place for opening of their Financial Proposals. 27. DETERMINATION OF RESPONSIVENESS AND EVALUATION OF QUALIFICATION PROPOSALS

- 27.1 The NREDCAP will examine the Qualification Proposals to determine whether they are complete, whether the documents have been properly signed, and whether the Qualification Proposals are generally in order. If any Bidder is found to be disqualified in accordance with the terms of the RFP or if any Qualification Proposal is found to be non-responsive or not meeting the Technical Capacity or the Financial Capacity, the Bid comprising such Qualification Proposal will be rejected by the NREDCAP and not included for further consideration. No request for alteration, modification, substitution, or withdrawal shall be entertained by the NREDCAP in respect of such Bid.

- 27.2 Prior to evaluation of the Qualification Proposals, the Qualification Proposals will be evaluated to determine responsiveness to the RFP. A Qualification Proposal, shall be considered responsive only if:

 - (b) the Bid is uploaded by the specified time on the Bid Due Date;
 - (c) hard copies of the original bank guarantee for the Earnest Money Deposit and the POAs required under Clause 20 are received by the specified time on the Bid Due Date;

 - (e) it contains all the information and documents (complete in all respects) as requested in this RFP; and
 - (f) it does not contain any condition or qualification.
- 27.3 The NREDCAP shall then evaluate and determine whether the Bidders who have submitted responsive Qualification Proposals satisfy the Eligibility Criteria and the Qualification Criteria set out at Clause 3 and Clause 4 respectively.
- 27.4 In order to determine whether the Bidder satisfies the Eligibility Criteria set out at Clause 3 and the Qualification Criteria set out at Clause 4, the NREDCAP will review the documentary evidence of the Bidder's eligibility and qualifications submitted by the Bidder and any additional information which the NREDCAP seeks from the Bidder.
- 27.5 Where any information provided by a Bidder is found to be patently false or amounting to a material misrepresentation, the NREDCAP reserves the right to reject the Bid submitted by such Bidder.
- 27.6 Upon completion of evaluation of the Qualification Proposals, the NREDCAP will notify the qualified Bidders and inform them of the date and time on which their Financial Proposals will be opened. The Financial Proposals of those Bidders who do not qualify will not be opened.

28. EVALUATION OF FINANCIAL PROPOSALS

- 28.1 The NREDCAP shall open the Financial Proposals of only the qualified Bidders, within 15 (fifteen) days from the date of notification of qualified Bidders, at the time to be notified and place specified in the Bid Schedule. If there is only 1 (one) qualified Bidder, the NREDCAP may, at its sole discretion, decide to open this Bidder's Financial Proposal.
- 28.2 In the presence of the representatives of the qualified Bidders that choose to be present at the opening of the Financial Proposals, the NREDCAP shall open the Financial Proposal of each qualified Bidder and announce the Grant quoted by such Bidder.
- 28.3 Following the opening of the Financial Proposals, the NREDCAP shall evaluate the Financial Proposals for responsiveness. A Financial Proposal, shall be considered responsive only if:

- (a) the Bidder has populated the Financial Proposal format provided on the e-Procurement Portal, in accordance with the instructions provided on the e-Procurement Portal;
 - (b) the Financial Proposal is not affected by the condition specified in Clause 21.3 of this RFP.

- 28.5 The NREDCAP shall, for each qualified Bidder that has submitted a responsive Financial Proposal, tabulate the Grant.
- 28.6 Once the Grant for each qualified Bidder that has submitted a responsive Financial Proposal has been tabulated, the NREDCAP shall rank the qualified Bidders based on the Grant quoted. The qualified Bidder with the Best Quote will be the Preferred Bidder.
- 28.7 If the Grant quoted by 2 (two) or more qualified Bidders is the same, as the case may be (the "Tie Bidders"), the Authority shall identify the Selected Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend
- 28.8 If the Preferred Bidder is disqualified or rejected for any reason whatsoever, then the procedure set out in Clause 7.2 shall follow.
- 28.9 The NREDCAP may issue a letter to invite the Preferred Bidder for negotiations, provided such negotiations shall not result in any increase in the Grant initially quoted by the Preferred Bidder.

29. CLARIFICATION ON BIDS

- 29.1 To facilitate evaluation of the Bids, the NREDCAP may, in its sole discretion, seek clarifications and/or any additional information from any Bidder regarding its Bid (including if the Bid is not signed, marked and sealed in accordance with Clauses 23 and 24). Such clarification(s) will be provided within the time specified by the NREDCAP for this purpose. Any request for clarification(s) and all responses to such clarification(s) will be in writing. Any clarification submitted by a Bidder that is not in response to a request by the NREDCAP will not be considered.
- 29.2 If a Bidder does not provide clarifications and/or any additional information sought under Clause 29.1 within the prescribed time, its Bid may be liable for rejection. If the Bid is not rejected, the NREDCAP may proceed to evaluate the Bid by construing the particulars requiring clarification to the best of its understanding, and the Bidder will be barred from subsequently questioning such interpretation of the NREDCAP.

PART E. AWARD OF PROJECT

30. LETTER OF AWARD (LOA)

 - (d) requesting it to submit the Performance Security in accordance with Clause 16;
 - (e) requesting it to incorporate the Concessionaire to implement the Project.
- 30.2 If the Selected Bidder fails to return a duly signed copy of the LOA to the NREDCAP within 15 (fifteen) days of issuance of the LOA, then the NREDCAP may, unless it consents to an extension, without prejudice to any of its rights under the RFP or law, disqualify the Selected Bidder, revoke the LOA, and forfeit the Earnest Money Deposit. If the NREDCAP elects to disqualify such Bidder and revoke the LOA, then the procedure set out in Clause 7.2 shall follow.

31. EXECUTION OF THE CONTRACT

- 31.1 The NREDCAP shall, within 15 (fifteen) days of the acceptance of the LOA by the Selected Bidder provide the Selected Bidder with the final execution draft of the Agreement. The Concessionaire incorporated by the Selected Bidder or the Selected Bidder, as the case may be, shall execute the Agreement in the draft form provided by the NREDCAP.

If the NREDCAP elects to disqualify such Bidder and revoke the LOA, then the procedure set out in Clause 7.2 shall follow.
- 31.3 Subject to Clause 30.2, upon satisfaction of the conditions specified in Clause 30.1 and any other conditions specified in the LOA, the Concessionaire incorporated by the Selected Bidder or the Selected Bidder, as the case may be, shall execute the Agreement within 30 (thirty) days from the date of issuance of the LOA.
