Corrigendum to RFS (Bid) No. NREDCAP/OSD/VJA-SC/144/2018

New and Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP) on behalf of Vijayawada Municipal Corporation (VMC), intends to procure 1.2 million units of solar power per month at Delivery Point through competitive bidding route for 25 years from grid connected Solar PV Project of the requisite capacity within the geography of Krishna, Guntur and Prakasham districts of Andhra Pradesh.

Subsequent to the responses issued against queries raised by the bidders, NREDCAP received additional queries. Following are the key amendments incorporated in the tender documents uploaded on NREDCAP website on 08.02.2018;

Sl. No	Clause No and details of RFS/PPA	Changes incorporated in the tender documents uploaded earlier on NREDCAP portal on 08.02.2018
1	Section 1 of RFS, Introduction and Background	New clauses 1.7, 1.8 and 1.9 are incorporated
2	3.2 of RFS, Timelines for bidding process	Timelines are modified.
3	3.4.1 of RFS, Scope of Project	New provisions are incorporated under “Required Energy Generation” to mitigate Developers’ risk arising due to any shortfall in the consumption levels at the drawl point below contracted units.
4	3.4.1 of RFS, Scope of Project	Changes are incorporated under “Quoted Tariff” to ensure guaranteed offtake of power by VMC and provision of quoting the tariff block wise.

5	3.4.1 of RFS, Scope of Project	Changes are incorporated under “Tariff Payment” to enable transfer of proceedings accrued to Developer to the account of VMC on account of banking of energy. Similarly, provisions for guaranteed offtake of energy for 15 years and asset purchase option are incorporated.
6	4.1.4 of RFS, Selection of Successful Bidder	Evaluation process of Financial Bids are modified.
7	6.10 of RFS	Financial bid format is modified to quote block wise tariff, one tariff applicable for 1 st to 15 th years of contract period, and another applicable for 16 th to 25 th years of contract period.
8	Clause 2.6 of Article 2 of PPA	Changes are incorporated to enable transfer of proceedings accrued to Developer to the account of VMC on account of banking of energy. Similarly, provisions for guaranteed offtake for 15 years and asset purchase option are incorporated.

Accordingly, RFS and PPA s are amended and are uploaded herewith.

Revised bidding timelines shall be as following;

S.No	Particulars	Timelines
a	Bid Document download start date	08/01/2018 – 05.00 PM
