To

The list of Manufacturers / Suppliers,
Electric 2 wheelers.

Dear Sir/ Madam,

Sub: Expression of Interest for Supply of Electric Two Wheelers to Andhra Pradesh State Government Employees - Regarding.

NREDCAP is a state-owned Corporation and nodal agency for implementation of all Renewable Energy Programs as well as Electric Mobility in Andhra Pradesh. Govt. of Andhra Pradesh has designated NREDCAP as state nodal agency for implementation of electric vehicles and battery-operated vehicles vide G.O. Ms. No. 34 dated 26-10-2016 of Department of Industries and Commerce.

The policy aimed to phase out ICE vehicles by 2024 in four major cities and in all cities by 2030. As a part of promotion of E-Mobility, and to meet the policy objectives, a scheme is formulated to promote 1 lakh electric 2-wheelers to all Govt. Employees over a period of one year. Based on demand the number will be increased further.

In this connection, you are requested to submit the following details indicating your Expression of Interest:

1. Model and variants of low and high-speed vehicles
2. Production capacity of company per month
3. Cumulative turnover in respect of sale of two wheelers during last three years is Rs. 50.0 crores
4. Accreditation from designated labs to vehicles and models.
5. The agency shall submit necessary statutory certificates from state and central govt. before delivery of vehicles to the employees
6. The OEM/ Supplier shall fulfil the following conditions:
 - a. There are 13 districts, 650 Mandals and 100+ municipalities. To cover the entire area, for delivery and services the minimum network requirements is as follows:

- i. 30 dealerships @ 2 dealerships in each district
 - ii. 100 Authorised Service Points
 - iii. Mobile Service Facility
- b. The Scheme is formulated with financing option and the opted supplier shall provide vehicle on EMI basis with 36 – 60 EMIs. The vehicle shall be delivered on receipt of confirmation of first EMI from the Drawing and Disbursement Officer (DDO) to NREDCAP.
 - c. The supplier/ OEM shall give undertaking to establish manufacturing facilities in A.P. on completion of 5000 Nos EVs supplies.
 - d. The OEM or supplier shall develop universal charging points/ battery swapping stations for easy and quick adoption of EVs.
 - e. E- 2 wheelers are categorised into low speed (<25KMPH), medium speed (<45KPMH) and high speed (>45KMPH).
 - f. The range per charge between 40 – 100 Km.
 - g. The supplier / OEM shall have the experience in manufacturing / supply of minimum 2000 Nos per year in the last 3 years or aggregate of 6000 Nos in last 3 years.
 - h. Supplier/ OEM shall install charging facility if more than 20 vehicles delivered to a single institution.
 - i. Supplier/ OEM shall provide un-conditional warranty and services for vehicles delivered for a period of 3 years from date of delivery.

You are requested to submit above details, technical details of vehicles, models, financial terms, company profile, compliance to qualifying criterion along with non-refundable fee of Rs.50,000+18% GST by way of demand draft in favour of VC and Managing Director NREDCAP, Tadepalli, Guntur district, AP before 18th March 2021.

Thanking You,

Yours faithfully,

(S. Ramana Reddy, IRPS) 23/21
VC & Managing Director
