**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**DISCLAIMER**

1. The Tender document is not transferable.
2. This Tender is issued by New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP).
3. The Bid document is not a prospectus or offer on invitation to the public in relation to the sale of shares, debentures or securities, nor shall this Bid document or any part of it form the basis of or be relied upon in any way in connection with, any contract relating to any shares, debentures or securities.
4. In considering a response to this Tender, each recipient should make its own independent assessment and seek its own professional, technical, financial and legal advice.
5. Whilst the information in this Tender document has been prepared in good faith, it is not and does not purport to be comprehensive or to have been independently verified. Neither NREDCAP nor any of their officers or employees, nor any of their advisers nor consultants, accept any liability or responsibility for the accuracy, reasonableness or completeness of, or for any errors, omissions or misstatements, negligent or otherwise, relating to the proposed Project, or makes any representation or warranty, express or implied, with respect to the information contained in this document or on which this document is based or with respect to any written or oral information made or to be made available to any of the recipients or their professional advisers and, so far as permitted by law and except in the case of fraudulent misrepresentation by the party concerned, and liability therefore is hereby expressly disclaimed.
6. The information contained in this document is selective and is subject to updating, expansion, revision and amendment issued before due date. It does not, and does not purport to, contain all the information that a recipient may require. Neither NREDCAP nor any of their officers, employees nor any of its advisors nor consultants undertakes to provide any recipient with access to any additional information or to update the information in this document or to correct any inaccuracies therein which may become apparent. Each recipient must conduct its own analysis of the information contained in this document or to correct any inaccuracies therein that may be contained in this document and is advised to carry out its own investigation in relation to the Project/Tender, the legislative and regulatory regime which applies thereto and by and all matters pertinent to the proposed Project/Tender and to seek its own professional advice on the legal, financial, regulatory and taxation consequences of entering into any agreement or arrangement relating to the proposed Project/Tender.
7. This Tender document, if includes certain statements, estimates, projections, designs, targets and forecasts with respect to the Project, such statements, estimates, projections, targets and forecasts, designs reflect various assumptions made by the management, officers and employees of NREDCAP, which assumptions (and the base information on which they are made) may or may not prove to be correct. No representation or warranty is given as to the reasonableness of forecasts or the assumptions on which they may be based and nothing in this document is, or should be relied on as a promise, representation or warranty.
8. NREDCAP reserves the right to modify, amend or supplement or cancel this Tender document, without any prior notice or without assigning any reason.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**Information pertaining to Bid submission via e-Procurement platform**

The Bidder shall submit response to the tender on e-Procurement Platform at <https://tender.apecurement.gov.in> by following the procedure given below.

The Bidder would be required to register on the e-Procurement Platform at <https://tender.apecurement.gov.in> and submit their Bids online. Online submission of Bids is mandatory, and Offline Bids shall not be entertained by the Tender Inviting Authority.

The Bidders shall submit their eligibility and qualification details, and EMD (Prequalification), Technical Bid, Financial Bid, etc., in the online standard formats displayed in e-Procurement website. The Bidders shall upload the scanned copies of all the relevant certificates, documents, etc., in support of their Eligibility Criteria/Technical Bid/EMD and other certificate/documents in the e-Procurement website. The Bidder shall sign on the statements, documents, certificates, uploaded by him/her, owning responsibility for their correctness/authenticity. The Bidder shall attach all the required documents specific to the RfS after uploading the same during the Bid submission as per the RfS and Bid documents.

**i. Registration with e-Procurement Platform:**

For registration and online Bid submission, Bidders may contact the HELP DESK of the e-Procurement Platform of the Government of Andhra Pradesh.

<https://tender.apecurement.gov.in>

**ii. Digital Certificate Authentication:**

The Bidder shall authenticate the Bid with Digital Certificate for submitting the Bid electronically on e-Procurement Platform. The Bids not authenticated by Digital Certificate of the Bidder will not be accepted.

For obtaining Digital Signature Certificate, you may please Contact: Andhra Pradesh Technology Services Limited (APTSL), Plot No. 302, 3rd Floor, Banukrishna Nilayam, Ashoka Nagar, Velanki Rammohan Rao Street, Vijayawada, Mob: 9963029443/410

**iii. Hard Copies**

- a. Bidders shall submit hard copies of the Bid as specified in Clause 3.6 of this RfS.
- b. All the Bidders shall invariably upload the scanned copies of Insurance Surety Bond/BG particulars in e-Procurement Platform, and this will be one of the key requirements to consider the Bid responsive. **Bid proposals received without the prescribed EMD shall automatically be rejected.**

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**iv. Payment of Transaction Fee**

It is mandatory for all the participant Bidders to electronically pay a non-refundable Transaction fee to MD, APTS as per the relevant GoAP guidelines in regard to e-procurement fund to be administered by APTS Limited, the service provider through "Payment Gateway Service on E-Procurement Platform". The Electronic Payment Gateway accepts all Master and Visa Credit Cards issued by any bank and Direct Debit facility/Net Banking to facilitate the transaction. GST is applicable for Transaction Fee amount payable to MD, APTS.

**v. Nodal Person for enquiries and clarifications**

All correspondence, clarifications in respect of the Bid document and submission of the Bid shall be addressed to:

Designation:	The VC & Managing Director, NREDCAP
Address:	12-464/5/1, River Oaks Apartment, CSR Kalyana Mandapam Road, Tadepalli, Guntur District, Andhra Pradesh, Pin : 522 501
Telephone:	0863-2347650/51/52/53/54
E-mail ids:	pdse@nredcap.in

**vi. Tender Particulars**

Sl. No.	Particular	Description
1	Department Name	New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP)
2	Office	The VC & Managing Director, NREDCAP
3	Tender Number	NREDCAP/SE/RESCO-Empanelment/2026-27
4	Tender Subject	Request for Selection (RfS) of Solar Power Developers for Empanelment for supply, installation & commissioning of Grid connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh state under RESCO mode
5	Empanelment period	Till 31 <sup>st</sup> May 2028
6	Tender Type	Open tender
7	Tender Category	Competitive bidding
8	Bidding Process	Single Stage, Two Part (Techno-Commercial and Financial Bid) Competitive Bidding Process.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

Sl. No.	Particular	Description															
9	Bidding Portal	AP e-Procurement Platform															
10	Scheduled Commercial Operation Date	As notified by NREDCAP depending upon allotted capacity to the empaneled vendor(s)															
11	Bidding Parameter	<p>Bidders shall quote the <b>tariff per unit including taxes</b> for supply of solar power for the following categories:</p> <table border="1"> <thead> <tr> <th>RTS Category</th> <th>Size of RTS Plants</th> <th>Billing Type</th> </tr> </thead> <tbody> <tr> <td>RTS Category 1</td> <td>Up to 10 kW</td> <td>Net Meter</td> </tr> <tr> <td>RTS Category 2</td> <td>&gt;10 kW, ≤ 100 kW</td> <td>Net Meter</td> </tr> <tr> <td>RTS Category 3</td> <td>&gt;100 kW, ≤500 kW</td> <td>Net Meter</td> </tr> <tr> <td>RTS Category 4</td> <td>&gt;500 kW</td> <td>Net Billing/ Gross Meter</td> </tr> </tbody> </table> <p>Tariffs shall be fixed for the entire term of the PPA in <b>Indian Rupees per kWh (INR per kWh) including all taxes</b> for the entire period of 25 years from COD.</p> <p>This rate is inclusive of a Service Charge of <b>INR 0.10 per kWh + 18% GST</b> as per clause 7.9, payable by the developer to NREDCAP for the entire term of PPA.</p>	RTS Category	Size of RTS Plants	Billing Type	RTS Category 1	Up to 10 kW	Net Meter	RTS Category 2	>10 kW, ≤ 100 kW	Net Meter	RTS Category 3	>100 kW, ≤500 kW	Net Meter	RTS Category 4	>500 kW	Net Billing/ Gross Meter
RTS Category	Size of RTS Plants	Billing Type															
RTS Category 1	Up to 10 kW	Net Meter															
RTS Category 2	>10 kW, ≤ 100 kW	Net Meter															
RTS Category 3	>100 kW, ≤500 kW	Net Meter															
RTS Category 4	>500 kW	Net Billing/ Gross Meter															
12	Tender Validity Period	<b>180 Days</b> from the Bid Deadline date (Bid Due Date), as may be extended.															
13	Bid Security/ Earnest Money Deposit (EMD)	<p>As specified in Clause 3.2 of the RfS, EMD shall be submitted in prescribed Format-3 for an amount of <b>INR 5,00,000 (Indian Rupees Five Lakh Only)</b> valid till 31<sup>st</sup> May 2028</p> <p><b>Firms claiming Exemptions for EMD shall submit valid UDYAM registration, containing NIC – 35105 and classification year 2026-27.</b></p> <p>Any extension of the validity of the Bid Security as requested by NREDCAP shall be provided by the agency in a minimum of seven calendar days prior to the expiry of the validity of the Bid Security, being extended.</p>															
14	Bid Security/EMD Payable to	<p>EMD shall be paid in favour of “<b>The Vice Chairman and Managing Director, NREDCAP, Tadepalli</b>”</p> <p>It shall be as specified in Clause 3.2 of the RfS in prescribed Format-3.</p> <p>It should be noted that Bid Bond displayed on the NIT screen of the e-Procurement Website is not relevant to this procurement process.</p>															

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

Sl. No.	Particular	Description
15	Bid Processing Fee	The bidder shall pay an amount of <b>INR 25,000/- (Indian Rupees Twenty-Five Thousand only)</b> and applicable taxes as levied by the Govt. of India as Bid Processing fee online in AP e-Procurement portal in favour of NREDCAP. The Bid Processing fee is non-refundable.
16	Performance Security (PS)	<ul style="list-style-type: none"> <li>• The value of the Performance Bank Guarantee (PBG)/ Insurance Surety Bond shall be <b>INR 1,000 per kW</b> (Indian Rupees One Thousand per kW only) as per clause 3.4</li> <li>• This Performance Bank Guarantee/ Insurance Surety Bond will be valid for up to 6 months beyond SCD.</li> <li>• The Successful Bidder needs to furnish Performance Bank Guarantee from any of the Scheduled Banks including Nationalized Banks recognized by the Reserve Bank of India (RBI).</li> <li>• The Insurance Surety Bond shall be from an Insurer as per guidelines issued by Insurance Regulatory and Development Authority of India (IRDAI) as amended from time to time.</li> </ul>
17	Transaction Fee	All the participating Bidders who submit the bids have to pay a transaction fee levied on AP e Procurement Portal. This amount is non-refundable.
18	Bid Document Download Start Date	29.05.2026 from 17:00 Hours
19	Pre-Bid Meeting	05.06.2026 from 11:00 Hours shall be virtual/ physical and details shall be shared.
20	Pre-Bid Clarifications issue date	15.06.2026 at 17:00 Hours
21	Bid Document Download End Date	22.06.2026 at 17:00 Hours
22	Bid Submission start date	29.05.2026 from 17:00 Hours
23	Bid closing date	22.06.2026 at 17:00 Hours for uploading Technical Bid and Financial Bid.
24	Technical Bid Opening date	23.06.2026 at 17:00 Hours
25	Financial Bid Opening date	03.07.2026 at 17:00 Hours

# Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

## Definitions

“**Act or Electricity Act, 2003**” shall mean the Electricity Act, 2003 and include any modifications, amendments and substitution from time to time.

“**Affiliate**” shall mean a company that, directly or indirectly,

- i. controls, or
- ii. is controlled by, or
- iii. is under common control with, a company developing a Project or a Member in a Consortium developing the Project and control means ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such company or right to appoint majority Directors.

“**APDISCOMs**” or “**DISCOMs**” shall mean the public sector power distribution utilities namely Eastern Power Distribution Company of Andhra Pradesh Limited (APEPDCL), Southern Power Distribution Company of Andhra Pradesh Limited (APSPDCL), Andhra Pradesh Central Power Distribution Corporation Limited (APCPDCL), and Kuppam Rural Electric Co-Operative Society Limited (KRECS Ltd. / RESCO, Kuppam)

“**APERC**” shall mean Andhra Pradesh Electricity Regulatory Commission, a governing body incorporated under the Electricity Regulatory Commission Act, 1998 and existing under the Electricity Act, 2003.

“**Authorized Representative**” shall mean New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP), authorized as Nodal Agency/ Bid Coordinator.

“**Bid**” shall mean the Technical and Financial Bid submitted by the Bidder along with all documents/ credentials/ attachment/ annexure, etc., in accordance with the terms and conditions hereof.

“**Bid Due Date**” shall mean the last date and time for submission of Bid in response to this RfS as specified in Tender Particulars.

“**Bidder**” shall mean Bidding Company or a Bidding Consortium submitting the Bid. Any reference to the Bidder includes Bidding Company or Bidding Consortium, Member of a Bidding Consortium its successors, executors and permitted assigns and Lead Member of the Bidding Consortium jointly and severally, as the context may require.

“**BIS**” shall mean specifications of Bureau of Indian Standards (BIS).

“**Capacity Utilization Factor (CUF)**” shall have the same meaning as provided in CERC (Terms and Conditions for Tariff determination from Renewable Energy Sources) Regulations, 2024 as amended from time to time.

For illustration, CUF shall be calculated based on the annual energy injected and metered at the Delivery Point. In any Contract Year, if ‘X’ MWh of energy has been metered out at the Delivery Point for ‘Y’ MW Project capacity,  $CUF = (X \text{ MWh} / (Y \text{ MW} * 8766)) * 100\%$ .

It may be noted that in the above illustration, the capacity ‘Y’ MW shall refer to the Contracted Capacity in terms of the PPA.

“**CEA**” shall mean Central Electricity Authority.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

“**Certificates**” or “**completion certificates**” shall be the certificates pertaining to the completion of works envisaged in the RfS and certified by NREDCAP, as per clause 7.11.1 of the document.

“**Chartered Accountant**” shall mean a person practicing in India or a firm whereof all the partners practicing in India as a Chartered Accountant(s) within the meaning of the Chartered Accountants Act, 1949.

“**Commercial Bid or Price Bid**” shall mean the same as the Financial Bid.

“**Commercial Operation Date (COD)**” shall mean as defined in PPA.

“**Company**” shall mean a body incorporated in India under the Companies Act,1956 or Companies Act, 2013 including any amendment thereto.

“**Contract Year**” shall mean the period beginning from the Effective Date of the PPA and ending on the immediately succeeding 31<sup>st</sup> March and thereafter each period of 12 months beginning on 1<sup>st</sup> April and ending on 31<sup>st</sup> March provided that:

- i. in the financial year in which the Scheduled Commissioning Date would occur, the Contract Year shall end on the date immediately before the Scheduled Commissioning Date and a new Contract Year shall commence once again from the Scheduled Commissioning Date and end on the immediately succeeding 31<sup>st</sup> March, and thereafter each period of 12 (Twelve) Months commencing on 1<sup>st</sup> April and ending on 31<sup>st</sup> March, and
- ii. Provided further that the last Contract Year of this Agreement shall end on the last day of the Term of this Agreement.

“**Control**” shall mean the ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such Company or right to appoint majority Directors.

“**Day**” shall mean calendar day.

“**Earnest Money Deposit (EMD) /Bid Security**” shall mean the same as the EMD as per the provisions of this Bid document.

“**Effective Date**” shall mean the date of signing of the Power Purchase Agreement (PPA) executed by all the parties.

“**Eligibility Criteria**” shall mean the Eligibility Criteria as set forth in this RfS.

“**Empaneled Vendor**” shall mean a Qualified Bidder who has agreed to execute works pursuant to this RfS at the lowest rates discovered for each RTS Category under this RfS with empanelment period ending on 31<sup>st</sup> May 2028

“**Financial Year**” shall mean a year beginning on 1<sup>st</sup> April and ending on 31<sup>st</sup> March in the succeeding year.

“**Firm**” shall mean a body incorporated as a Proprietorship firm in India as per the prevailing laws or as a Partnership firm in India as per the Indian Partnerships Act,1932 (including any amendments thereto) or as a Limited Liability Partnership firm in India as per the Limited Liability Partnerships Act, 2008 (including any amendments thereto).

“**GoAP**” shall mean the Government of Andhra Pradesh.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

“**GoI**” shall mean the Government of India.

“**Government Department**” or “**Purchaser**” or “**Buying Entity**” or “**Consumer**” means any department, directorate, or office of the Government of Andhra Pradesh, as identified by NREDCAP for each project, which is authorized to sign the PPA with the SPD, either by itself or through its authorized agency.

“**Government Institutions**” shall mean institutions owned, operated, or administered by departments of the Government of Andhra Pradesh.

“**IEC**” shall mean specifications of International Electro-Technical Commission.

“**Insurance Surety Bond**” shall mean the irrevocable surety bond from Insurer as per the guidelines issued by the Insurance Regulatory and Development Authority of India (IRDAI).

“**Interconnection Point**” shall mean the point at which energy generated by the Rooftop Solar PV plant is supplied to respective APDISCOMs grid (at the Gross/Net/Smart metering point).

“**IS**” shall mean the Indian Standard Specifications of the Bureau of Indian Standards.

“**kWh**” shall mean Kilo Watt Hour.

“**kWp**” shall mean Kilo Watt Peak.

“**Lead Member**” shall have the equity shareholding of not less than 51% in the Bidding Consortium.

“**Letter of Award**” or “**LOA**” shall mean the letter of formal acceptance signed and issued by the NREDCAP intimating the award of work.

“**Line of Credit**” or “**LoC**” means a certificate or sanction letter issued by a Scheduled Commercial Bank, confirming that the bidder has access to a specified amount of funds, thereby demonstrating the bidder’s financial capacity and ability to execute the project.

“**Lot(s)**” means an aggregate Rooftop Solar Project capacity of about 5 MW, consisting of various plant capacities under applicable RTS Categories, to be implemented across multiple premises of Government Department(s) identified by NREDCAP at the time of Project award. However, the final Lot size shall be determined at the sole discretion of NREDCAP.

“**Member In a Bidding Consortium**” or “**Member**” shall mean each Company in a Bidding Consortium with equity share holding of not less than 10% in the Bidding Consortium. In case of a Technology Partner being a member of the Consortium, it has to be a Company.

“**MNRE**” shall mean the Ministry of New and Renewable Energy, Government of India.

“**Month**” shall mean calendar month.

“**Net Worth**” shall mean as per Companies Act 2013 and its amendment, if any.

“**NREDCAP**” shall mean New & Renewable Energy Development Corporation of Andhra Pradesh Limited.

“**Parent**” shall mean any company or legal entity which directly or indirectly holds more than fifty percent (50%) of the equity share capital or voting rights of the Bidder/Company or has the power to appoint a majority of the directors or otherwise exercise control over the management or policies of

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

the Bidder/Company.

**“Performance Security”** or **“PS”** shall mean the performance security amount to be remitted as Bank Guarantee/ Insurance Surety Bond by the Solar Power Developer as per clause 3.4 of this RfS.

**“Price Bid”** shall mean Financial Bid attached to this RfS.

**“PROJECT”** or **“ROOFTOP SOLAR PV PROJECT”** or **“SOLAR POWER PROJECT”** shall mean a Solar Photovoltaic Project set up on a single rooftop or collection of rooftops having a single or multiple Metering Point(s). The Project shall include all units/modules, auxiliaries and associated facilities, structures, equipment, plant and machinery, facilities and related assets required for the efficient and economic operation of the power generation facility, whether completed or at any stage of development and construction or intended to be developed and constructed for the purpose of supply of power.

**“Project Capacity”** shall mean the maximum AC capacity at the Delivery Point that can be scheduled on which the Power Purchase Agreement shall be signed.

**“Project Commissioning”**: The Project will be considered as commissioned if all equipment as per rated project capacity has been installed and energy has flown into grid, in line with the commissioning procedures defined in the PPA.

**“Qualified Bidder”** shall mean Bidder meeting Technical Eligibility Criteria as per this RfS and is qualified for Financial Bid Opening.

**“RESCO”** shall mean Renewable Energy Service Company.

**“RESCO MODEL”** shall mean a business model where the Project Developer/ Solar Power Developer sets up a Rooftop Solar PV Power Project on the rooftop of a building owned by the Government Department, by obtaining right to access the rooftop, and enters into the PPA for supply of Solar power for the term of the PPA. The Project Developer / Solar Power Developer is responsible for construction, commissioning, ownership and operation of the Project for the entire term of the PPA at its own risk and cost.

**“RfS / RFS”** shall mean Request for Selection (RfS) / Bid document / Tender document / Tender issued by NREDCAP including standard Power Purchase Agreement along with subsequent clarifications and amendments thereof.

**“Rooftop Solar Plant”** or **“RTS”** shall mean the Rooftop Solar Photovoltaic (PV) power plant or system along with all its key components installed on the terraces of the Government Department that utilize sunlight for direct conversion of solar energy into electricity (to be consumed by the Government Department or injected into the grid) through Photovoltaic technology.

**“RTS Category”** or **“RTS Categories”** means the defined ranges of Rooftop Solar Plant capacities as per clause 1.2 (a), for which the tariff per unit of solar energy supplied under the RESCO mode shall be quoted by participating Bidders in their Financial Bids.

**“SCD” / “Scheduled Commissioning Date”** shall mean the date fixed by NREDCAP for completion of the Project at the time of award to the Project Developer / Solar Power Developer. It may be extended in accordance with the common agreed terms between the parties involved.

**“Successful Bidder / Project Developer / Developer / Solar Power Developer (SPD)”** shall mean the Empaneled Vendor who has been awarded LoA under this RfS.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

---

**“Tender” or “tender” or “Tender documents” or “Bid document”** shall mean the same as RfS.

**“Tender Inviting Authority”** shall mean the same as Authorized Representative, i.e., **NREDCAP**.

**“Technical specifications”** shall mean the technical specifications and standards mentioned by MNRE/ CEA/ CERC/ APERC/ NREDCAP towards installation and operations of Rooftop Solar Plant.

**“Ultimate Parent”** means such company or legal entity which ultimately exercises control over the Bidder/Company, whether directly or indirectly, and which itself is not controlled by any other entity.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**CHAPTER-1**

**INTRODUCTION AND BACKGROUND**

**1.1. Introduction**

- a. Through this Tender, NREDCAP aims to empanel Solar Power Developer(s) / SPD (s) to develop solar rooftop capacity and supply power produced from it under RESCO Model across multiple Government Institutions in Andhra Pradesh.
- b. The empanelment period shall be till 31<sup>st</sup> May 2028. This may be further extended at the discretion of NREDCAP
- c. The selected Solar Power Developer (SPD) shall enter into a Power Purchase Agreement (PPA) to supply solar power for 25 years at tariff in INR per kWh determined in competitive bidding.
- d. The Purchaser shall, on a monthly basis, make payments to the SPD for the quantum of solar energy consumed at the competitively determined tariff. Any additional energy generated and injected into the grid, beyond the Purchaser's consumption, shall be compensated by the Purchaser at the Feed-in Tariff (FiT) as notified by the Andhra Pradesh Electricity Regulatory Commission (APERC) from time to time. The Purchaser shall provide payment guarantee to the SPD.
- e. The PPA shall be executed as a tripartite agreement between SPD, NREDCAP and the related Government Department.
- f. A tentative list of Government buildings proposed to be covered under this Tender is provided at Annexure C of this Request for Selection (RfS). The updated list of buildings/sites shall be communicated to the Empaneled Vendor(s) prior to the issuance of LoA(s).
- g. The Empaneled Vendor(s) shall comply with and adhere to all applicable guidelines, policies, regulations, and directives issued by MNRE, NREDCAP, APDISCOMs, and other relevant Central and State Government authorities. This shall include, but not be limited to, schemes such as the PM Surya Ghar: Muft Bijli Yojana, along with any amendments, updates, or revisions issued from time to time.
- h. The Bidder is advised to read carefully all instructions and conditions appearing in this document and understand them fully. All information and documents required as per the bid document must be furnished. Failure to provide the information and / or documents as required may render the bid technically unacceptable.
- i. The Bidder shall be deemed to have examined the bid document, to have obtained his own information in all matters whatsoever that might affect the carrying out the works in line with the scope of work specified elsewhere in the document at the offered rates and to have satisfied himself to the sufficiency of his bid. The Bidder shall be deemed to know the scope, nature and magnitude of the works and requirement of materials, equipment, tools and labour involved, wage structures and as to what all works he has to complete in accordance with the bid documents irrespective of any defects, omissions or errors that may be found in the bid documents.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**1.2. Bid Parameter**

- a. The **Tariff per unit in Indian Rupees (INR per kWh) including all taxes** for supply of solar energy from the Rooftop Solar Plants under the RESCO mode for a 25-year period must be quoted by Bidder for each of the following RTS Categories:

<b>Category</b>	<b>Rooftop Solar Plant Capacity at each site</b>	<b>Metering Type</b>
1	Up to 10 kW	Net Metering
2	Above 10 kW and up to 100 kW	Net Metering
3	Above 100 kW and up to 500 kW	Net Metering
4	Above 500 kW	Net Billing/ Gross Metering

- b. The Bidder shall quote a single tariff in INR per kWh for every RTS Category to supply solar power for a period of 25 years.
- c. For empanelment, bidders meeting the prescribed technical eligibility criteria must agree to match the lowest tariff discovered for each RTS Category irrespective of the original tariff quoted by them.
- d. **It is mandatory to Quote for all RTS Categories. Bids submitted with nil Quotes in one or more RTS Categories will be summarily rejected.**

**1.3. Bid Award Capacity**

- a. Empaneled Vendors shall be awarded capacities in Lots of about 5 MW each. However, the final Lot size shall be determined at the sole discretion of NREDCAP.
- b. Depending upon the Lot under consideration, an Empaneled Vendor shall be eligible for award of solar capacity if the Empaneled Vendor meets following financial criteria:
- i. the Net Worth of the Empaneled Vendor is at least  
**INR 60,00,000 x {Current Lot size under consideration (in MW) + previously awarded capacity under this tender (in MW)}**
- ii. Annual Turnover, in any one of the financial years: FY 2022-23, FY 2023-24, and FY 2024-25, or available Line of Credit during award of capacity is at least  
**INR 1,00,00,000 x { Current Lot size under consideration (in MW) + previously awarded capacity under this tender (in MW)}**
- c. The cumulative capacity that may be awarded to any empaneled vendor shall be approximately 40 MW. However, based on the satisfactory performance of vendor(s), this limit may be exceeded at the sole discretion of NREDCAP.
- d. Empaneled Vendors, satisfying the criteria as per clause 1.3.b, shall be considered for award of capacity strictly in the order of their ranking, starting from L1. The Empaneled Vendors ranked L1 shall be invited first to accept the award of capacity.
- e. In case the L1 ranked Empaneled Vendor does not accept or fails to accept the award of capacity, then NREDCAP shall invite the Empaneled Vendor ranked L2 to accept the capacity. This process shall continue sequentially with L3, L4, and so forth, until the entire capacity under the Lot is awarded or no further eligible bidders remain.
- f. The ranking of bidders as L1, L2, L3, etc., shall be as determined in accordance with clause 5.2 of this RfS.
- g. NREDCAP shall have the right to award capacity to an Empaneled Vendor as per the clause 5.4 of this RfS.

# Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

- h. The SPD will be required to visit the respective sites and assess the feasibility of space including installation capacity in consultation with respective Government Department. The entire responsibility of identifying and analyzing the suitability of the roofs for the project development will be of the SPD. NREDCAP shall not bear any responsibility in this regard.

## 1.4. Ceiling Limit for the Tariff

The Bidders shall not quote tariff more than INR 5.00 per kWh for any RTS Category. Bids with quoted tariffs higher than Rs. 5.00 per kWh for one or more RTS Categories shall be summarily rejected.

## 1.5. Connectivity with the Grid

- a. The Project should be designed for interconnection with the grid in accordance with prevailing APERC / APDISCOM regulations in this regard. For interconnection with the grid and metering, the SPD shall abide by applicable Grid Code, Grid Connectivity Standards, Regulations on Communication System for transmission of electricity and other regulations / procedures (as amended from time to time) issued by APERC and Central Electricity Authority (CEA), and any other regulations of the DISCOM where the Project is located. Minimum voltage level for interconnection with the grid shall be determined by the DISCOM.
- b. **The responsibility of getting connectivity and necessary approvals for grid connection and net metering / gross metering / net billing shall entirely be with the SPD and shall be at the risk and cost of the SPD.** The transmission of power up to and including at the point(s) of interconnection where metering is done for energy accounting, shall be the responsibility of the SPD at its own cost. The maintenance of transmission system up to and including at the Interconnection Point shall be responsibility of the SPD, to be undertaken entirely at its risk and cost.
- c. The SPD shall apply for net metering / net billing / gross metering (as applicable) approval with the DISCOM before SCD of the project, failing which, the PPA will be liable to be terminated by the Government Department, along with encashment of PBG for the respective Project.

## 1.6. Eligible Bidders

### 1.6.1. General Eligibility Criteria

- a. The Bidder shall be a Company / Limited Liability Partnership (LLP) Firm / Partnership Firm / Proprietorship Firm in any form submitting the Bid. Any reference to the Bidder includes its successors, executors and permitted assigns.
- b. The Bidder should be a body corporate incorporated in India under the Companies Act, 1956 or 2013 including any amendment thereto or a Partnership Firm having executed Partnership Deed and registered as per sections 58 & 59 of the Partnership Act, 1932, as amended or a Limited Liability Partnership Firm (LLP) registered under section 12 of Limited Liability Partnership Act, 2008, as amended or Proprietorship Firm. **A copy of certificate of incorporation, Partnership Deed or LLP/ Sole Proprietor registration, as applicable and relevant, shall be enclosed.**
- c. **Consortium**
  - i. The Bidder may be a Consortium of not more than **three (3) Companies** with one of them designated as the Lead Member.

# Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

- ii. The equity shareholding of the Lead Member in the Consortium shall not be less than 51%.
- iii. The equity shareholding of the non-Lead Member(s) in the Consortium shall not be less than 10%.
- iv. Any Consortium shortlisted and selected based on this RfS must necessarily form a **Project Company** for execution of works, with the identical equity shareholding pattern as that of Consortium, and get it registered under the Companies Act, 2013 prior to signing of PPA.
- v. The equity shareholding pattern of the Project Company shall remain unchanged for a period of one (1) year from the Commercial Operation Date (COD) of the Project, except as may be expressly permitted by NREDCAP.

## d. Execution through a Special Purpose Vehicle (SPV)

A Bidder, which is not a Consortium, and which has been selected as Successful Bidder based on this tender can also execute the Project through a Special Purpose Vehicle (SPV) i.e.

- i. Existing subsidiary Company of the Successful Bidder, or
- ii. A Project Company incorporated as a subsidiary Company of the Successful Bidder,

for setting up the Project, and in each case, having at least 51% equity shareholding in the SPV which has to be registered under the Indian Companies Act, 2013, before signing of PPA.

The aggregate equity share holding of the Successful Bidder in the issued and paid up equity share capital of the Project Company shall not be less than fifty one percent (51%) up to a period of one (1) year from the Commercial Operation Date (COD) of the Project.

In case the Bidder wishes to incorporate a Project Company, in such a case, Bidder if selected as a Successful Bidder can incorporate a Project Company. Bidder shall be responsible to get all clearance required/obtained in the name of the Bidding Company transferred in the name of the Project Company.

## 1.6.2. Financial Eligibility Criteria

The Bidder must demonstrate sufficient financial stability and capability to fulfill the Financial Eligibility Criteria outlined in this tender. To qualify, Bidder shall meet the minimum requirements for Annual Turnover / Line of Credit and Net Worth as specified below:

### i. Annual Turnover / Line of Credit:

The Bidder shall have an **Annual Turnover** of at least **INR 1,00,00,000 (Indian Rupees One Crore Only)** in any one of the financial Years: FY 2022-23, FY 2023-24 and FY 2024-25.

Or

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

The Bidder shall produce a **Line of Credit (LOC)** from a Scheduled Commercial Bank in India for a minimum amount of **INR 1,00,00,000 (Indian Rupees One Crore Only)**. **The following requirements may be fulfilled:**

- a. The Line of Credit shall be supported by a sanction letter or certificate issued by the bank, indicating the available credit limit.
- b. The Line of Credit certificate shall be issued not earlier than six (6) months prior to the bid submission end date and valid as on bid submission end date.
- c. Required to furnish a renewed or updated Line of Credit certificate at the time of issuance of LoA or during the empanelment period, if requested by NREDCAP.
- d. NREDCAP reserves the right to verify the authenticity and validity of the Line of Credit from the issuing bank.

**ii. Net Worth:**

The Net Worth of the Bidder as on 31<sup>st</sup> March 2025, shall not be less than **INR 60,00,000 (Indian Rupees Sixty Lakhs Only)**. Further, the Net Worth of the Bidder as on 31<sup>st</sup> March 2024 and 31<sup>st</sup> March 2023 should not be negative. Net Worth shall be calculated in accordance with the Companies Act, 2013 and any further amendments thereto.

**iii. Supporting Documents (Documentary evidence) against Financial Eligibility Criteria:**

- a. Audited Financial Statements indicating Annual Turnover and Net Worth for FY 2022-23, FY 2023-24 and FY 2024-25.
- b. A Certificate from a Chartered Accountant indicating the Annual Turnover and Net Worth along with their computation for FY 2022-23, FY 2023-24 and FY 2024-25 as per Format – 10.
- c. A Certificate of zero GST liability as on 31<sup>st</sup> March 2026 from Chartered Accountant.

**1.6.3. Technical Eligibility Criteria**

The Bidder should have installed and commissioned an aggregate capacity of at least 500 kWp Grid connected solar PV projects or Grid Connected Solar Pumps in the period 1<sup>st</sup> April 2023 to 31<sup>st</sup> March 2026.

Supporting Documents (Documentary evidence) against Technical Eligibility Criteria:

- a. For works executed under PM-Surya Ghar: Muft Bijli Yojana, screenshot from the portal [www.pmsuryaghar.gov.in](http://www.pmsuryaghar.gov.in) indicating vendor details and installed capacity.
- b. For works other than those under PM-Surya Ghar: Muft Bijli Yojana, the Bidder shall submit copies of the Work Completion / Commissioning certificates, along with Work Order / Contract / Agreement / issued by the Client / Owner for the projects mentioned in Format – 14.

1.6.4. If the Bidder is a Consortium, the technical and financial eligibility criteria as specified under Clause 1.6.2 and Clause 1.6.3 shall be met collectively by the Consortium as a whole, irrespective of the individual equity shareholding of the Consortium Members.

1.6.5. All the material and construction standards used in Grid connected Rooftop Solar systems and

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

allied equipment shall comply with the technical specifications and standards of MNRE, NREDCAP, and APDISCOMs being notified from time to time and as applicable.

- 1.6.6. The Quality Certification, Standards and Testing for Grid-connected Rooftop Solar Systems/Plants specified at Annexure-A must be met by SPDs for implementation of project.
- 1.6.7. Detailed technical parameters for Solar PV projects to be met by SPDs are at Annexure-B. Further, the provisions as contained in the O.M. dated 10.03.2021 issued by MNRE on the subject “Approved Models and Manufacturers of Solar Photovoltaic Modules (Requirement of Compulsory Registration) Order, 2019-Implementation-Reg.” and its subsequent amendments and clarifications issued until the bid submission deadline, shall be applicable for this RfS. **The solar PV modules and solar PV cells used in the Projects under this RfS shall be from the models and manufacturers included in ALMM List-I (for solar PV modules) and ALMM List-II (for solar PV cells) under the above Order, valid as on the date of invoicing of such modules.**
- 1.6.8. Bidder, including every Member of Consortium, should have a valid PAN.
- 1.6.9. The above stated requirements are compulsory to be fulfilled by the Bidder and NREDCAP may also ask for any additional information as may be deemed necessary in public interest.

## **1.7. Instructions to Bidders**

- a. Bidder must meet the eligibility criteria independently as a Bidding Company or as a Bidding Consortium with one of the members acting as the Lead Member of the Bidding Consortium.
- b. Bidder will be declared as a Qualified Bidder based on meeting the eligibility criteria and as demonstrated based on documentary evidence submitted by the Bidder in the Bid.
- c. In case the response to RfS is submitted by a Consortium, then the Financial Eligibility requirement as per clause 1.6.2 to be met by the Consortium shall be computed on aggregate basis, summing up the meeting of eligibility requirements as demonstrated by the individual Consortium members. All the members of the Consortium shall collectively meet 100% of Technical Experience criteria as per clause 1.6.3.
- d. In case Bidder submitting bid through consortium, a Consortium Agreement shall be furnished along with the bid.
- e. **Bidder including its member of the consortium can submit one bid only.**

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**CHAPTER-2**

**TENDER DOCUMENT**

**2.1 Content of Tender Document**

- 2.1.1 The tender procedure and contract terms are prescribed in the Tender document. In addition to the invitation of tender, the Tender document includes the various other documents as given in the table of particulars of tender.
- 2.1.2 The Bidder is expected to examine all instructions, terms and conditions, specifications, forms and formats, etc., as mentioned/ enclosed in the Tender document. Failure to furnish all information required in the Tender document or submission of a tender not substantially responsive to the Tender document in every respect will be at the Bidder's risk and is likely to result in out-right rejection of the tender.

**2.2 Clarification of tender document**

- 2.2.1 Any prospective Bidder requiring any clarification on the Tender document regarding various provisions/ requirements/ preparation/ submission of the tender, may contact NREDCAP in writing by E mail as specified during the Pre Bid meeting conducted by NREDCAP.

**2.3 Amendments in tender document**

- 2.3.1 At any time prior to the due date for submission of the tender or even prior to the opening of the Financial Bid, NREDCAP may for any reason, whether at its own initiative or as a result of a request for clarification/ suggestion by a prospective Bidder, amend the Tender document by issuing a notice.
- 2.3.2 The amendments will be notified as corrigendum on the e-Procurement website at least 3 days before the proposed date of submission of the tender. NREDCAP will bear no responsibility or liability arising out of non-receipt of the information in time or otherwise. If any amendment is required to be notified within 3 days of the proposed date of submission of the tender, the last date of submission shall be extended for a suitable period of time.
- 2.3.3 In case any amendment is notified after submission of the Bid prior to the opening of Techno-Commercial Bid, due date/ time shall be extended, and it will be for the Bidders to submit fresh Bids/supplementary Bids on date notified by the NREDCAP for the purpose.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**CHAPTER-3**

**PREPARATION OF TENDER**

**3.1 Language of tender and measure**

The Bid prepared by the Bidder along with all the related documents shall be in English. Unit measurements shall be metric in accordance with International System. All correspondence between the Bidder and NREDCAP shall also be in English.

**3.2 Earnest Money Deposit (EMD)**

3.2.1 The Bidder shall furnish Earnest Money Deposit (EMD) of **INR 5,00,000 (Indian Rupees Five Lakhs only)** as mentioned in the “Tender Particulars” in the shape of Bank Guarantee from any Scheduled Bank / Nationalized Bank in favour of “The Vice Chairman and Managing Director, NREDCAP, Tadepalli”, as a part of the tender. The bank guarantee should be valid till 31<sup>st</sup> May 2028.

3.2.2 Alternatively, the Bidder may also furnish Earnest Money Deposit (EMD) of INR 5,00,000 (Indian Rupees Five Lakhs only) as mentioned in the “Tender Particulars” in the form of an irrevocable Insurance Surety Bond from insurance companies authorized by IRDAI in favour of “The Vice Chairman and Managing Director, NREDCAP, Tadepalli”, as a part of the tender. The Insurance Surety Bond should be valid till 31<sup>st</sup> May 2028.

3.2.3 Tenders without EMD shall be rejected by NREDCAP as being non-responsive. No interest shall be paid by NREDCAP on the Earnest Money Deposit.

3.2.4 If required, the bidder must extend the validity of EMD, within seven days of communication by NREDCAP.

**3.2.5 EMD Exemption:**

**Firms claiming Exemptions for EMD shall submit UDYAM registration, containing NIC – 35105 and classification for the year 2026-27.** For a Consortium to be eligible for exemption from Earnest Money Deposit, all the members of the Consortium shall be registered as MSME.

3.2.6 The EMD may be forfeited: -

- a) If a Bidder withdraws his tender during the specified period of validity of offer.
- b) If the Successful Bidder fails to sign the PPA within stipulated period.
- c) If after issuance of LOA, it is found that the documents furnished by the Bidder as part of response to RfS are misleading or misrepresented in any way.
- d) If the Successful bidder fails to furnish required PS.

3.2.7 The EMD of the non-Qualified Bidders shall be released within 15 days after the opening of financial bid.

3.2.8 The EMD of Qualified Bidders who decline to convert into Empaneled Vendors shall be released within 15 days from the date of receipt of their communication conveying non-acceptance of such conversion.

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

3.2.9 The EMD of the Empaneled Vendors shall be released upon occurrence of the earliest of the following events:

- i. After submission of Performance Bank Guarantee (PBG) / Performance Security (PS) corresponding to the final Lot awarded, or upon the total awarded capacity reaching the Empaneled Vendor's eligible capacity limit, whichever occurs earlier.
- ii. Within 15 days after the end of empanelment period.

### **3.3 Bid Processing Fee**

The bidder shall pay an amount of INR 25,000/- (Indian Rupees Twenty-Five Thousand only) and applicable taxes as levied by the Govt. of India as Bid Processing fee online in AP e-Procurement portal in favour of NREDCAP. The Bid Processing fee is non-refundable.

### **3.4 Performance Security**

- 3.4.1 The SPD shall have to deposit the Performance Security of **INR 1,000 per kW** (Indian Rupees Thousand per kW) on / before signing of PPA.
- 3.4.2 The Performance Security shall be in the form of Performance Bank Guarantee issued by any Scheduled Bank/ Nationalized Bank in favour of "The Vice Chairman and Managing Director, NREDCAP, Tadepalli" valid for a period of 6 Months beyond SCD. No interest shall be paid by NREDCAP on the amount of the Performance Security.
- 3.4.3 The SPD can also submit Performance Security in the form of an irrevocable Insurance Surety Bond from Nationalized insurance companies in favour of "The Vice Chairman and Managing Director, NREDCAP, Tadepalli" valid for a total period of 6 Months beyond SCD. No interest shall be paid by NREDCAP on the amount of the Performance Security.
- 3.4.4 The performance security shall be returned to the Solar Power Developer (SPD) within 30 days after successful commissioning of their Project as per terms of PPA, after taking into account the liquidated damages incurred during this tenure.
- 3.4.5 The PBGs are required to be submitted in the name of the entity signing the PPA. In case of PPA being eventually signed with the SPV incorporated/utilized by the successful bidder, the PBG may be submitted in the name of the successful bidder within the above prescribed deadline, if the bidder chooses to do so, and the same shall be replaced by the PBG issued in the name of the SPV, prior to signing of PPA, subject to submission of Board Resolution from the Successful Bidder to transfer the project to its SPV and Board Resolution from the SPV accepting the said Project from the Successful Bidder.

### **3.5 Period of validity of tender**

- 3.5.1 Validity of the offer should be 6 months from the proposed date of opening of the Technical Bid. Tenders without this validity will be rejected.
- 3.5.2 In exceptional circumstances, NREDCAP may solicit the consent of the Bidder to an extension of the period of validity of offer. The request and the response there of shall be made in writing.

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

## **3.6 Formats and signing of tender**

- 3.6.1 The Bid must contain the name and places of business of the firm/person/persons participating in the tender and must be signed and sealed by the Bidder with his/her usual signature. **The name and designation of all persons signing the Tender document should be written below every signature.** Tender by a Partnership Firm must be furnished with full name of all partners with a copy of Partnership Deed.
- 3.6.2 The original copy of the tender should be typed or written in indelible ink and must be signed with the legal name of the corporation/ company by the President/ Managing Director/ Secretary of the firm or a person duly authorized to Bid. In case of authorized person, the letter of authorization by written power of attorney should be enclosed with the Technical Bid of the tender. The person or persons signing the tender shall initial all pages of the Tender document.
- 3.6.3 The tender shall contain no interlink actions, erasers or overwriting except as necessary to correct the errors made by the Bidder in the preparation of tender. The person or persons signing the tender shall also sign at all such corrections.

## **3.7 Price and Currencies**

The Bidder shall have to submit the Tariff per unit Supply of Solar Power (in INR per kWh) up to two places of decimal only for the entire supply period of 25 years. If it is quoted with more than two digits after decimal, digits after first two decimal places shall be ignored. The rate shall include INR 0.10 per kWh + 18% GST as per clause 7.9 to be paid by the developer to NREDCAP during the entire 25 years power supply period. These rates shall include all latest applicable taxes & duties of Government of Andhra Pradesh as well as Government of India. Moreover, NREDCAP will not be responsible for providing road permits or any other permits/permissions/approvals required by the Bidder. These are to be obtained by the SPD only and necessary Entry Tax (as admissible) will have to be borne by the SPD, if any. The rates shall be quoted as per the prescribed format for Financial Bid attached to this Tender document.

## **3.8 Liquidated Damages**

- 3.8.1 The Scheduled Commissioning Date (SCD) of the full Project Capacity shall be decided by NREDCAP while awarding capacity. The maximum period allowed for project completion shall not be more than 90 days beyond SCD.
- 3.8.2 In case of delay in commissioning the Project beyond the SCD, as part of the liquidated damage, the total PS amount for the Project shall be encashed on per-day-basis and proportionate to the balance capacity not commissioned. For example, in case of a Project of 5.2 MW capacity, if commissioning of 0.1 MW capacity is delayed by 18 days beyond the SCD, then the liquidated damages shall be: PS amount \* (0.1/5.2) \* (18/90).
- 3.8.3 In case the Project of full capacity is not commissioned within 90 days beyond SCD, then the entire PS value shall be encashed and the Agreement shall be terminated.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**CHAPTER-4**

**SUBMISSION OF TENDER**

- 4.1. The Bidder shall submit EMD in the form of Bank Guarantee/ Insurance Surety Bond, in original, on or before the Bid Deadline, to the address mentioned below:

**The Vice Chairman and Managing Director,  
New and Renewable Energy Development Corporation of Andhra Pradesh  
Limited (NREDCAP)  
12-464/5/1, River Oaks Apartments,  
CSR Kalyana mandapam road,  
Tadepalli, Andhra Pradesh**

- 4.2. The Bidder shall submit his response through Bid submission to the Bid document on e-Procurement Platform at <https://tender.apecurement.gov.in> by following the procedure given below.
- 4.3. The Bidder would be required to register on the e-procurement Platform on <https://tender.apecurement.gov.in> and submit their Bids online. Offline bids shall not be entertained by the Authorized Representative for this Bid document.
- 4.4. The Bidder shall upload Prequalification Bid, Technical Bid and the Financial Bid on the website. The information pertaining to Technical Bid and the Financial Bid shall be scanned and uploaded by the Bidder as per the formats specified.
- 4.5. The Bidders shall upload the scanned copies of all the relevant certificates, documents, etc., in support of their qualification requirement and other certificate/documents in the <https://tender.apecurement.gov.in> website. Each format has to be duly signed and stamped by the authorized signatory of the Bidder. The scanned copy of such signed and stamped format shall be uploaded by the Bidder on the website specified.
- 4.6. Strict adherence to the formats, wherever specified, is required. Wherever, information has been sought in specified formats, the Bidder shall refrain from referring to brochures/pamphlets. Non-adherence to formats and/or submission of incomplete information may be a ground for declaring the Bid as non-responsive. Each format has to be duly signed and stamped by the authorized signatory of the Bidder. The scanned copy of such signed and stamped format shall be uploaded by the Bidder on the website specified.
- 4.7. The Bidder shall furnish documentary evidence in support of meeting qualification requirements set forth in the Bid document to the satisfaction of the Authorized Representative.

**4.8. Important notes and instructions to Bidders**

Wherever information has been sought in specified formats, the Bidders shall fill in the details as per the prescribed formats and shall refrain from any deviations and referring to any other document for providing any information required in the prescribed format.

The Bidders shall be evaluated based on the declarations and/or information and/or documents provided by them in relevant schedules of Bid document. The information and/or documents submitted along with the Bid may be verified before signing of Agreement.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

- 4.9. If the Bidder conceals any material information or makes a wrong statement or misrepresents facts or makes a misleading statement in its Bid, in any manner whatsoever, Authorized Representative reserves the right to reject such Bid and/or cancel the Letter of Award or PPA, if issued and the EMD provided up to that stage shall be encashed. Bidder shall be solely responsible for disqualification based on their declaration in Bid.
- 4.10. Bids submitted by the Bidder shall become the property of the Authorized Representative (NREDCAP) and the Authorized Representative shall have no obligation to return the same to the Bidder. However, the EMDs submitted by unsuccessful Bidders shall be returned as specified.
- 4.11. All pages of the Bid submitted must be initialed by the person authorized by the board, on behalf of the Bidder.
- 4.12. No change or supplemental information to the Bid will be accepted after the Bid Deadline. The Authorized Representative may, at its sole discretion, ask for additional information/document and/or seek clarifications from a Bidder after the Bid Deadline, inter alia, for the purposes of removal of inconsistencies or infirmities in its Bid. However, no change in the substance of the Quoted rates shall be sought or permitted by the Authorized Representative. Delay in submission of additional information and/or documents sought by the Authorized Representative shall make the Bid liable for rejection.
- 4.13. All the information should be submitted in English language only.
- 4.14. Bidders shall mention the name of the contact person and complete address of the Bidder in the covering letter.
- 4.15. Bids that are incomplete, which do not substantially meet the requirements prescribed in this Bid document, will be liable for rejection by Authorized Representative. Bids not submitted in the specified formats will be liable for rejection by Authorized Representative. Non submission and/or submission of incomplete data/ information required under the provisions of Bid document shall not be construed as waiver on the part of Authorized Representative of the obligation of the Bidder to furnish the said data/information unless the waiver is in writing.
- 4.16. The Qualified Bidder will be required to continue to maintain compliance with the qualification requirements specified in this Bid document throughout the Bidding Process and till the execution of the Agreement.
- 4.17. This Bid document includes statements, which reflect the various assumptions arrived at by the Authorized Representative in order to give a reflection of the current status in the Bid document. These assumptions may not be entirely relied upon by the Bidders in making their own assessments. This Bid document does not purport to contain all the information each Bidder may require and may not be appropriate for all persons. Each Bidder should conduct its own investigations and analysis and should check the accuracy, reliability and completeness of the information in this Bid document and obtain independent advice from appropriate sources.
- 4.18. Only Vijayawada Courts shall have exclusive jurisdiction in all matters pertaining to this Bid document and decision of NREDCAP is final and binding in case of disputes if any.
- 4.19. NREDCAP may accept or reject any or all Bids without assigning any reason.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**CHAPTER-5**

**TENDER OPENING, EMPANELMENT and AWARD OF CAPACITY**

**5.1 Bid evaluation methodology and selection**

Bids submitted by the Bidders shall be evaluated using the methodology given below:

**a. 1<sup>st</sup> Step – Prequalification (PQ)**

The Bidder shall submit the scanned copies of EMD in a separate folder in e-Procurement platform. The Original of the same shall be submitted to the Authorized Representative before the Bid Deadline. Firms claiming exemptions for EMD shall submit valid UDYAM registration, containing NIC – 35105 and classification year 2026-27.

The Bidder shall submit original documents pertaining to EMD as specified. Bids not accompanied by EMD as per the terms of the Tender document shall be summarily rejected and no further evaluation will be carried out in respect of such Bids/Bidders.

**b. 2<sup>nd</sup> Step- Technical evaluation**

Bids received after the Bid Deadline and Bids submitted without the EMD will be summarily rejected. Subject to above, all the formats, documents and/or information submitted by the Bidder as part of the Technical Bid, except Financial Bid will be opened and evaluated at this stage.

The Bid submitted by the Bidder shall be scrutinized to establish technical eligibility as per qualification requirements of the tender.

Any of the following conditions shall cause the Bid to be “Non-responsive”:

- i. Non submission of EMD in acceptable form/amount along with the response to tender.
- ii. Non furnishing of copies of documents as specified in clause No. 1.6.1 for General eligibility.
- iii. Non furnishing of copies of documents as specified in clause No. 1.6.2 for Financial and Technical eligibility.
- iv. Bids that are incomplete, i.e., not accompanied by any of the applicable formats, EMD, etc.
- v. Bid not signed by authorized signatory and/or stamped in the manner indicated in this RfS.
- vi. Material inconsistencies in the information/ documents submitted by the Bidder, affecting the Eligibility Criteria.
- vii. Information not submitted in the formats specified in this RfS.
- viii. Bid being conditional in nature.
- ix. Bid having Conflict of Interest.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

- x. More than one bidders using credentials of same Parent / Affiliate company.
- xi. More than one Member of a Bidding Company using the credentials of the same Parent / Affiliate Company.
- xii. Bidder delaying in submission of additional information or clarifications sought by NREDCAP, as applicable.
- xiii. Bidder makes any misrepresentation.
- xiv. Any indication of the Tariff in any part of Bid, other than in the Financial Bid.
- xv. Bidder not quoting for one or more RTS Categories as defined in clause 1.2.
- xvi. In case it is found that the Bidding Company including Ultimate Parent Company/ Parent Company/Affiliate/Group Companies have submitted more than one response to this RfS, then all these bids submitted shall be treated as non-responsive and rejected.

Subject to above, Authorized Representative will examine all the documents submitted by the Bidders and ascertain meeting of eligibility conditions prescribed in the tender. During the examination and evaluation of Bids, Authorized Representative may seek clarifications/ additional documents/ Rectification of errors/ Discrepancies, if any, in the documents submitted, etc., from the Bidders if required to satisfy themselves for meeting the eligibility conditions by the Bidders. Bidders shall be required to respond to any clarifications/additional documents sought by Authorized Representative within the timeline intimated by the Authorized Representative.

It shall be the responsibility of the Bidder to ensure that all the documents have been successfully uploaded on the e-procurement platform. No reminders in this case shall be sent. It will be the sole responsibility of the Bidders to remove all the discrepancies/infirmities and upload/furnish additional documents as requested by Authorized Representative, to the satisfaction of Authorized Representative. Authorized Representative shall not be responsible for rejection of any Bid on account of the above.

Bids meeting the Technical Eligibility Criteria and the qualification requirements specified in this tender shall be technically responsive and the corresponding Bidder shall be the Qualified Bidder.

**c. 3<sup>rd</sup> Step – Financial Bid Opening**

- (i) Financial Bids of the Qualified Bidders in 2<sup>nd</sup> step mentioned at 5.1.b shall be opened on the e-Procurement platform.
- (ii) **Tariff per unit for Supply of Solar Power (INR per kWh)** for entire 25 year period for the RTS Categories quoted by the bidders shall be recorded and lowest tariff for each category shall be identified.
- (iii) Financial bids containing tariffs quoted beyond the Ceiling Tariff for one or more RTS Categories will be summarily rejected.

**d. 4<sup>th</sup> Step – Empanelment**

Bidders, who qualified in the 2<sup>nd</sup> Step and 3<sup>rd</sup> Step, agreeing to match the lowest price

# Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

discovered for each RTS Category in 3<sup>rd</sup> Step shall be Empaneled with NREDCAP to perform the works prescribed in the Tender.

## 5.2 Capacity Award Mechanism

- i. Capacities shall be awarded in Lot(s), from time to time, upon receipt of requirement from Government Departments.
- ii. The capacity shall be awarded in multiple Lots. Every Lot shall be of about 5 MW which shall be further classified as per RTS Categories. However, the final Lot size shall be determined at the sole discretion of NREDCAP.
- iii. For the purpose of award of a Lot, the Empaneled Vendors, satisfying the criteria as per clause 1.3.b, shall be ranked in ascending order of the **Weighted Average Tariff (WAT)** applicable to that particular Lot, calculated as follows:

$$\text{WAT (for a Lot)} = (C1 \times T1 + C2 \times T2 + C3 \times T3 + C4 \times T4) / (C1 + C2 + C3 + C4)$$

Where:

C1, C2, C3, C4 represent the capacities (in MW) belonging to RTS Category-1, RTS Category-2, RTS Category-3, and RTS Category-4 respectively for that particular Lot.

T1, T2, T3, T4 represent the **original tariffs quoted** in the financial bid by the Empaneled Vendors in accordance with Clause 5.1(c) for RTS Category-1, RTS Category-2, RTS Category-3, and RTS Category-4 respectively

For avoidance of doubt, the Quoted Tariff for each RTS Category shall be considered solely for the purpose of ranking to award the identified capacity to the Empaneled Vendors. However, the Successful Bidders shall execute the PPA at the Lowest Tariff identified for the relevant RTS Category pursuant to 3<sup>rd</sup> step of Clause 5.1

- iv. The Empaneled Vendor with the lowest Weighted Average Tariff (WAT) for a Lot shall be designated / ranked as the L1 for that particular Lot. The Empaneled Vendor with the second lowest WAT for that particular Lot shall be designated / ranked as L2, and so on. In case if more than one Empaneled Vendors have the same WAT, the one with higher Net Worth shall be given preference among them.
- v. The L1 ranked Empaneled Vendor shall be invited first for the award of capacity corresponding to the applicable Lot.
- vi. In the event that the L1 ranked Empaneled Vendor fails or refuses to accept the awarded capacity, L2 ranked Empaneled Vendor shall be invited for award of the capacity. This process shall continue sequentially with L3, L4, and so on, until the Lot is awarded or no further Empaneled Vendors are available.

## 5.3 Negotiations

Before awarding capacities, NREDCAP may invite and negotiate prices with the L1 ranked

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

---

Empaneled Vendor. In the event that the L1 ranked Empaneled Vendor fails or refuses to participate in the negotiation process, or if the negotiations do not result in mutually agreeable terms, NREDCAP shall have the right to invite, negotiate with, and award the capacity to the next higher-ranked Empaneled Vendors (L2, L3, and so on), in the order of ranking.

**5.4 Additional Rights to NREDCAP**

- a. NREDCAP reserves the right to allot the capacity identified for a particular department to the same Empaneled Vendor who has already been awarded capacity in that department, subject to the maximum capacity limits and other terms and conditions specified in this Tender.
- b. If any additional capacity is identified or discovered within an awarded Lot during project execution, NREDCAP shall reserve the right to award such additional capacity to the same bidder who is executing the work for the said Lot, on the same terms and conditions, or as may be decided by NREDCAP.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

CHAPTER-6

**FINALISATION OF TENDERS**

- 6.1 Tenders will be finalized by the NREDCAP, for the works along with Technical Bid evaluation for consideration and in accordance with the conditions stipulated in the Tender document and in case of any discrepancy or non-adherence to the conditions, the same shall be communicated which will be binding both on the tender concluding authority and Bidder. In case of any ambiguity, the decision taken by the NREDCAP on tenders shall be final.
- 6.2 The tenders, if received with abnormally high percentage or within the permissible ceiling limits prescribed, if any, but under collusion due to unethical practices adopted during the tendering process, shall be rejected.
- 6.3 **RTS Category wise - lowest quoted tariffs as per 5.1.c.ii of this RfS shall be communicated to the Qualified Bidders and the Qualified Bidders are required to provide their acceptance to match their prices with the lowest quoted tariffs within one week from the date of intimation so as to enable their empanelment.**
- 6.4 The LoA for award of capacity for a Lot shall be issued to the Successful Bidder. In case of a Consortium being selected as the Successful Bidder, the LoA shall be issued to the Lead Member of the Consortium. Each Successful Bidder shall send acknowledgement and acceptance of the LoA to NREDCAP within 7 days of issue of LoA.
- 6.5 The Successful Bidder has to sign a Power Purchase Agreement (PPA) within a period of 15 days from the date of communication of acceptance of LoA. On failure to do so, empanelment will be cancelled, duly forfeiting the EMD paid by him without issuing any further notice.
- 6.6 The successful bidder shall produce a valid GST registration certificate with principal place of business in the State of Andhra Pradesh prior to execution/signing of the Power Purchase Agreement (PPA).

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

CHAPTER-7

**TERMS OF CONTRACT**

**7.1 Evaluation Criterion**

The whole work shall be done under RESCO (Renewable Energy Service Company) model. Under this RfS, the bidding parameter shall be the Tariff per unit supply of solar power quoted by the Bidder in Indian Rupees per kWh (INR per kWh) for respective RTS Categories. This price is inclusive of INR 0.10 per kWh + 18% GST as per clause 7.9 to be paid to NREDCAP by SPD as Service Charge.

The quoted tariff (and final agreed tariff for award of project) shall include all costs related to the scope of Work as per the RfS and obligations of the Solar Power Developer. The Bidder shall quote for the entire facilities on a “single responsibility” basis such that the quoted rate covers all the obligations in respect of Obtaining No Objection Certificate (NOC) from Distribution Company (APDISCOM) for grid connectivity, complete design, engineering, manufacture, supply, storage, civil work, erection, testing & commissioning of the grid connected rooftop solar PV project including operation and maintenance (O&M) of the project and supply of solar power generated from the project for a period of Twenty-Five years after commissioning. The quoted rate should account for the cost of grid-connectivity, etc.

**7.2 Notification of Selection**

Prior to the expiry of validity period of tender, NREDCAP will notify the Qualified Bidders by registered Letter/Email that they have been selected for empanelment, subject to terms and conditions as per this RfS.

**7.3 Right to accept/reject any or all tenders**

NREDCAP reserves the right to reject any or all the tenders, accept any tender in total or in part.

**7.4 Expenses of Agreement**

The respective Bidders shall pay all the expenses of stamp duties and other requirements for signing the Agreement with NREDCAP.

**7.5 Execution of Power Purchase Agreement (PPA)**

- a) A Power Purchase Agreement (PPA) shall be signed between the Government Department, SPD and NREDCAP. This shall be a Tripartite agreement in nature. The denial of the SPD to undertake the whole work shall be treated as breach of contract and NREDCAP may forfeit Performance Security amount submitted by that SPD.
- b) The SPD shall execute a PPA in the INR 100 non-judicial stamp paper of Andhra Pradesh Jurisdiction only in the name of the SPD, within 15 days from the date of Letter of Award about qualification by NREDCAP. Subsequent extension in this timeline shall be finalized as mutually agreed by the Government Department and the SPD.
- c) The SPD shall not assign or make over the selection, the benefit or burden thereof to any other person or persons or body corporate for the execution of the contract or any part

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

thereof without the prior written consent of NREDCAP or Government Department. NREDCAP reserves its right to cancel the selection either in part or full if this condition is violated.

- d) In case of the SPD fails to execute necessary agreements as prescribed, within the stipulated period, then his EMD shall be forfeited and his tender held as non-responsive.
- e) SPD has to make the complete and careful examinations of feasibility of Grid connected Roof Top plant/capacity estimation as per the load study of buildings and respective regulation of net metering / net billing / gross metering (as applicable) before signing of PPA with client.
- f) Before signing of PPA, NREDCAP will verify the shareholding of the Project Company along with a copy of complete documentary evidence. NREDCAP will issue necessary go-ahead for signing of PPA, upon verification of compliance of pre-requisites by the SPD as brought out above. The Performance Security will be required to be submitted to NREDCAP for verification.
- g) NREDCAP shall facilitate the PPA signing process and will bear no responsibility whatsoever on account of non-availability of indicated buildings and/or non-execution of PPA for any particular building.

## **7.6 Capacity identification and confirmation**

Subsequent to issuance of LoAs by NREDCAP, only the SPD will be allowed to carry out site visits and due diligence of the buildings offered by the Government Department and assess the Project sizing and estimated capacity installation. Within this period, the individual Project size to be set up on each building and the cumulative Project capacity for which PPAs are to be signed, will be finalized by NREDCAP/the Government Department, as applicable, and the SPD.

## **7.7 Installation & Completion Schedule**

The entire work involving Supply, Installation and Commissioning of the specified Grid connected Rooftop Solar Capacity shall be completed within the period as determined by NREDCAP during the award of Capacity.

## **7.8 Scope of Work**

### **I. Solar Power Developer (SPD)**

- a. Site Survey, Measurement of solar insolation and other relevant parameters required for design of each system.
- b. Obtaining No Objection Certificate (NOC) and all necessary approvals from DISCOM for grid connectivity and net metering / net billing / gross metering. All charges related to net metering shall be borne by the Solar Developer.
- c. Complete design, engineering, manufacture, supply, storage, civil work, erection, testing & commissioning of the grid connected rooftop solar PV project.
- d. Provision of metering at the delivery point for measurement of Solar Power units supplied to the premises of Government Department.
- e. Provide, install, and integrate Remote Monitoring Systems (RMS) for the Rooftop Solar

# Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

(RTS) plants with the Centralized IoT-based SCADA Platform, in strict compliance with the guidelines and specifications issued by the Ministry of New and Renewable Energy (MNRE) under F.No. 318/87/2024-GCRT-Part(1) dated 21<sup>st</sup> July 2025 and F.No. 318/87/2024-GCRT-Part(1) dated 24<sup>th</sup> December 2025 including any subsequent amendments issued from time to time.

The RMS shall ensure real-time data acquisition, monitoring, and seamless communication with the designated centralized platform as per MNRE requirements. All necessary hardware, software, communication interfaces, and integration support shall be included within the scope of work of the bidder.

- f. Supply of solar power generated from the project for a period of Twenty-Five years after commissioning.
- g. The O&M of the Project may include wear, tear, overhauling, machine breakdown, insurance, and replacement of defective modules, invertors/ Power Conditioning Unit (PCU), spares, consumables & other parts for the PPA term.

## II. Government Department

The Government Department shall be responsible for any required load enhancement.

### 7.9 Service Charges to NREDCAP

- a. The successful bidder shall pay NREDCAP a service charge for supervision and coordination, calculated at INR 0.10 (Ten Paise) per unit of solar energy sold to the Government Department, plus 18% GST applicable on this amount.
- b. No service charge shall be levied on units of solar energy paid at Feed in Tariff rate by the consumer to the SPD.
- c. NREDCAP service charges are charged towards site visits, inspection; liaison, monitoring etc. The NREDCAP service charges are non-refundable and must be paid on monthly basis based on the metered power units.

### 7.10 Energy Supply by the Solar Power Developer

#### a. Criteria for Energy Supply

- i. **The SPD shall ensure an annual CUF of not less than 15%.** However, it can be relaxed to the extent of Force Majeure events and non-availability of grid during solar generation hours, for evacuation which is beyond the control of the SPD.
- ii. The annual CUF will be calculated every year from 1<sup>st</sup> April of the year to 31<sup>st</sup> March of the next year.
- iii. Relaxation due to the non- availability of grid beyond the control of SPD needs to be certified by the respective Government Department. Further, duly signed hindrance register shall be maintained during the time of execution and O&M.

#### b. Penalty for Shortfall in Energy Supply

- i. Subsequent to the commissioning of the Project, if in any Contract Year, except the first Contract Year after commissioning, if the Solar Power Developer (SPD) fails to supply the minimum energy corresponding to an annual Capacity Utilization Factor (CUF) of 15%,

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

the SPD shall be liable to pay a penalty.

- ii. The penalty shall be levied at 50% of the applicable PPA tariff, and shall be calculated on the quantum of shortfall in energy supply, in accordance with the terms and conditions of the Power Purchase Agreement (PPA).

## **c. Minimum Guaranteed Payment**

The Purchaser / Government Department, irrespective of its actual power consumption, shall guarantee payment for the annual energy generation of the Project corresponding to achieved Capacity Utilization Factor (CUF) of up to fifteen percent (15%), at the tariff as specified in the Power Purchase Agreement (PPA).

## **7.11 Commissioning of Project**

### **7.11.1 Completion/commissioning certificate**

When the SPD fulfils its obligation under the PPA, it shall be eligible to apply for completion/commissioning certificate. NREDCAP shall normally issue to the SPD the completion certificate within one month after receiving any application therefore from the SPD, subject to verification of the documents as per the PPA. For the issuance of commissioning/completion certificate, the following documents will be deemed to form the completion documents:

- a. At least 15 days' prior intimation to NREDCAP and the Government Department for witnessing the Project's inspection/performance.
- b. Project Completion Report (PCR)
- c. Photographs of the Project.

### **7.11.2 Early Commissioning**

The SPD shall be permitted to commission the project even prior to SCD. Early commissioning of the Project will be allowed solely at the risk and cost of the SPD, however, procurement of such energy from such early commissioned Project will be based on mutual agreement between all the parties i.e., SPD and Government Department. In case the Government Department agrees to purchase energy from such early commissioned project prior to SCD, such energy will be purchased by Government Department at PPA tariff.

Such intimation regarding consent to procure energy from early commissioned project shall be provided by Government Department within 30 days of intimation by the SPD (regarding completion of project and ready for supply), beyond which it would be considered as deemed refusal.

## **7.12 Operation & Maintenance (O&M) by the SPD**

- a. The SPD shall be responsible for all the required activities for successful O&M of the Rooftop Solar PV systems during the entire PPA term from the date of commissioning of the Project.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

- b. O&M of the Project shall be compliant with grid requirements to achieve committed energy generation/CUF.
- c. Deputation of qualified and experienced engineers / technicians till the O&M period at project site.
- d. Periodic cleaning of solar modules. The modules shall be cleaned with a periodic interval of 15 days or as and when required as per actual site conditions. It's the responsibility of the SPD to get the modules cleaned during O&M Period.
- e. A "hindrance register" shall be maintained to record any issues affecting Project O&M. The same shall be duly signed by both parties of the PPA, recording
- f. Periodic checks of the Modules, PCUs and BoS shall be carried out as a part of routine, preventive and breakdown maintenance.
- g. Replacement of defective Modules, Invertors / PCUs and other equipment, as and when required, will be carried out within 15 working days from the date of reporting of defect which can be extended based on the site accessibility, etc. as mutually agreed by the parties.
- h. Supply of all spares, consumables and fixtures as required. Such stock shall be maintained for all associated equipment and materials as per manufacturer's / supplier's recommendations.
- i. All the testing instruments required for Testing, Commissioning and O&M for the healthy operation of the Plant shall be maintained by the SPD. The testing equipment must be calibrated once in a year from NABL accredited labs and the certificate of calibration must be kept for reference as required.
- j. If negligence/ mal-operation on part of the SPD's operator results in failure of equipment, such equipment should be repaired/ replaced by the SPD free of cost.
- k. Co-ordination with Owner/ DISCOM / CEIG as per the requirement for Joint Meter Reading (JMR) Report. The person-in-charge present at site from the SPD's side shall take a joint meter reading in the presence of rooftop owner on a monthly basis.
- l. Online Performance Monitoring, controlling, troubleshooting, maintaining logs & records. A maintenance record register is to be maintained by the operator with effect from Commissioning to record the daily generation, regular maintenance work carried out as well as any preventive and breakdown maintenance along with the date of maintenance, reasons for the breakdown, duration of the breakdown, steps taken to attend the breakdown, etc.
- m. For any issues related to operation & maintenance, a toll-free number shall be made available to the rooftop owner to resolve the same within 72 hours.
- n. If any jobs covered in O&M Scope as per RfS are not carried out by the SPD during the O&M period, the Government Department shall take appropriate action as deemed fit. NREDCAP reserves the right to make surprise checks / inspection visits at its own or through authorized representative to verify the O&M activities being carried out by the SPD. Failure to adhere to above guidelines may result in penal action including debarring from participation in next tender.
- o. It is up to SPD and Client to mutually decide on the source and amount of water to be

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

supplied for module cleaning during O&M period.

## **7.13 Insurance**

The Bidder shall be responsible and take an Insurance Policy for transit-cum- storage- cum-erection for all the materials to cover all risks and liabilities for supply of materials on site basis, storage of materials at site, erection, testing and commissioning. The bidder shall also take appropriate insurance during O&M period.

## **7.14 Warrantees and Guarantees**

The Bidder shall warrant that the goods supplied under this contract are new, unused, of the most recent or latest technology and incorporate all recent improvements in design and materials. The bidder shall provide system warrantee covering the rectification of any and all defects in the design of equipment, materials and workmanship including spare parts. The responsibility of operation of Warrantee and Guarantee clauses and Claims/ Settlement of issues arising out of said clauses shall be joint responsibility of the SPD and the Government Department. NREDCAP shall not be responsible in any way for any claims whatsoever on account of the above.

## **7.12 Type and Quality of Materials and Workmanship**

The Design, engineering, manufacture, supply, installation, testing and performance of the equipment shall be in accordance with latest appropriate IEC / Indian Standards and Codes and codes as approved by the MNRE and standards notified by MNRE / NREDCAP / APDISCOMs from time to time shall be used.

Any supplies which have not been specifically mentioned in this RfS, but which are necessary for the design, engineering, manufacture, supply & performance or completeness of the project shall be provided by the Bidder without any extra cost and within the time schedule for efficient and smooth operation and maintenance of the SPV plant.

## **7.13 Metering and Grid Connectivity**

Metering and grid connectivity of the roof top solar PV system shall be the responsibility of the bidder in accordance with the prevailing guidelines of the concerned DISCOM / CEA (if available by the time of implementation).

## **7.14 Progress Report**

The SPD shall submit the progress report monthly to NREDCAP as in prescribed form from time to time.

NREDCAP has the right to depute his/their representatives to ascertain the progress of contract at the premises of works of the bidder.

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

## **7.15 Project Inspection**

The project progress will be monitored by NREDCAP and APDISCOMs, and the projects will be inspected for quality at any time during commissioning or after the completion of the project either by officer(s) from NREDCAP / APDISCOMs or any authorized agency / experts.

NREDCAP / APDISCOMs may also depute technical person(s) from its list of empaneled experts for inspection, third party verification, monitoring of system installed to oversee, the implementation as per required standards and also to visit the manufacturing facilities to check the quality of products as well as to visit the system integrators to assess their technical capabilities as and when required.

## **7.17 Applicable Law**

- a. The Contract shall be interpreted in accordance with the laws in the jurisdiction of state of Andhra Pradesh.
- b. Settlement Of Dispute
  - i. If any dispute of any kind whatsoever arises between New & Renewable Energy Development Corporation of Andhra Pradesh Ltd and Successful bidder in connection with or arising out of the contract including without prejudice to the generality of the foregoing, any question regarding the existence, validity or termination, the parties shall seek to resolve any such dispute or difference by mutual consent.
  - ii. If the parties fail to resolve, such a dispute or difference by mutual consent, within 45 days of its arising, then the dispute shall be referred by either party by giving notice to the other party in writing of its intention to refer to arbitration as hereafter provided regarding matter under dispute. No arbitration proceedings will commence unless such notice is given.

### **c. Language**

All documents, drawings, instructions, design data, calculations, operation, maintenance and safety manuals, reports, labels and any other data shall be in English Language. The contract agreement and all correspondence between the New & Renewable Energy Development Corporation of Andhra Pradesh Ltd and the bidder shall be in English language.

### **d. Successors and Assigns**

In case the New & Renewable Energy Development Corporation of Andhra Pradesh Ltd or Successful Bidder may undergo any merger or amalgamation or a scheme of arrangement or similar re-organization & this contract is assigned to any entity / entities partly or wholly, the contract shall be binding mutatis mutandis upon the successor entities & shall continue to remain valid with respect to obligation of the successor entities.

### **e. Severability**

It is stated that each paragraph, clause, sub-clause, schedule or annexure of this contract shall be deemed severable & in the event of the unenforceability of any paragraph, clause sub-clause,

Tender Reference: NREDCAP/SE/RESCO-Empanelment/2026-27, Dated. 29.05.2026

\*\*\*

Dear Sir/ Madam,

1. We, the undersigned ..... [*Insert name of the Bidding Company / Lead Member of Consortium*] have read, examined and understood in detail the RfS including Qualification Requirements, terms and conditions of the standard PPA for supply of power for the Term of PPA, hereby submit our response to RfS. We undertake to meet the requirements and services as required and as set out in the Tender document. We confirm that neither we nor any of our Parent Company / Ultimate Parent Company / Affiliate has submitted Bid other than this Bid directly or indirectly in response to the aforesaid RfS.
2. We attach our Technical Bid in sealed covers as required by the Tender in full conformity with the said Tender.
3. We are submitting response to the Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode
4. We have carefully read and examined all the provisions, terms, and conditions of the Tender Documents and hereby confirm that the same are fully acceptable to us without any reservation.
5. We further declare that any additional conditions, variations, or deviations, if mentioned in our bid or response, shall be deemed null and void and shall not be given effect to under any circumstances.
6. We undertake, if our Bid is accepted, to adhere to the requirements as specified in the Tender or such modified plan as may subsequently be agreed.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

7. We agree to unconditionally accept all the terms and conditions set out in the Tender document, standard PPA document and also agree to abide by this Bid response for a period as mentioned in the Tender from the date fixed for bid opening and it shall remain binding upon us with full force and virtue, until within this period a formal contract is prepared and executed, this Bid response, together with your written acceptance thereof in your notification of selection. shall constitute a binding contract between us, Government Departments and NREDCAP.
8. In case of our selection as the Successful Bidder under the scheme and the project being executed by a Special Purpose Vehicle (SPV) incorporated by us which shall be our subsidiary, we shall infuse necessary equity to the requirements of RfS. Further we will submit a Board Resolution prior to signing of PPA with the Government Department and NREDCAP, committing equity infusion in the SPV as per the provisions of RfS.
9. We shall ensure that the PPA is executed as per the provisions of the RfS and provisions of RfS and PPA and shall be binding on us. Further, we confirm that the Project shall be commissioned within the deadline as per the LOA.
10. We affirm that the information contained in the Technical Bid or any part thereof, including its schedules, and other documents, etc., delivered or to be delivered to NREDCAP is true, accurate, and complete. This proposal includes all information necessary to ensure that the statements therein do not in whole or in part mislead NREDCAP as to any material fact.
11. We also agree that you reserve the right in absolute sense to reject all or any of the products / service specified in the bid response without assigning any reason whatsoever.
12. It is hereby confirmed that I / We are entitled to act on behalf of our company / organization and empowered to sign this document as well as such other documents, which may be required in this connection.
13. We undertake to strictly adhere to the MNRE defined technical specifications for all the equipment that we shall use in setting up of Rooftop Solar Plants for this Project.
14. We also declare that our Company/Organization is not blacklisted by any of the State or Central Government and Organizations of the State or Central Government.
15. We ensure all the activities mentioned in the Scope of work will be carried out as specified in chapter 7 as per this RfS.
16. We further declare that we are fully aware of the binding provisions of the ALMM Order and the Lists(s) thereunder, while quoting the tariff in RfS.
17. We further understand that the solar PV modules and solar PV cells used in the Projects under this RfS shall be from the models and manufacturers included in ALMM List-I (for solar PV modules) and ALMM List-II (for solar PV cells) as published by MNRE and valid as on the date of invoicing of such modules.
18. We undertake that the onus of locating the buildings / rooftops and completing the other documentation like finalizing the Project report and entering into agreements with the buildings / rooftops owners lies with us and that NREDCAP does not bear any responsibility in this regard.
19. We have neither made any statement nor provided any information in this Bid, which to the best of our knowledge is materially inaccurate or misleading. Further, all the confirmations, declarations and representations made in our Bid are true and accurate. In case this is found to be incorrect after

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

amount is liable to be forfeited on the happening of any contingencies as mentioned under the Request for Selection (RfS) Document.

We, ..... (Insert Name of the Insurer) having our Head Office at ..... (Insert address of the Insurer) guarantee and undertake to pay immediately on demand by New and Renewable Energy Development Corporation Limited (NREDCAP) (hereinafter called the 'Employer') the amount of ..... (Insert the amount as stipulated in the RfS) without any reservation, protest, demand and recourse. Any such demand made by the 'Employer' shall be conclusive and binding on us irrespective of any dispute or difference raised by the Bidder and/or any right/remedy available to the Bidder in terms thereof.

This Insurance Surety Bond shall be unconditional as well as irrevocable and shall remain valid up to..... (Insert date). If any further extension of this Insurance Surety Bond is required, the same shall be extended to such required period (not exceeding one year) on receiving instructions from M/s ..... (Insert Bidder Name) on whose behalf this Insurance Surety Bond is issued.

The Insurer hereby agrees and acknowledges that the NREDCAP shall have a right to invoke this Insurance Surety Bond in part or in full, as it may deem fit.

The Insurer hereby expressly agrees that it shall not require any proof in addition to the written demand by NREDCAP, made in any format, raised at the above-mentioned address of the Insurer, in order to make the said payment to NREDCAP.

The Insurer shall make payment hereunder on first demand without restriction or conditions and notwithstanding any objection by \_\_\_\_\_ [Insert name of the Bidder] and / or any other person. The Insurer shall not require NREDCAP to justify the invocation of this Insurance Surety Bond, nor shall the Insurer have any recourse against NREDCAP in respect of any payment made hereunder.

This Insurance Surety Bond shall not be affected in any manner by reason of merger, amalgamation, restructuring or any other change in the constitution of the Insurer.

This Insurance Surety Bond shall be a primary obligation of the Insurer and accordingly NREDCAP shall not be obliged before enforcing this Insurance Surety Bond to take any action in any court or arbitral proceedings against the Bidder, to make any claim against or any demand on the Bidder or to

**FORMAT FOR INSURANCE SURETY BOND TOWARDS PERFORMANCE SECURITY**

*(To be stamped in accordance with Stamp Act of India)*

Insurance Surety Bond No.:

Date:

To

The Vice Chairman and Managing Director,

12-464/5/1, River oaks apartments,

CSR Kalyana mandapam road,

Tadepalli, Andhra Pradesh

Dear Sir,

In consideration of New and Renewable Energy Development Corporation of Andhra Pradesh (here after referred as NREDCAP which expression shall unless repugnant to the context or meaning thereof, include its successors, administrators and assigns) having awarded to M/s..... with its Registered/Head Office at..... (Hereinafter referred to as the 'Solar Power Developer', which expression shall unless repugnant to the context or meaning thereof, include its successors administrators, executors and assigns), the Project of capacity of ..... kWp for supply of power there from on long term basis, in response to the RfS No. .... dated....., issued by NREDCAP by issuing Letter of Award No. .... dated ..... and the same having been unequivocally accepted by the Solar Power Developer, resulting into a Power Purchase Agreement and the Bidder having agreed to provide a Performance Guarantee of the amount up to and not exceeding Indian Rupees ..... [Total Value] only.

We ..... [Name & Address of the Insurer] ..... having its Head Office at ..... (hereinafter referred to as the 'Insurer', which expression shall, unless repugnant to the context or meaning thereof, include its successors, administrators, executors and assigns) do hereby guarantee and

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

undertake to pay NREDCAP unequivocally, irrevocably and unconditionally, on demand any and all amount to the extent of amount up to and not exceeding Indian Rupees ..... [Total Value] on behalf of M/s ..... [Insert name of the Solar Power Developer] at any time up to ..... [days/month/year] without any condition, demur, reservation, contest, recourse or protest and/or without any reference to the Solar Power Developer. Any such demand made by NREDCAP on the Insurer shall be conclusive and binding notwithstanding any difference between the NREDCAP and the Solar Power Developer or any dispute pending before any Court, Tribunal, Arbitrator or any other authority. The Insurer undertakes not to revoke this Insurance Surety Bond during its currency and or any period extended under the contract, without prior consent of NREDCAP and further agrees that the guarantee contained shall be enforceable till NREDCAP discharges this guarantee.

NREDCAP shall have the fullest liberty, without affecting in any way the liability of the Insurer under this Insurance Surety Bond, from time to time to extend the performance of the Contract by the Solar Power Developer for the purpose of which, the Insurer shall be liable to extend the validity of the present Insurance Surety Bond without any demur, condition, protest and the Insurer shall at no point in time have an option of revoking the same, NREDCAP shall have the fullest liberty, without affecting this Insurance Surety Bond, to postpone from time to time the exercise of any powers vested in them or of any right which they might have against the Solar Power Developer, and to exercise the same at any time in any manner, and either to enforce or to forbear to enforce any covenants, contained or implied, in the Contract Agreement between NREDCAP and Solar Power Developer or any other course or remedy or security available to NREDCAP.

The Insurer shall not be released of its obligations under these presents by any exercise by NREDCAP of its liberty with reference to the aforesaid or any of them or by reason of any other act or forbearance or other acts of omission or commission on the part of NREDCAP or any other indulgence shown by NREDCAP or by any other matter or thing whatsoever which under law would, but for this provision, have the effect of relieving the Insurer.

The Insurer also agrees and undertakes that NREDCAP at its option shall be entitled to enforce this Insurance Surety Bond against the Insurer as a Surety, in the first instance without proceeding against the Solar Power Developer and notwithstanding any security or other guarantee that NREDCAP may have in relation to the Solar Power Developer's liabilities.

The Insurer hereby agrees and acknowledges that the NREDCAP shall have a right to invoke this Insurance Surety Bond in part or in full, as it may deem fit.

The Insurer hereby expressly agrees that it shall not require any proof in addition to the written demand by NREDCAP, made in any format, raised at the above-mentioned address of the Insurer, in order to make the said payment to NREDCAP.

The Insurer shall make payment hereunder on first demand without restriction or conditions and notwithstanding any objection by ..... [Insert name of the Solar Power Developer] and/ or any other person. The Insurer shall not require NREDCAP to justify the invocation of this

Format-9

**FORMAT FOR CONSORTIUM AGREEMENT**

(ON NON-JUDICIAL STAMP PAPER OF APPROPRIATE VALUE)

THIS Consortium Agreement (“Agreement”) executed on this \_\_\_ Day of \_\_\_\_\_ Two Thousand \_\_\_ between M/s \_\_\_\_\_ [*Insert name of Lead Member*] a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_ (hereinafter called the “**Member-1**”, which expression shall include its successors, executors and permitted assigns) and M/s \_\_\_\_\_ a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_ (hereinafter called the “**Member-2**”, which expression shall include its successors, executors and permitted assigns), M/s \_\_\_\_\_ a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_ (hereinafter called the “**Member-3**”, which expression shall include its successors, executors and permitted assigns), [*The Bidding Consortium should list the details of all the Consortium Members*] for the purpose of submitting response to RfS and execution of Power Purchase Agreement (in case of award), against RfS No. \_\_\_\_\_ dated \_\_\_\_\_ issued by NREDCAP a Company incorporated under the Companies Act, 2013, and having its Registered Office at 12-464/5/1, River Oaks Apartment, CSR Kalyana Mandapam Road, Tadepalli, Guntur(Dist), Pin:522 501

WHEREAS, each Member individually shall be referred to as the “Member” and all of the Members shall be collectively referred to as the “Members” in this Agreement.

WHEREAS Government Department desires to purchase Power under RfS for \_\_\_\_\_ (insert title of the RfS);

WHEREAS, NREDCAP had invited response to RfS vide its Request for Selection (RfS) dated \_\_\_\_\_

WHEREAS the RfS stipulates that in case response to RfS is being submitted by a Bidding Consortium, the Members of the Consortium will have to submit a legally enforceable Consortium Agreement in a format specified by NREDCAP wherein the Consortium Members have to commit equity investment of a specific percentage for the Project.

NOW THEREFORE, THIS AGREEMENT WITNESSTH AS UNDER:

In consideration of the above premises and agreements all the Members in this Bidding Consortium do hereby mutually agree as follows:

1. We, the Members of the Consortium and Members to the Agreement do hereby unequivocally agree that Member-1 (M/s \_\_\_\_\_), shall act as the Lead Member as defined in the RfS for self and agent for and on behalf of Member-2 and Member-3 and to submit the response

## **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

to the RfS.

2. The Lead Member is hereby authorized by the Members of the Consortium and Members to the Agreement to bind the Consortium and receive instructions for and on their behalf.
3. Notwithstanding anything contrary contained in this Agreement, the Lead Member shall always be liable for the equity investment obligations of all the Consortium Members i.e. for both its own liability as well as the liability of other Members.
4. The Lead Member shall be liable and responsible for ensuring the individual and collective commitment of each of the Members of the Consortium in discharging all of their respective equity obligations. Each Member further undertakes to be individually liable for the performance of its part of the obligations without in any way limiting the scope of collective liability envisaged in this Agreement.
5. Subject to the terms of this Agreement, the share of each Member of the Consortium in the issued equity share capital of the Project Company is/shall be in the following proportion:

<b>Name</b>	<b>Percentage</b>
Member 1	---
Member 2	---
Member 3 (if applicable)	---
<b>Total</b>	100%

We acknowledge that after the execution of PPA, the combined shareholding in the SPV/Project Company shall not fall below 51% at any time prior to 01 (one) year after the SCD, except with the prior approval of NREDCAP.

6. The Lead Member, on behalf of the Consortium, shall inter alia undertake full responsibility for liaising with Lenders or through internal accruals and mobilizing debt resources for the Project, and ensuring that the Seller achieves Financial Closure and commencement of power supply in terms of the PPA.
7. In case of any breach of any equity investment commitment by any of the Consortium Members, the Lead Member shall be liable for the consequences thereof.
8. Except as specified in the Agreement, it is agreed that sharing of responsibilities as aforesaid and equity investment obligations thereto shall not in any way be a limitation of responsibility of the Lead Member under these presents.
9. It is further specifically agreed that the financial liability for equity contribution of the Lead Member shall not be limited in any way so as to restrict or limit its liabilities. The Lead Member shall be liable irrespective of its scope of work or financial commitments.

10. This Agreement shall be construed and interpreted in accordance with the Laws of India and courts at Vijayawada alone shall have the exclusive jurisdiction in all matters relating thereto and arising thereunder.
11. It is hereby further agreed that in case of being selected as the Successful Bidder, the Members do hereby agree that they shall furnish the Performance Guarantee in favour of NREDCAP in terms of the RfS.
12. It is further expressly agreed that the Agreement shall be irrevocable and shall form an integral part of the Power Purchase Agreement (PPA) and shall remain valid until the expiration or early termination of the PPA in terms thereof, unless expressly agreed to the contrary by NREDCAP.
13. The Lead Member is authorized and shall be fully responsible for the accuracy and veracity of the representations and information submitted by the Members respectively from time to time in the response to RfS.
14. It is hereby expressly understood between the Members that no Member at any given point of time, may assign or delegate its rights, duties or obligations under the PPA except with prior written consent of NREDCAP.
15. This agreement
  - a) has been duly executed and delivered on behalf of each Member hereto and constitutes the legal, valid, binding and enforceable obligation of each such Member;
  - b) sets forth the entire understanding of the Members hereto with respect to the subject matter hereof; and
  - c) may not be amended or modified except in writing signed by each of the Members and with prior written consent of NREDCAP.
16. All the terms used in capitals in this Agreement but not defined herein shall have the meaning as per the RfS and PPA.

**FORMAT FOR POWER OF ATTORNEY FOR CONSORTIUM**

(Applicable Only in case of Consortiums)

(To be provided by each of the other members of the Consortium in favour of the Lead Member)  
(On Non-Judicial Stamp Paper of Appropriate value to be purchased in the Name of Bidder)

KNOW ALL MEN BY THESE PRESENTS THAT M/s ..... having its registered office at....., M/s ..... having its registered office at....., and M/s..... having its registered office at ..... (Insert names and registered offices of all Members of the Consortium) the Members of Consortium have formed a Consortium vide Consortium Agreement dated ..... and having agreed to appoint M/s..... as the Lead Member of the said Consortium do hereby constitute, nominate and appoint M/s..... a company incorporated under the laws of .....and having its Registered/ Head Office at ..... as our duly constituted lawful Attorney (hereinafter called as Lead Member) to exercise all or any of the powers for and on behalf of the Consortium in regard to submission of the response to RfS No.....

We also authorize the said Lead Member to undertake the following acts:

- i) To submit proposal and participate in the aforesaid Bid Specification of the NREDCAP on behalf of the “Consortium”.
- ii) To do any other act or submit any document related to the above.

It is expressly understood that in the event of the Consortium being selected as Successful Bidder, this Power of Attorney shall remain valid, binding and irrevocable until the Bidding Consortium achieves execution of PPA.

We as the Member of the Consortium agree and undertake to ratify and confirm all whatsoever the said Attorney/ Lead Member has done on behalf of the Consortium Members pursuant to this Power of Attorney and the same shall bind us and deemed to have been done by us.

IN WITNESS WHEREOF M/s ....., as the Member of the Consortium have executed these presents on this..... day of .....under the Common Seal of our company.

For and on behalf of Consortium Member

Tender Reference: RFS No. NREDCAP/SE/RESCO-Empanelment/2026-27 Dated. 29.05.2026

Dear Sir / Madam,

We certify that the Bidding Company/ Consortium is meeting the financial eligibility requirements as per the provisions of the RfS.

**I. Net Worth**

The Bidder is fulfilling the minimum Net Worth criteria, by demonstrating a Net Worth of INR \_\_\_\_\_ *(in INR \_\_\_\_\_ only – words also)* as on 31.03.2025.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

This Net Worth has been calculated in accordance with instructions provided in Clause 1.6.2 (Financial Eligibility Criteria – Net Worth) of the RfS as amended.

**Exhibit (i): Applicable in case of Bidding Company**

For the above calculations, we have considered the Net Worth by Bidding Company as per following details:

Name of Bidding Company	Net Worth as on 31.03.2025  (in INR)

**Exhibit (ii): Applicable in case Bidder is Consortium (to be filled by each Member of the Consortium separately)**

**Name of Member:** *(Insert name of the Member)*

Net Worth requirement to be met by the Members in the Consortium collectively.

For the above calculations, we have considered Net Worth by Member in a Consortium as per following details:

Name of Consortium Members	Net Worth as on 31.03.2025  (in INR)
Company 1	
----	
----	
<b>Total</b>	

**II. Average Annual Turnover**

We certify that the Bidding Company is fulfilling the Average Annual Turnover criterion, by demonstrating an Average Annual Turnover of INR \_\_\_\_\_ only *(in INR \_\_\_\_\_ only - in words also)* as of the last 3 Financial Years from FY 2022-23 to the last date of Financial Year 2024-25. This Average Annual Turnover has been

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

calculated in accordance with instructions provided in Clause 1.6.2 (Financial Eligibility Criteria – Annual Average Turnover) of the RfS as amended.

**Exhibit (i): Applicable in case of Bidding Company**

For the above calculations, we have considered the Annual Turnover by Bidding Company as per the following details:

<b>Name of Bidding Company</b>	<b>Average Annual Turnover (in INR) #</b>

*# Mention the average of the 3 Financial Years i.e., FY 2022-23, FY 2023-24, FY 2024-25.*

**Exhibit (ii): Applicable in case of Consortium (to be filled by each Party in a Consortium separately)**

Name of Party: *(Insert name of the Member)*

Average Annual Turnover Requirement to be met by the Members in the Consortium collectively.

For the above calculations, we have considered Average Annual Turnover by Members in Consortium as per following details:

<b>Name of Member</b>	<b>Average Annual Turnover (in INR Crore)#</b>
Company 1	
<b>Total</b>	

*# Mention the average of the 3 Financial Years i.e., FY 2022-23, FY 2023-24, FY 2024-25.*

**(Signature and Name of Authorised Signatory)**

**Date:** \_\_\_\_\_

Note:

- (i) Along with the above format, in a separate sheet on the Letter Head of the Chartered Accountant's Firm, provide details of computation of 'Net Worth' and 'Annual Turnover' duly certified by the Chartered Accountant.
- (ii) Certified copies of 'Balance Sheet', 'Profit and Loss Account', 'Schedules' and 'Cash Flow Statements' are to be enclosed in complete form along with all the 'Notes to Accounts'.

**ANNEXURE – A**

**Quality Certification, Standards and Testing for Grid-connected Rooftop Solar Systems/Plants**

Quality certification and standards for grid-connected Rooftop Solar - are essential for the successful mass-scale implementation of this technology. It is also imperative to put in place an efficient and rigorous monitoring mechanism, adherence to these standards. Hence, all components of grid-connected Rooftop Solar system/ plant must conform to the relevant standards and certifications given below:

<b>Quality Certification, Standards and Testing for Grid Connected Rooftop Solar PV Systems/ Power Plants</b>	
<b>Solar PV Modules/Panels</b>	
IEC 61215/ IS 14286	Design Qualification and Type Approval for Crystalline Silicon Terrestrial Photovoltaic (PV) Modules
IEC 61701	Salt Mist Corrosion Testing of Photovoltaic (PV) Modules
IEC 61853 - 1/ IS 16170 - 1	Photovoltaic (PV) module performance testing and energy rating: Irradiance and temperature performance measurements, and power rating
IEC 62716	Photovoltaic (PV) Modules – Ammonia (NH <sub>3</sub> ) Corrosion Testing (As per the site condition like dairies, toilets)
IS / IEC 61730 - 1, 2	Photovoltaic (PV) Module Safety Qualification–Part - 1: Requirements for Construction, Part - 2: Requirements for Testing including
<b>Solar PV Inverters</b>	
IEC 62109-1, IEC 62109-2	Safety of power converters for use in photovoltaic power systems – Part - 1: General requirements, and Safety of power converters for use in photovoltaic power systems  Part - 2: Particular requirements for inverters. Safety compliance (Protection degree IP 65 for outdoor mounting, IP 54 f or indoor mounting)
IS / IEC 61683 (As applicable)	Photovoltaic Systems – Power conditioners: Procedure for Measuring Efficiency (10%, 25%,50%, 75% & 90-100% Loading Conditions)
IEC 60068 - 2 / IEC 62093 (As applicable)	Environmental Testing of PV System – Power Conditioners and Inverters
IEC 62116/ UL 1741/ IEEE 1547 (As applicable)	Utility-interconnected Photovoltaic Inverters - Test Procedure of Islanding Prevention Measures

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

<b>Quality Certification, Standards and Testing for Grid Connected Rooftop Solar PV Systems/ Power Plants</b>	
IEC 60255-27	Measuring relays and protection equipment – Part 27: Product safety requirements
<b>Fuse</b>	
IS / IEC 60947 (Part 1, 2 & 3), EN 50521	General safety requirements for connectors, switches, circuit breakers (AC/DC):  a) Low-voltage Switchgear and Control-gear, Part 1: General rules b) Low-Voltage Switchgear and Control-gear, Part 2: Circuit Breakers c) Low-voltage switchgear and Control-gear, Part 3: Switches, disconnectors, switch-disconnectors, and fuse-combination units d) EN 50521: Connectors for photovoltaic systems – Safety requirements and tests
IS / IEC 60269-6	Low-voltage fuses - Part 6: Supplementary requirements for fuse-links for the protection of solar photovoltaic energy systems
<b>Solar PV Roof Mounting Structure</b>	
IS 2062 / IS 4759	Material for the structure mounting
<b>Surge Arrestors</b>	
BFC 17-102:2011	Lightening Protection Standard
IEC 60364-5-53 / IS 15086-5 (SPD)  IEC 61643 – 11:2011	Electrical installations of buildings - Part 5-53: Selection and erection of electrical equipment - isolation, switching and control Low-voltage surge protective devices – Part 11: Surge protective devices connected to low-voltage power systems – Requirements and test methods
<b>Cables</b>	
IEC 60227 / IS 694, IEC 60502 / IS 1554 (Part 1 & 2) / IEC 69947 (as applicable)	General test and measuring method for PVC (Polyvinyl chloride) insulated cables (for working voltages up to and including 1100 V, and resistant for outdoor installation)

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

<b>Quality Certification, Standards and Testing for Grid Connected Rooftop Solar PV Systems/ Power Plants</b>	
BS EN 50618	Electric Cables for Photovoltaic Systems (BT(DE/NOT)258), mainly for DC Cables
<b>Junction Boxes</b>	
IEC 60529	Junction boxes and solar panel terminal boxes shall be of the thermo-plastic type with IP 65 or better protection for outdoor use, and IP 54 or better protection for indoor use
<b>Earthing/ Lightning</b>	
IEC 62561 Series (Chemical earthing) (as applicable)	IEC 62561-1 Lightning protection system components (LPSC) - Part 1: Requirements for connection components  IEC 62561-2 Lightning protection system components (LPSC) - Part 2: Requirements for conductors and earth electrodes  IEC 62561-7 Lightning protection system components (LPSC) - Part 7: Requirements for earthing enhancing compounds
<b>Energy Meter</b>	
IS 16444 or as specified by the DISCOMs	A.C. Static direct connected watt-hour Smart Meter Class 1 and 2 – Specifications (with Import & Export/ Net energy measurement)

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

**ANNEXURE – B**

**TECHNICAL PARAMETER OF PV MODULE AND VARIOUS OTHER COMPONENTS FOR USE IN GRID CONNECTED SOLAR POWER PLANTS**

The Project selected under the RfS shall strictly adhere to the Central Electricity Authority (Technical Standards for Connectivity to the Grid) Regulations, 2007, as amended vide the Central Electricity Authority (Technical Standards for Connectivity to the Grid) (Amendment) Regulations, 2019, and subsequent amendments and clarifications.

All components of the PV plant shall be in accordance with technical specifications given in relevant IS/ IEC Standards. The design and commissioning also shall be as per latest IS/ IEC standards. The following are some of the technical measures required to ensure quality of the major components used in grid connected solar power Projects.

**1. SPV MODULES**

- a. The SPV modules used in the grid solar power Projects must qualify to the latest edition of any of the following IEC PV module qualification test or equivalent BIS standards.

Crystalline Silicon Solar Cell Modules	IEC 61215
Thin Film Modules	IEC 61646
Concentrator PV modules	IEC 62108

- b. In addition, SPV modules must qualify to IEC 61730 for safety qualification testing at 1000 V DC or higher. The modules to be used in a highly corrosive atmosphere throughout their lifetime must qualify to IEC 61701.

**2. POWER CONDITIONERS/ INVERTERS**

The Power Conditioners/Inverters of the SPV power plants must conform to the latest edition of IEC/ equivalent Indian Standards as specified below:

Efficiency Measurements	IEC 61683
Environmental Testing	IEC 60068-2/ IEC 62093
Electromagnetic Compatibility (EMC)	IEC 61000-6-2, IEC 61000-6-4 & other relevant parts of IEC 61000
Electrical Safety	IEC 62103/ 62109-1&2
Anti-Islanding Protection	IEEE1547/ IEC 62116/ UL1741 or equivalent BIS Standards

**3. OTHER SUB-SYSTEMS/ COMPONENTS**

Other subsystems/ components used in the SPV Power Plants (Cables, Connectors, Junction Boxes, Surge Protection Devices etc.) must also conform to the relevant international/national Standards for Electrical Safety besides that for Quality required for ensuring Expected Service Life and Weather Resistance. It is recommended that the Cables of 600-1800 Volts DC for outdoor installations should comply with the BS EN 50618:2014/2pfg 1169/08.2007 for service life expectancy of 25 years.

**4. AUTHORIZED TEST CENTRES**

The PV modules/ Power Conditioners deployed in the Power Plants must have valid test certificates for their qualification as per above specified IEC/ BIS Standards by one of the NABL Accredited Test Centers in India. In case of module types like Thin Film and CPV/ equipment for which such Test facilities may not exist in India at present, test certificates from reputed ILAC Member body accredited Labs abroad will be acceptable.

# **Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

## **5. WARRANTY**

- PV modules used in grid connected solar power plants must be warranted for peak output wattage, which should not be less than 90% at the end of 10 years and 80% at the end of 25 years.
- The modules shall be warranted for at least 10 years for failures due to material defects and workmanship.
- The mechanical structures, electrical works and overall workmanship of the grid solar power plants must be warranted for a minimum of 5 years.
- The Inverters/ PCUs installed in the solar power plant must have a warranty for 5 years.

## **6. IDENTIFICATION AND TRACEABILITY**

Each PV module used in any solar power Project must use a RF identification tag. The following information must be mentioned in the RFID used on each module (This can be inside or outside the laminate, but must be able to withstand harsh environmental conditions):

- i Name of the manufacturer of PV Module
- ii Name of the Manufacturer of Solar cells
- iii Month and year of the manufacture (separately for solar cells and module)
- iv Country of origin (separately for solar cells and module)
- v I-V curve for the module at Standard Test Condition (1000 W/m<sup>2</sup>, AM 1.5, 250C)
- vi Wattage, I<sub>m</sub>, V<sub>m</sub> and FF for the module
- vii Unique Serial No. and Model No. of the module
- viii Date and year of obtaining IEC PV module qualification certificate
- ix Name of the test lab issuing IEC certificate
- x Other relevant information on traceability of solar cells and module as per ISO 9000

Site owners would be required to maintain accessibility to the list of Module IDs along with the above parametric data for each module.

## **7. PERFORMANCE MONITORING**

All grid solar PV power projects must install necessary equipment to continuously measure solar radiation, ambient temperature, wind speed and other weather parameters and simultaneously measure the generation of DC power as well as AC power generated from the plant. They will be required to submit this data to MNRE/NREDCAP or any other designated agency online and/or through a report on regular basis every month for the entire duration of PPA. In this regard they shall mandatorily also grant access to MNRE/NREDCAP or any other designated agency to the remote monitoring portal of the power plants on a 24x7 basis.

## **8. SAFE DISPOSAL OF SOLAR PV MODULES**

The developers will comply with the requirements under Hazardous & other Waste (Management and Transboundary Movement) Rules, 2016, as amended from time to time, as applicable. They will also ensure that all Solar PV modules and ESS components, if any, from their plant after their 'end of life' (when they become defective/ non-operational/ nonrepairable) are disposed of in accordance with the "e-waste (Management and Handling) Rules, 2011" notified by the Government and as revised and amended from time to time.

## **9. CAPACITY OF SOLAR PV PROJECTS**

- i The rated capacity to be installed shall be considered as minimum DC Arrays Capacity and maximum AC Capacity at the delivery point.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026

*Illustration:*

<i>S. No.</i>	<i>Solar PV Plant Capacity</i>	<i>Minimum DC Arrays Capacity to be installed</i>	<i>Minimum Rated Inverter Capacity</i>	<i>Maximum AC Capacity Limit at Delivery point</i>
<i>1</i>	<i>10 kW</i>	<i>10 kW</i>	<i>10 kW</i>	<i>10 kW</i>

ii. Installation of higher DC capacity arrays to achieve the AC capacity limit for injection of energy at the delivery point is allowed to comply with the committed energy to be supplied under the PPA.

**Request for Selection (RfS) of Solar Power Developers for Empanelment for Supply, Installation and Commissioning of Grid-Connected Rooftop Solar Power Plants at various Government Institutions in Andhra Pradesh under RESCO Mode**

Tender Notice No. NREDCAP/SE/RESCO-Empanelment/2026-27, Dt. 29.05.2026
