Date: 08.05.2018

NOTICE

In response to the Tender Notice No.NREDCAP/OSD/RT-SPV 1-500 KWp/2018 dated 9.04.2018, NREDCAP has received 109 Tenders and Technical bids were opened on 03.05.2018. On evaluation of the tenders by the Tender Committee and to eliminate non-serious system integrators, the following observations/recommendations are made,

1. The tender called for is for promotion of grid connected solar rooftop systems as per the prevailing guidelines of MNRE and NREDCAP will not issue any specific work order for execution of the projects. It is the responsibility of the empanelled system integrators to generate demand on market mode and NREDCAP will only release eligible CFA/incentive grant as applicable based on sanction and release of funds by MNRE.
2. As per the statutory requirement, the GST registration shall be done in AP State jurisdiction for business transactions. The same shall be done within one month from the date of empanelment.
3. It is noticed that some of the bidders have agreed to open service centres on award of work by NREDCAP. As mentioned above, NREDCAP will not award any work and the project shall be promoted and executed on market mode. If the service centres/marketing offices are not opened within one month, the empanelment will be terminated and Security deposit amount of Rs.5.00 lakhs will be forfeited.
4. To discourage non-serious system integrators, it is decided to forfeit the security deposit equivalent to Rs.5.00 lakhs if the empanelled system integrator fail to execute at least 200 KWp grid connected solar rooftop systems on aggregate basis before 30.06.2019. However, in respect of system integrators empanelled in the category of 1 – 10 KWp capacity systems only, they shall install a minimum of 50 KWp systems on aggregate basis before 30.06.2019.
5. Only domestic SPV modules shall be installed as per the guidelines of MNRE to avail eligible CFA/incentive grant.

6. It is the responsibility of the system integrators to extend warranty for a period of five years from the date of installation of the systems. In case of default in extending the services during the warranty period and performance of the system is not satisfactory, the performance guarantee amount will be encashed/forfeited.

In view of the above observations/recommendations, it is decided to obtain an undertaking from the system integrators before opening of the financial bid. The format for giving undertaking is attached herewith and the undertaking shall be submitted on official letter head of system integrator duly signed by the authorized person by affixing the office seal and shall be submitted on or before **11.05.2018** by email to we@nredcap.in **The hard copy shall also be submitted within 10 days period i.e. before 18.05.2018.**

The opening of financial bids is postponed to 16.05.2018 at 3.00 PM. It may be noted that the financial bids of system integrators who have not submitted the undertaking within the stipulated period will not be opened and the EMD amounts/bank guarantee will be returned.

Dear Sir,

Sub; Design, supply, installation, commissioning, maintenance and operation of grid connected rooftop solar power plants under State Net Metering Policy – Reg.

Ref: 1) Tender No. NREDCAP/OSD/RT-SPV 1-500 KWp/2018 dated 9.04.2018.
2) Notice No. NREDCAP/OSD/RT-SPV 1-500 KWp/2018-19 dated 08.05.2018.

With reference to the Tender Document issued vide reference 1st cited and also the contents mentioned in the Notice vide reference 2nd cited, we hereby undertake as follows,

1. We understand that the tender called for is for promotion of grid connected solar rooftop systems as per the prevailing guidelines of MNRE and NREDCAP will not issue any specific work order for execution of the projects. It is the responsibility of the empanelled system integrators to generate demand on market mode and NREDCAP will only release eligible CFA/incentive grant as applicable based on sanction and release of funds by MNRE.
2. We undertake to open the service centres/marketing offices within one month from the date of empanelment, if already not existing. We understand that the empanelment will be terminated and performance bank guarantee amount will be forfeited if the

service centres/marketing offices are not opened within one month from the date of empanelment.

3. We undertake to take up GST registration in AP State jurisdiction within one month from the date of empanelment, as it is statutory requirement to undertake business in the AP State .
4. We understand that the security deposit equivalent to Rs.5.00 lakhs will be forfeited if fail to execute at least 200 KWp grid connected solar rooftop systems in case of empanelment in the category of 1-500 KWp and at least 50 KWp grid connected solar rooftop systems in case of 1 – 10 KWp category, are not installed on aggregate basis before 30.06.2019.
5. We undertake to use only indigenous solar PV modules in respect of projects executed under this tender.
6. We understand that the performance guarantee amount will be forfeited if we fail to extend services during the warranty period of the system i.e. five years from the date of installation and if the performance of the system is not satisfactory.
