BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

I. DISCLAIMER

- a) The BID document is not transferable.
- b) This BID is issued by New & Renewable Energy Development Corporation of AP Ltd (NREDCAP).
- c) The Bid document is not a prospectus or offer on invitation to the public in relation to the sale of shares, debentures, or securities, nor shall this Bid document or any part of it form the basis of or be relied upon in any way in connection with, any contract relating to any shares, debentures or securities.
- d) In considering a response to this Request for Proposal (BID), each recipient should make its own independent assessment and seek its own professional, technical, financial and legal advice.
- e) Whilst the information in this BID document has been prepared in good faith, it is not and does not purport to be comprehensive or to have been independently verified. Neither NREDCAP nor any of their officers or employees, nor any of their advisers nor consultants, accept any liability or responsibility for the accuracy, reasonableness or completeness of, or for any errors, omissions or misstatements, negligent or otherwise, relating to the proposed Project, or makes any representation or warranty, express or implied, with respect to the information contained in this document or on which this document is based or with respect to any written or oral information made or to be made available to any of the recipients or their professional advisers and, so far as permitted by law and except in the case of fraudulent misrepresentation by the party concerned, and liability therefore is hereby expressly disclaimed.
- f) The information contained in this document is selective and is subject to updating, expansion, revision and amendment issued before due date. It does not, and does not purport to, contain all the information that a recipient may require. Neither NREDCAP nor any of their officers, employees nor any of its advisors nor consultants undertakes to provide any recipient with access to any additional information or to update the information in this document or to correct any inaccuracies therein which may become apparent. Each recipient must conduct its own analysis of the information contained in this document or to correct any inaccuracies therein that may be contained in this document and is advised to carry out its own investigation in relation to the Project(s)/Tender, the legislative and regulatory regime which applies thereto and by and all matters pertinent to the proposed Project/Tender and to seek its own professional advice on the legal, financial, regulatory and taxation consequences of entering into any agreement or arrangement relating to the proposed Project/Tender.
- g) This BID document, if includes certain statements, estimates, projections, designs, targets and forecasts with respect to the Project, such statements, estimates, projections, targets and

1 Introduction and Background

1.1. Introduction

3- Wheeler Passenger IC Engine Auto is last mile connectivity to the public, IC Engine auto runs on an average 100 to 125 KMs per day and duly consuming 5 to 6 litres of diesel/ petrol per day and emit 12 to 15 Kgs of CO₂ apart from Nitrous and SPM etc. In order to utilize the existing resources effectively, lowest cost option for conversion of IC Engine Autos into Electric Autos is Retrofitment with swappable batteries.

There are around 6 lakhs 3- Wheeler ICE Autos and consumes lakhs of litres of petrol/diesel/CNG every day and emitting Co₂, Nitrous, SPM etc., raising health and environmental issues. The bid is intended to select the developer for conversion of 200 Numbers of ICE Autos into Electric Autos along with the following activities:

- a) Identifying eligible interested auto drivers
- b) Conduct route survey for identification of suitable locations for establishment of swapping stations
- c) Design, supply, installation, commissioning, and maintenance of Electric Retrofit Kits with Swappable Batteries
- d) Operate swapping stations in the selected routes in Tirupati Municipal Corporation Limits and TPT sub-urbans in Andhra Pradesh State for a Period 6 years on Turnkey basis with financial participation.
- e) Develop the necessary software for operation of swapping stations along with payment gateway to NREDCAP - Retrofit Bank Account etc. as detailed in the scope of work.

NREDCAP will invest Rs.75,000/- per auto towards conversion cost to convert ICE Autos into Electric Retrofit Kit Autos with swappable batteries and swapping infrastructure etc. The developer shall operate the swapping stations and maintain the Electric Autos for a period of 6 years. During operation period, the entire amount invested by the NREDCAP along with interest @6 % shall be recovered and credited while swapping through payment gateway system to ESCROW Account/ NREDCAP Retrofit Account. The software developed shall be audited for cyber security.

The retrofit kits, swapping batteries of lithium ion /lithium phosphate/ Lithium NMC, swapping infrastructure shall be certified by designated labs like ARAI/ ICAT or any other designated testing labs approved under CMVR Act/ IEC/ BIS. The proposed swapping centers shall provide regular operational and comprehensive maintenance services to the converted Electric Autos.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

The bidder shall follow the guidelines and specifications issued by Ministry of Road Transport and Highways, Ministry of Power, Central Electricity Authority, APSPDCL, AP Transport Department, Electrical Inspector or any other Government Organization etc. related to the activity. The successful bidder shall enter an agreement based on the BID document with NREDCAP. NREDCAP reserves the right to increase or decrease the Tendered Quantity and/or Allocated Quantity of Retrofit Electric Autos.

1.2. Background

India is at the cusp of an e-mobility revolution. The Government of India is moving towards accelerated adoption of Electric Vehicles (EVs) by 2030 to cut down its carbon emissions. NREDCAP is the State Nodal Agency for implementation of all Renewable Energy Programs as well Electric Mobility in the State of Andhra Pradesh. Under E- mobility, NREDCAP is promoting various activities to promote adoption of E- Vehicles to conserve the petroleum products and to minimize the vehicular pollution. As per the E-Mobility policy of the Govt. of A.P. vide G.O.MS. No.74, dated 08.06.2018 of Industries and Commerce (P&I) Department, it is targeted to phase out all fossil fuel based commercial fleets and logistics vehicles in top 4 cities by 2024 and all cities by 2030.

2 Definitions

Any capitalized term, used but not defined in this BID, shall have the meaning as prescribed to such term in the Agreement. In absence of availability of definitions in the foregoing references, the capitalized terms shall be interpreted in accordance with the CMVR Act 1989, Electricity Act 2003 and any other subsequent act, Regulations of the Appropriate Commission (Terms and Conditions, Grid Code or any other relevant electricity law, Ministry of Road Transport and Highways, AP Transport, CEA/ DISCOMs rules or regulations prevalent in India, as amended or re-enacted from time to time, in that order. Notifications, policies, guidelines as notified or amended from time to time)

Following terms used in the document will carry the meaning and interpretations as described below:

“Associate Company” shall mean in relation to another company, means a company in which that other company has a significant influence, but which is not a subsidiary company of the company having such influence and includes a joint venture company, as per Companies Act 2013. Significant influence shall mean control of at least twenty per cent of total share capital, or of business decisions under an agreement.

“Authorized Representative” shall mean the body authorized to carry out the Bidding process for the selection of the Successful Bidder(s). As per this BID, NREDCAP is the authorized Representative.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Swapping Stations: Shall be established for the purposes of exchange of discharged batteries with charged batteries on payment basis

“**Authorized Signatory**” shall have the same meaning as assigned to in Clause 5.7 (d) of the bid.

“**Average Annual Turnover**” shall have the same meaning as assigned to in Clause 5.2 (e) of this BID.

“**Bank Guarantee**” shall mean the guarantees required to be furnished by the Bidder in accordance with the provisions of Clause 5.6(b) of this BID.

“**Bid**” shall mean the Bid submitted by the Bidder in accordance with provisions comprising of Technical Bid and Financial Bid in response to this BID, in accordance with the terms and conditions thereof.

“**Bid Processing Fee**” shall have the same meaning as per Clause 3.1(b) of this BID.

“**Bidder**” shall mean Bidding Company or a Bidding Firm submitting the Bid. Any reference to the Bidder includes Bidding Company /Bidding Firm.

“**Bidding Company**” shall refer to such single Company, registered under Companies Act 1956 or Companies Act, 2013 as applicable that has submitted the response in accordance with the provisions of this BID.

“**Bid Deadline**” shall mean the last date and time for submission of Bid in response to this BID as specified in Clause 3.2 of the BID.

“**Bid Parameter**” shall have the same meaning as provided in this BID.

“**Bid Validity**” shall have the same meaning as provided in Clause 5.0 of this BID.

“**Chartered Accountant**” shall mean a person practicing in India or a Firm wherein all the partners practicing in India are Chartered Accountant(s) within the meaning of the Chartered Accountants Act, 1949.

“**Swapping Charges**” shall mean charges payable to Developer for successfully delivery of charged battery against discharged battery on payment basis and other charges including payment gate, taxes and lease rental to related equipment and power charges etc.,

“**Comprehensive Maintenance Contract Period or CMC Period**” shall mean a period of 6 (six) years from the Date of Conversion of last Electric Auto. Year shall mean a period of 12 months from DOC.

“**Company**” shall mean a company incorporated under the Companies Act, 1956 or the Companies Act, 2013, as applicable.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

“**Contract Period**” shall mean the period from the Effective Date till Expiry Date, in which the Agreement shall be valid.

“**Conflict of Interest**” A Bidder may be considered to be in Conflict of Interest with one or more Bidders in the same Bid process under this BID, if they have a relationship with each other, directly or indirectly through a common Company.

“**Date of Commissioning (DOC)**” shall mean the date on which the Electric Autos is declared to be operational, provided that DOC shall not be achieved, and Electric Autos shall not be operational until such Electric Autos has satisfied the conditions as per the Agreement.

“**Effective Date**” shall mean the date of execution of Agreement by the Parties to the Agreement.

“**EMD**” Earnest Money Deposit for bid validity.

“**Financial Bid**” shall mean the documents and formats as specified in Clause 5.3 of this BID.

“**Financial Eligibility Criteria**” shall mean provisions of Clause 5.2 (e) of this BID.

“**KW**” shall mean Kilowatts.

“**Letter of Award**” or “**LoA**” shall mean the letter issued by the Authorized Representative to the Successful Bidder for award of the Project. LoA shall provide details including but not limited to Allocated Quantity, price of retrofit kit, cost of batteries per Electric Auto including swappable batteries, swapping infrastructure, software cost etc.

“**ICAT**” shall refer to International Centre for Electric Auto motive Technology.

“**ARAI**”: Auto motive Research Association of India

“**CMVR**”: Central Motor Vehicle Rules

“**CEA**”: Central Electricity Authority

“**Retrofit Kit**”: Conversion kit to convert ICE vehicles into Electric Vehicles and run with batteries

“**DISCOMs**”: Power Distribution Companies

“**APSPDCL**”: Andhra Pradesh Southern Power Distribution Companies

“**Parent Company**” shall mean a Company, which holds more than 50% equity shareholding either directly or indirectly in the Bidder.

“**Performance Guarantee (PG)**” shall mean the Bank Guarantee furnished by the Developer, to assure timely and satisfactory completion of a Project by the Developer as per the provisions of Agreement.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

“Quoted Price” shall mean such firm price quoted by the Bidder under Format VI A of this BID that will be payable for design, supply, installation, commissioning, operation, and maintenance of Electric Autos for a period of 6 years with Electric Retrofit Kits and swappable batteries as per the provisions of this BID and Agreement for project cost per auto, swapping and leasing cost towards battery and retrofit.

“Qualified Bidder” shall mean the Bidder (s) who, after evaluation of their Technical Bid(s) as per Clause 5.1 of the BID meet the Qualification Requirements and hence stand qualified for opening and evaluation of their Financial Bid(s).

“Qualification Requirements” shall mean the Pre-qualification criteria, General Eligibility Criteria, Technical Eligibility Criteria and Financial Eligibility Criteria as specified under Clause 5.1 of this BID.

“Remote Monitoring Unit and IOT device for battery tracking and monitoring” shall mean a GSM/GPRS based control system which can monitor and wirelessly update all the different performance parameters as defined to the NREDCAP in real time as per the time intervals defined by NREDCAP.

“BID/BID Documents” shall mean the BID document issued by Authorized Representative with all attachments vide BID No. **NREDCAP/EV/TPT/Retrofit/17-69/ dated 15th September 2021** for “Selection of Developers for Design, Supply, Installation, Commissioning, Operation and Maintenance for 6 years of Electric Autos with swapping solution in Tirupati Municipal Corporation Limits and sub urbans.

“Swappable Batteries and other spare parts”: As per the route survey and life expectancy of cables, connectors and any other parts as may be required from time to time shall be maintained with swapping stations for immediate delivery and replacement as per service level agreement at swapping stations.

“Scheduled Date of Commissioning (SDOC)” shall mean the date which is 90 (Ninety) days from the date of issue of LOA to the Developer, on which date the Developer is required to commission the Electric Autos in accordance with the provisions of the Agreement.

“Successful Bidder” shall mean the Bidder selected pursuant to this BID to design, supply, install, commission, operate and maintain for 6 years the Electric Autos as per the provisions of this BID.

“Electric Autos /Project” shall mean that to identify passenger Autos for conversion from ICE Autos into Electric Autos by Design, Supply, Installation, Commissioning and Maintenance of Electric Retrofit Kits with Swappable Batteries and to operate swapping stations with suitable software and payment gateway for swapping and leasing charges in Tirupati Municipal Corporation Limits and sub-urbans for a Period of 6 years on Turnkey basis with financial participation

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

“**Technical Bid**” shall mean the documents and formats as specified in Clause 5.2(d) of the BID to meet the Technical Eligibility Criteria.

“**Technical Eligibility Criteria**” shall mean provisions of Clause 5.2 (d) of this BID.

“**Agreement**” shall mean the Agreement signed among the Successful Bidder, New & Renewable Energy Development Corporation of Andhra Pradesh Limited (NREDCAP)

“**Ultimate Parent Company**” shall mean a Company, which owns more than fifty percent (50%) equity shareholding either directly or indirectly in the Parent Company.

“**Validity of LoA**” shall be valid for a period of 6 months from date of issue of LoA. Any allocation of Electric Autos beyond this period is subject to prior approval from Authorized Representative.

3 Bid information and instructions to Bidders

3.1. Obtaining BID document & Bid Processing Fees

- a) All those interested in the BID can download the BID from the website <https://tender.apecurement.gov.in>. All information related to submission of response to this BID and the Bid shall be available at the aforementioned website.
- b) Prospective Bidders interested in participating in the Bid process are required to submit their Bids in response to this BID document along with a non-refundable Bid Processing Fee of Rs. 10,000/- plus 18% GST.
- c) Bidders shall provide the above non-refundable Bid Processing Fee in the form of DD payable in favor of “NREDCAP” payable at Tadepalli, Guntur district. Any Bidder will be eligible to participate in the Bid process only upon submission of Bid Processing Fee at the following address of the Authorized Representative as per the timelines specified in **Clause 3.2** of the BID.
- d) Notwithstanding anything to the contrary contained in this BID, the Authorized Representative shall open the Technical Bid of the Bidder, only upon receipt of the above non-refundable Bid Processing Fee, along with the Covering Letter as per **Format -I** within the timelines mentioned in **Clause 3.2** of the BID. Bidders shall upload scanned copies of the original EMD and the DD towards Bid Processing Fee on the eProcurement platform under the PQ Check.

3.2. Timelines for Bid process

The Bidders shall submit their Bids based on the conditions specified in this BID document. The last date for submission of Bids i.e., Bid Deadline is given in the table below. No Bid shall be accepted beyond the Bid Deadline.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Table 1: Timelines of bid process

S. No.	Event	Schedule
1	Date of issue of BID Documents	16.09.2021 19:00 Hours
2	Bid Document Download Start Date	16.09.2021 19: 00 Hours
3	Deadline for submission of queries (NREDCAP will not respond to queries received after the deadline)	22.09.2021 before 17:00 hours Email: gmtech@nredcap.in ; ev@nredcap.in
4	Pre-bid meeting (Venue and time shall be intimated through NREDCAP website. Bidders shall keep a close watch on the website for any updates pertaining to this tender)	23.09.2021 at 15:00 Hours
5	Bid document download end date	30.09.2021 before 11:00 Hours
6	Bid Deadline i.e. Last Date and Time for uploading Bid on the e-procurement website	30.09.2021 before 15: 00 Hours
7	Prequalification check	30.09.2021 at 17:00 Hours
8	Deadline for submission of hard copies of Bid	01.10.2021 before 15:00 Hours
9	Reverse E-Auction start date & time	Will be intimated to the pre-qualified qualified bidders in advance by notifying in the website.
10	Procedure for Bid submission	The Bidder shall submit his response through Bid submission to the tender on e-Procurement platform https://tender.apecurement.gov.in by following the procedure. The Bidder would be required to register on the e-procurement market Place https://tender.apecurement.gov.in and submit their Bids online. Offline Bids shall not be entertained by the Tender Inviting Authority for the tenders published in e-Procurement platform.
11	Bid Processing Fee	Non-refundable fee of INR 25,000 plus 18% GST for bidding in form of demand draft in favor of NREDCAP payable at Tadepalli, Guntur district. The copy of DD shall be uploaded, and the original DD shall be furnished along with Hard copy. Bid processing fee is payable by all Bidders submitting Bid in response to this BID.
12	EMD in the form of DD/ Online Transfer or BG	Rs. 5,00,000/- (Rupees Five Lakhs Only)
13	Transaction Fee through online portal https://tender.apecurement.gov.in towards e-procurement fund to be administered by APTS limited	Rs. 10,000 + GST 18%
14	Security Deposit to be submitted by successful bidder by way of DD/BG	Rs. 40,00,000/- (Rupees Forty Lakhs Only) in six parts as per the below mentioned timelines: 1. Rs.5,00,000/- for a period of 1 year 2. Rs.7,00,000/- for a period of 2 years 3. Rs.7,00,000/- for a period of 3 years 4. Rs.7,00,000 /-for a period of 4 years

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

		5. Rs.7,00,000/- for a period of 5 years 6. Rs.7,00,000/- for a period of 6 years
15	Issue of LoA to Successful Bidders	Within 30 days from date of opening of Financial Bids.
16	Validity of LoA	3 Months from issue of LoA.
17	Signing of Agreement	Within 10 days from date of Issue of LoA to Successful Bidders in accordance with this BID
18	Other information	Bidders shall contact Vupadhi Techno Services for all queries related to Bid submission on the eProcurement platform Contact Details: HELP DESK of Vupadhi Techno Services, M/s Vupadhi Techno Services, 1st Floor, Ramky Grandiose, Sy. No: 136/2&4, Gachibowli, Hyderabad. Telephone No: 040-39999700/01 Helpdesk support at Vijayawada: 07337318402/403

NREDCAP reserves the right to change the above Bid process timelines. However, the Authorized Representative shall notify prospective Bidders through email/ notification on website (www.nredcap.in) eProcurement platform regarding changes to the above timelines.

4. Information pertaining to Bid submission via eProcurement platform

Please visit <https://tender.apecurement.gov.in> for details regarding online submission of the BID.

Bidders are required to procure a Digital Signature Certificate (DSC) from any Certifying Authorities (CA) in India from the list mentioned in the below URL:

<https://tender.apecurement.gov.in/DigitalCertificate/signature.html>

The DSC is mandatory for participation in eProcurement process. The Bids can be submitted only upon logging-in with the DSC in the eProcurement portal. The Bidder would be required to register on the eProcurement marketplace www.apecurement.gov.in or <https://tender.apecurement.gov.in> and submit their Bids online. Offline Bids shall not be entertained for the tenders published in the eProcurement platform.

The Bidders shall submit their eligibility and qualification details, technical bid, financial bid etc., in the standard formats displayed in eProcurement web site. The Bidders shall upload the scanned copies of all the relevant certificates, documents etc., in support of their eligibility criteria/Technical Bids and other certificate/documents in the eProcurement web site. The Bidder shall sign on the statements, documents, certificates, uploaded by him, owning responsibility for their correctness/authenticity.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

5. Project Scope

New and Renewable Energy Development Corporation of A.P. Ltd. (NREDCAP) intend to select Developer for Design, Supply, Installation, Commissioning and Maintenance of Electric Retrofit Kits for conversion of ICE engine Autos into Electric Autos with Swappable Batteries and to operate swapping stations with suitable software and payment gateway and operate in Tirupati Municipal Corporation Limits and sub urbans for a Period 6 years on Turnkey basis with financial participation. The successful bidder shall procure the required motors, batteries, controllers, chargers as per the guidelines of Government of India and submit the proforma as per the Annexure –IX and Annexure- X.

- a) The bidder may extensively demonstrate the Electric Autos in all Auto stands of Tirupati Municipal Corporation limits and identify 200 numbers of IC Engine Autos for conversion with a focus on diesel Auto/CNG of below 10 years old of Bajaj RE model.
- b) The bidder can collect the photocopy of registration certificate of selected auto, Aadhaar card of IC Engine Auto driver, latest fitness certificate from transport department etc. and any other documents required for conversion to ICE engine Autos to E- Electric Autos as required under Transport Department Rules/Act.
- c) An agreement shall be entered with Auto owner for conversion of ICE Auto into Electric Auto and to avail the swapping of batteries and leasing of Electric Retrofit Kits over a period of 6 years duly paying the swapping charges and leasing charges as discovered through the bid.
- d) The bidder shall give preference to the Autos belongs to the SC & ST category beneficiaries and collect non-refundable down payment of Rs.10,000/- from the Auto drivers along with certificates and agreement. The amount of Rs.10,000/- apart from NREDCAP investment of 75,000/- per conversion of Bajaj RE ICE auto into Electric auto
- e) Detailed route study may be taken up for establishing of swapping stations to suit the requirements of selected Electric Auto drivers. The swapping stations shall be installed as per IEC standards/AIS etc.
- f) The Successful bidders shall also enter Service Level Agreement with the Auto drivers for supply of charged batteries, immediate relief to the repairs and spares if any over a period of 6 years.
- g) The successful bidder impart training to the selected Auto drivers about procedure for swapping the battery, driving of Electric Autos, operation and maintenance of Electric Autos and create awareness about benefits of Electric Autos.
- h) Bidder shall ensure safety and security of batteries with suitable BMS, cooling as per IEC/AIS standards while running of auto and in swapping stations and also any E- waste generated during the term of the operation period same shall be disposed as per the guidelines of Government of India from time to time
- i) Provide swappable batteries on time without any delay by arranging sufficient number of swapping stations and batteries.
- j) Impart training to Drivers and NREDCAP field staff on operation of mobile app to operate swapping machines and remittances of payments through gateway towards swapping and leasing charges.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

- k) The range per swap shall not be lower than 100 KMs in entire operational period of 6 years.
- l) The Electric Autos and swapping stations shall be insured for a period of 6 years
- m) NREDCAP will invest an amount of Rs.75,000/- for conversion per auto in addition to Rs.10,000/- of auto driver down payment. The bidder should invest balance cost towards of retrofit kits, batteries, swapping infrastructure, payment gateway, route survey, software etc. and recover the same through payment gateway.
- n) The successful bidder shall remit the entire amount of NREDCAP investment with interest rate of 5% per annum of over a period of 6 years. The repayment shall be made on daily basis @ minimum Rs.50/- excluding taxes per Electric Auto per day through payment gateway to retrofit account for the period of 6 years. The payment gateway and software shall be arranged pre audit for cyber security and submit necessary certificates.
- o) The bidder will be selected based on the prequalification, technical qualification criteria and lowest project cost, lowest swapping cost and leasing rentals towards Electric Retrofit Kits and the cost per swap + lease cost to Electric Retrofit Kit shall not be more than Rs. 3.40 per KM to the auto driver including power charges and all taxes if any over a period of 6 years.
- p) The bidder shall submit security deposit by way of DD/ Bank Guarantee for total amount of Rs. 40,00,000/- towards security/ performance guarantee for NREDCAP investment in 6 parts @ Rs. 5.00 lakhs for a period of 1 year and @ Rs. 7.00 Lakhs for a period of 2nd Year to 6th year, apart from hypothecation of assets created for the project with relevant details and the bank guarantee will be returned after successful completion of each year's operation and repayment of entire NREDCAP investment @ with 6% PA interest.
- q) The utilization of assets under this project post operational period of 6 years will be decided as per the discretion of VC& Managing Director, NREDCAP and in consultation with all the stakeholders.
- r) Interested bidders fulfilling the eligibility criteria shall submit **three separate sealed tender documents for Pre-qualification Bid, Technical Bid and Commercial Bid in the formats enclosed on or before 15:00 PM on 01.10.2021 including Earnest Money Deposit (EMD) of Rs. 5,00,000/- (Rupees Five Lakhs Only)** in the form of DD/RTGS from any national bank drawn in favor of NREDCAP. Sealed documents shall be superscribed with **“Tender for Design, Supply, Installation, Commissioning and Maintenance of Electric Retrofit Kits for 3 Wheeler ICE Passenger Autos with Swappable Batteries and to operate swapping stations with suitable software in Tirupati Municipal Corporation Limits and its sub-urbans”** submitted to New and Renewable Energy Development Corporation of A.P Ltd (NREDCAP), 12-464/5/1, River Oaks Apartments, CSR Kalyana Mandapam Road, Tadepalli, Guntur District- 522 501.

Bid Validity period and Extension of Proposal Validity period

The Bidder shall submit its Bid in response to Bid document which shall remain valid up to ninety (90) days from the Bid Deadline (“Bid Validity”). Authorized Representative reserves the right to reject Bid which does not meet the validity requirement.

In exceptional circumstances, prior to expiry of the original Proposal Validity Period, NREDCAP may request the Bidders to extend the period of validity for a specified additional period. The request and the Bidders' responses shall be made in writing. NREDCAP reserves the right to reject the Proposal submitted by any Bidder who fails to extend the period of validity of its Proposal in line with the provisions of this clause.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

The Bid Validity Period of the Successful Bidder shall be automatically extended till the date on which the Agreement is signed and is in force.

5.1. Qualification Requirements

Evaluation of Bids will be based on meeting the Prequalification (PQ) check, Eligibility Criteria comprising of General Eligibility Criteria, Technical Eligibility Criteria and Financial Eligibility Criteria. Any Bidder who meets the Qualification Requirements stated herein shall be declared as “Qualified Bidder” for the purpose of evaluation under this BID.

5.2. Eligibility Criteria

a) Prequalification Check (Mandatory for all the Bidders)

- i. Covering Letter corresponding to Prequalification Bid as per Format I of this BID.
- ii. Legible scanned copies of EMD and Bid Processing Fee shall be uploaded in accordance with this BID and as per timelines specified in the BID.

Following are the eligibility criteria comprising of Technical Eligibility Criteria and Financial Eligibility Criteria.

b) General Criteria

- i. Any Bidder including its Associate Company /Parent Company/ Ultimate Parent Company cannot submit more than one Bid under this BID.’
- ii. Bidder can use the technical strength of its Associate Company /Parent Company/ Ultimate Parent Company to fulfill the Technical Eligibility criteria mentioned. In such case, Bidders shall submit a certificate of relationship of Associate Company/Parent Company/ Ultimate Parent Company with the Bidding Company as per Format. Company Secretary Certificate towards such shareholding pattern along with a Board resolution shall be submitted.
- iii. Foreign companies are not eligible to participate in this Bid process.
- iv. Bidders in Conflict of Interest with one another shall be liable for disqualification/rejection under the sole discretion of the Authorized Representative. Bidder shall make relevant disclosures.
- v. The bidder should have minimum Net Worth of Rs. 1 Cr. The bidder shall have the prescribed Net Worth for the year 2020-21 (or) the bidder shall submit the latest Solvency Certificate of the credit facilities from the bankers for a minimum amount of Rs. 2 crores. The computation of **Net Worth** shall be based on unconsolidated audited annual accounts of the company. The company would be required to submit annual audited accounts for the financial year 2019-20 along with a certificate from the Chartered Accountant to demonstrate the fulfillment of the criteria.

Net Worth	:	Paid share capital
Add	:	Reserves
Subtract	:	Revaluation Reserves
Subtract	:	Intangible Assets
Subtract	:	Miscellaneous Expenditures to the extent not

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Written off and carry forward losses.

The Bidder should be a Public limited company or Private limited company or Consortium. The company /companies should be registered in India. The term 'Bidder' used hereinafter would therefore apply to both a single Bidder and/ or the Consortium.

The Bid submitted by a Consortium should comply with the following additional requirements failing which shall result in disqualification.

- Number of members in a Consortium should be limited to three (3).
- The Bid should contain the information required for each member of the Consortium
- Each Consortium must nominate a lead member/prime bidder of the Consortium and must submit the Power of Attorney by all members of the Consortium in favour of the lead member/prime bidder.
- Any Company applying as a sole Bidder cannot at the same time be member of any Consortium applying for this Project. Further, a member of a particular Consortium cannot be member of any other Consortium applying for this Project. Any Bidder who submits or participates in more than one Bid for this Project will be disqualified and will also lead to disqualification of the Consortium of which it is a member.
- Members of the Consortium shall enter into a Memorandum of Understanding (MoU) specific to this Project which shall be submitted with the Tender document. The MoU shall, inter alia:
 - Convey the intent to form a Consortium, with commitments in accordance with the Tender Document, which would enter into the Project Agreement and subsequently carryout all the responsibilities as Implementing Agency in terms of the Project Agreement, in case the Project is awarded to the Consortium.
 - Clearly outline the proposed roles and responsibilities of each member at each stage.

The members of the Consortium shall be jointly liable for the execution of the Project in accordance with the terms of the tender document; however, NREDCAP will interact with lead member who shall own all liability and responsibility on behalf of consortium.

The Consortium as a whole must be a sound entity both technically and financially.

The change in composition of the Consortium (i.e. Insertion or deletion of new/existing members) will not be allowed after the submission of the Bid.

c. MEMORANDUM OF UNDERSTANDING OF CONSORTIUM PARTNERS:

Members of the Consortium shall submit a Memorandum of Understanding (MoU) for the purpose of submitting the Proposal. The Memorandum of Understanding (MoU) shall be furnished on a non-judicial stamp paper of Rs. 100/-, duly attested by notary public.

The MoU shall, inter alia:

Convey the intent to form a Special Purpose Vehicle with shareholding commitment(s) explicitly stated.

The MoU shall communicate the willingness of the Consortium to subsequently carry out all

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

the responsibilities as in terms of the Agreement, in case the Project is awarded to the Consortium.

Clearly outline the proposed roles and responsibilities of each member at each stage.

Clearly state those members of the Consortium shall be liable jointly for the execution of the Project in accordance with the terms of the Agreement and a statement to this effect shall be included in the MoU.

Should be accompanied by the Board Resolutions (in case of corporate members) and/or undertakings (in case of individual members) of the Consortium, giving authority/undertaking to enter into an MoU with other members for undertaking the Project and, if successful, to participate and undertake the Project and in case of corporate members nominating and authorizing an authorized representative of the member to sign and enter into the MoU and execute Power of Attorneys for the Project.

Should be accompanied by a certified true copy of the Memorandum and Articles of Association (in case of corporate members) and registration number/PAN/TAN/GST.

A copy of the MoU duly notarized, should be submitted along with the Proposal. The MoU entered into among the members of the Consortium should be specific to this Project and should contain the above requirements failing which; the Application shall be rejected as non-responsive. The MoU should be governed by the laws, rules and regulations of India and should be subject to jurisdiction of Indian Courts only.

The Proposal shall be signed by the duly authorized signatory of the Lead Member and shall be legally binding on all the members of the Consortium.

All witnesses and sureties shall be persons of status and probity and their full names, addresses and telephone numbers/mobile numbers shall be stated below their signature.

d. Technical Eligibility Criteria

- i. Minimum number of conversion of ICE autos into Electric Autos that have been installed & commissioned by Bidder in India of capacity equal to or above 10 numbers of Electric Autos during last 3 financial years, upto 7 days prior to the Bid Deadline.
- ii. Retrofit Kit Model Type Approved certificate from ICAT/ ARAI or any other designated labs under CMVR and relevant certificate shall be submitted along with bid.
- iii. Approvals from the designated labs to Swappable Batteries like Lithium Ion Ferro phosphate/ NMC Lithium Ion Battery/or any other Lithium Family Energy Storage Batteries for 3- Wheeler Autos and relevant certificate shall be submitted along with bid.
- iv. Swapping Infrastructure shall be as per the standards of AIS 156 or ICE Standards 62840.

e. Financial Eligibility Criteria for Open Category

- i. Cumulative Turnover during last 3 years, FY 2018-19, FY 2019-20, FY 2020-21 shall be at least INR 25 Lakhs in the field of Energy Storage/ Electric Vehicles Manufacturing/ EV Charging/Battery Swapping Infrastructure or any other related activities to EV Segment.
- ii. Certified copies of audited financial statements along with a certificate from Chartered Accountant/Statutory Auditor, as applicable, confirming the Cumulative Turnover. Provisional financial statements certified by chartered accountant shall be furnished. For

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Bidding Firms, copies of Income Tax returns with full details of turnover should be furnished along with a certificate from the CA confirming the Cumulative Annual Turnover.

5.3 Financial Bid

- a) Bidders shall quote lump sum price for the Electric Retrofit Kits along with batteries swapping infrastructure, BMS, Payment gateway any other items related. Such lumpsum price inclusive of Taxes and Duties shall be the Quoted Price and the Total Cost per Electric auto shall be the Bid Parameter as mentioned in Format VI (A) and cost per batteries swap 6kW and more per auto which includes lease rentals to the electric retrofit kit per KM which includes related taxes and other expenses like power cost, software maintenance, payment gateway, etc.,
- b) The Supplier shall also provide detailed break-up of the Quoted Price in accordance with provisions of Format VI (B) of the Financial Bid.
- c) Total Cost per conversion of IC Engine Auto into Electric Auto, applicable Taxes and Duties and Quoted Price submitted in Format VI (A) and VI (B) should match. In the event of any mismatch, the Bid shall be rejected.

5.4. E-Auction (Reverse Tendering)

- a) After identifying the eligible agencies/bidders will be eligible to participate in e-auction process in terms of guidelines issued vide G.O. Ms. No.67 (WR)(Reforms) Dt:16.08.2019.
- b) All bidders shall furnish the original hard copies of the DD for EMD within the stipulated time. Failing which their Initial Price Offer shall not be opened and they will not be taken forward into the reverse auction.
- c) To conduct the reverse tender process at least two bidders would be required.
- d) Names of the bidders /Vendors shall be anonymously masked in the Reverse Tendering process and vendors will be given suitable dummy names.
- e) After identification of the L-1 Initial Price Offer, eligible (those who have submitted original hard copies of the BG for EMD within the stipulated time) bidders shall be transferred to the Reverse Auction Platform.
- f) The L-1 price offer (Initial) shall be maximum allowable Bid Price for the reverse tendering process.
- g) Only one round of reverse tendering shall be carried out in which bidders can revise their bids multiple times within the time limits specified.
- h) At the start of the Reverse Tendering process the Maximum Allowable Bid Price will be set and bidders shall submit their bids in an online platform.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

- i) The initial period of the Reverse Tendering process will start after 3 hours, following which there will be auto extensions of time by 15 minutes in case of any reduction in bids recorded in the prior 15 minutes.
- j) Only the current L-1 Bid shall be visible to all bidders who may revise their bids until the end of the process.
- k) Decrements made in each subsequent bid shall not be less than 0.5% of the ECV uploaded.
- l) The L-1 bid may be determined following a period of inactivity of more than 15 minutes of reverse bidding after the initial 3-hour period after closure of the main bidding.
- m) Following the determined following a period of the L-1 bid, the L-1 Bidder's supporting tendering process shall be on hold for a maximum period of 24 hours (1 day) while the L-1 bidder's supporting documents are verified.
- n) Not with standing anything explained above, the condition explained in G.O.Ms.No.67 Water Resources (Reforms) Dept, Dated: 16.08.2019 will hold good.

5.5. CONCLUSION OF REVERSE TENDERING PROCESS:

- a) After conclusion of the reverse auction process, the pre-qualification criteria of all bidders shall be verified for the successful bidder. In case of successful verification of pre-qualification criteria of the L-1 Bidder, he will be awarded the contract and the EMDs of other successfully verified bidders shall be refunded.
- b) If any variation is noticed between the uploaded documents and the self-declaration submitted by the bidder, the bidder will be suspended from participating in the tenders on e-procurement platform for a period of 3 years. If any of the documents furnished by the bidder are found to be false/fabricated/Bogus, at any time the bidder will be blacklisted and the EMD will be forfeited.

In case of the L1 bidder being disqualified, the Department reserves the right to restart the reverse auction process with the L2 Price of the concluded reverse auction as the start/maximum bid price OR to restart the entire tendering process from the NIT stage. In either case, the date and the time of the subsequent process shall be communicated to the remaining bidders.

5.6 Earnest Money Deposit (EMD) and Performance Guarantees (PG)

- a) **Earnest Model Deposit:** Earnest Money Deposit (EMD) shall be INR 5,00,000 Lakhs. EMD shall be in the form of a DD in favour of "NREDCAP" payable at Tadepalli, Guntur district or a Bank Guarantee with a validity of 180 days according to Format VIII, shall be submitted by the Bidder along with the Bid, failing which the Bid shall be summarily rejected. The copy of the DD or Bank Guarantee shall be uploaded in <https://tender.apecurement.gov.in>

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

and the original DD or Bank Guarantee shall be furnished to NREDCAP before closing date, failing which the bid shall be summarily rejected.

- b) **Performance Guarantee (PG):** Successful Bidders, selected by the NREDCAP shall submit Performance Guarantees as below:

Successful Bidders selected shall be issued LoA and invited to sign Agreement. Agreement by NREDCAP and Developer will be signed only on submission of such required Performance Guarantee.

Performance Guarantee of a value equal to Rs. 40,00,000/- (Forty Lakhs Only) against NREDCAP investment in the form of bank guarantee for conversion of 200 numbers of autos. Validity of the Performance Guarantee shall be as per the below and BG is divided in 6 parts,

Total Amount Rs. 40,00,000/- (Rupees Forty Lakhs Only)

1. Rs.5,00,000/- for a period of 1 year
2. Rs.7,00,000/- for a period of 2 year
3. Rs.7,00,000/- for a period of 3 year
4. Rs.7,00,000 /-for a period of 4 year
5. Rs.7,00,000/- for a period of 5 year
6. Rs.7,00,000/- for a period of 6 year

The effective date till 6 years from date of LOA and successful completion of operational period. The EMD submitted will be returned against the receipt performance guarantee Bank Guarantee (Rs. 40,00,000/-).

- c) Liquidated Damages shall be payable by Developer equivalent to 1% of value of allocated E-Electric Autos not commissioned corresponding to each week subject to maximum of 4 weeks of delay.
- d) In case, the Electric Autos are not commissioned even after 4 weeks from the scheduled date or extended date, the bank guarantee will be revoked.
- e) The format of the Bank Guarantee prescribed in the BID shall be strictly adhered to and any deviation from the above formats may result in rejection of the Bid. The bidder shall submit EMD for Rs. 5,00,000/- in the form of bank guarantee or demand draft/RTGS/NEFT
- f) The Bidders declared as successful bidder based on this BID are required to execute Agreement with NREDCAP within Thirty (30) days of the issue of LoA. If the Successful Bidders fail to execute the Agreement and/or fail to furnish the required Performance Guarantee within the stipulated period, then the amount submitted towards EMD shall be

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

forfeited by Authorized Representative.

- g) The Bank Guarantees shall be executed on non-judicial stamp paper of appropriate value as per Stamp Act relevant to the place of execution. The Bank Guarantees have to be in the name of the Bidding Company/Bidding Firm.
- h) All expenditure towards execution of Bank Guarantees such as stamp duty etc. shall be borne by the Bidders.
- i) NREDCAP shall release the EMD of the unsuccessful Bidders within ten (10) days of issuing Letter of Award (LoA) to the Successful Bidders.

5.7 Payment Terms

- a) The developer shall submit the invoice in the name of VC& Managing Director along with the following documents.
 - i. Details of name and address of Electric Auto owner and copy of Aadhar details with vehicle registration numbers.
 - ii. Fitness certificate of Auto which is converted into Electric Auto
 - iii. Software and payment gateway details with cyber security audit.
 - iv. Details of rental agreements with landowner for swapping station
- b) Upon successful establishment of swapping stations to Electric Autos and commissioning of E- Electric Autos with retrofit kits, together with payment gateway software integration with ESCROW/ NREDCAP retrofit bank account, 70 % value of NREDCAP investment of Rs.75,000/- be released. Balance 30% will be released after completion of 30 days of successful running of Electric Autos with swapping facility. The amount will be released duly deducting applicable taxes and NREDCAP service charges @ 3.54 % including GST.
- c) The Developer shall be responsible for submitting invoice to the NREDCAP office by Registered Post or by hand.
- d) Authorized Signatory of the Bidder:
 - i. In case of a Bid submitted by Bidding Company, the Bidding Company should designate one person to represent the Bidding Company in its dealings with the NREDCAP. The person should be authorized to perform all tasks including, but not limited to providing information, responding to queries, signing of Bid. Power of Attorney in accordance with **Format III** of the BID shall be issued in favor of such person and such person shall be the Authorized Signatory of the Bidder for the purpose of this Bid process. The Bidding Company should submit, along with the

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

bid, a Board Resolution, authorizing the signatory of the bid.

- ii. Board Resolution duly certified by the Company Secretary or the Director of the relevant Bidder

5.8 Clarifications/Pre-Bid meeting/ Enquires/ Amendments

Clarifications / Doubts, if any, on BID document shall be e-mailed to gmtech@nredcap.in (or) ev@nredcap.in. Bidders are requested to remain updated with the website www.nredcap.in. If necessary, amendments shall be issued by Authorized Representative which will be notified in the eProcurement website/NREDCAP official website www.nredcap.in. No separate reply/intimation will be given for the above, elsewhere.

5.9. Fraudulent and Corrupt Practices

- a) The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bid process and subsequent to the issue of the LoA. Notwithstanding anything to the contrary contained herein, or in the LoA, the Authorized Representative shall reject a Bid, withdraw the LoA, as the case may be, without being liable in any manner whatsoever to the Bidder, if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bid process. In such an event, the Authorized Representative shall forfeit the EMD, without prejudice to any other right or remedy that may be available to the Authorized Representative hereunder or otherwise.
- b) Without prejudice to the rights of the Authorized Representative and the rights and remedies which the Authorized Representative may have under the LoA, if a Bidder is found by the Authorized Representative to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bid process, or after the issue of the LoA or after signing of Agreement, such Bidder shall be blacklisted and shall not be eligible to participate in any tender or BID issued by the Authorized Representative, during a period of three (3) years from the date such Bidder is found by the Authorized Representative to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practices, as the case may be.
- c) The following terms shall have the meaning hereinafter respectively assigned to them:
 - i. “**Corrupt Practice**” means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bid process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Authorized Representative who is or has been associated or dealt in any manner, directly or indirectly with the Bid process or the LoA or has dealt with matters concerning the Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Authorized Representative, shall be deemed to constitute influencing the actions of a person connected with the Bid Process); or (ii) engaging in any manner whatsoever, whether during the Bid Process or after the issue of the LoA or after signing of the Agreement, as the case may be, any person in respect of any matter relating to the project or the LoA or the Agreement, who at any time has been or is a legal, financial or technical adviser of the Authorized Representative in relation to any matter concerning the Project;

- ii. **“Fraudulent Practice”** means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bid process.
- iii. **“Coercive Practice”** means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any persons participation or action in the Bid process.
- iv. **“Undesirable Practice”** means (i) establishing contact with any person connected with or employed or engaged by the Authorized Representative with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bid process; or (ii) having a Conflict of Interest; and
- v. **“Restrictive Practice”** means forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and fair competition in the Bid process.

5.10. Other Provisions

Power to Remove Difficulties

If any difficulty arises in giving effect to any provision of the BID guidelines or interpretation of the BID guidelines or there is a requirement to modify the BID guidelines for better implementation, the matter may be considered by the Authorized Representative for this purpose and its decision will be final.

5.11. Indemnity

NREDCAP will indemnify by the developer to defend and hold harmless each other and its divisions, successors, subsidiaries and affiliates, the assigned of each and their directors, officers, agents and employees from and against all liabilities, claims, losses, and damages of any nature, including, without limitation, all expenses (including attorney’s fees), cost, and judgments incident there to NREDCAP and NREDCAP obligations under this indemnity will survive the expiration, termination, completion or cancellation of this Contract or an order hereunder.

5.12. Test

The successful bidder(s) need to get the samples for the first lot to be type-tested under

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

NREDCAP supervision at an ARAI/ ICAT/ NABL accredited Third Party Laboratory. The samples for such tests would be identified by NREDCAP and cost of the sample and shipping and field test shall be arranged by the bidder and the necessary testing cost will be met by NREDCAP

NREDCAP shall conduct additional type tests at ARAI/ICAT- accredited laboratory to maintain check on the supplied product. The random sample for such tests would be identified by Authority and can be from the manufacturing/supply chain/ customer facility or at field level installation etc. The fees and cost will be borne by NREDCAP and successful bidder shall attend.

Documentation along with supply of Retrofit Kit:

The bidder(s) shall provide the following documents (both hard copy and soft copy) to NREDCAP for reference:

- a) Manual / Guide: User Manuals, FAQ, OEM Functional Manuals and Installation Guides, Business Process Guides and Troubleshooting Guides
- b) Certificates: Equipment Warranty, Insurance, tests.

Other than the certificates, the above-mentioned documents shall be provided in the word format to provide flexibility for customization, if required.

6. Formats

Formats for Bid Submission

The following formats are required to be submitted as part of the BID. These formats are designed to demonstrate the Bidder's compliance with the Qualification Requirements set forth and other submission requirements specified in the BID.

- i. Format for prequalification check (Format I)
- ii. Format of Covering Letter (Format II)
- iii. Format for Power of Attorney to be provided by Bidding Company in favor of Authorized signatory (Format III)
- iv. Format for Technical Eligibility Criteria (Format IV)
- v. Format for Financial Eligibility Criteria (Format V)
- vi. Formats for submission of Financial Bid (Formats VI A& B)
- vii. Format for submission of project cost breakup (Format VII)

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

- viii. Format for Bank Guarantee (Format VIII)

- ix. Declaration regarding “Restrictions on procurement from a Bidder of a country which shares a landborder with India” (Format- IX)

- x. CERTIFICATE REGARDING DECLARATION OF LOCAL CONTENT (Format- X)

The Bidder may use additional sheets to submit the information for detailed response.

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

Format- V: Format for Financial Eligibility Criteria

To,

**The VC & Managing Director,
NREDCAP,12-464/5/1, River Oaks Apartments,
CSR Kalyana Mandapam Road,
Tadepalli-522 501, Guntur District**

Dear Sir,

Sub: Response to BID No. _____ for selection of Developer for installation and commissioning of Number of IC Engine Autos converted with Electric Retrofit Kits with swappable batteries or Electric Vehicles Manufacturing / capacity of the lithium ion batteries/ swapping infrastructure, etc., manufactured in the state of Andhra Pradesh.

I/We hereby submit the following documents to meet the Technical Eligibility Criteria as per the provisions of the BID.

I/We hereby undertake to certify that we have an cumulative annual turnover of Rs. ___Cr.

Sl. No.	Financial year	Turnover (INR Lakhs)
1	FY 2018-19	
2	FY 2019-20	
3	FY 2020-21	
	Cummulative Annual Turnover	

NOTE:

- i. Attach certificate from the Chartered Accountant/Statutory Auditor alongwith audited financial statements (Balance Sheet, Profit & Loss Account, Schedules and cash flow statement). Provisional financial statements certified by chartered accountant.
- ii. The documents submitted without certification by the Chartered Accountant shall not be considered.

Annexure - A: Technical Specifications of Electric Retrofit Kit as per CMVR

Specifications of Electric Retrofit Kits for 3 – Wheeler Bajaj RE Autos

Motor Type	: 3phase AC Induction Motor / BLDC/PMS
MotorCapacity	: 3kW and above
Controller Type	: Closed loop/Sine Wave Vector ControlledController with suitable voltage
Converter Capacity	: 160 Ampere peak
Maximum Speed	: 45 Kmph
Grade ability	: 14%
Gear Box	: New
Kerb Weight	: 375 Kgs and above
Vehicle Category	: L5 M, 3-Wheeler 3+1 Passenger Auto Bajaj RE
Certification	: ARAI/ICAT or any other designated labs under CMVR
Instrument Cluster	: Fully digital, 5.4” LCD screen or higher
Range Indication	: Yes
Location Tracking	: Yes
Battery Indication	: SOC %, Temperature and Voltage

Annexure - B: Standards and Specifications of Battery

Standards, Specification, and safety as per AIS/IEC/ BIS of Battery Lithium Ion / Lithium Ferrous Phosphate/ NMC Lithium or any other advanced chemical batteries from /ARAI/ICAT or any other approved labs under CMVR Rules

Nominal Voltage:	50.4 and above
Energy:	1.6 kWh and above x 4 batteries or suitable to run 100 KMs per swap with (1 Driver +3Passengers)
Battery Weight:	> 12kg (each battery 12 Kgs and above)
Battery Enclosure Dimension:	347x242x115 (LxWxH in mm) or suitable to fit for Bajaj RE Auto
Charge cut-off voltage:	42.0V
Discharge cut-off voltage:	58.4V
Continuous discharge current:	40A
Peak discharge current:	60A
Battery Protections:	Overcharge cut-off, over discharge cut-off, short circuit, over-temperature cut-off, cell imbalance cut-off.
Communications:	CAN
Usable Capacity:	More than 80%

Annexure - C: Standards and Specifications of Swapping Stations

Standards Specifications and safety of Swapping Stations shall meet guidelines of the Ministry of Power (MoP), (Central Electricity Authority) CEA, Power Distribution Companies (DISCOMs) and AIS 156 and 138 under CMVR or IEC preference will be given for unmanned operations with convenience to the auto drivers

Specifications:

Input Power:	230V AC, 50Hz, 3 ϕ +N+PE
Peak Consumption:	18 kW and above
Max. Output Power:	1kW
Max. Output Current:	17A
No. of Outputs:	16 and above
Output voltage:	58 VDC
Temperature Control:	Air Conditioned
Class:	Class 1
Swapping Station Type:	Fully automated (unmanned)
Payment System:	Fully automatic – supports UPI (GPay/ PhonePe), Paytm, etc with cyber security audit.
Docking System:	Automatic docking (hot swap), no manual connectors
Human Machine Interface:	10” LCD Capacitive Touch Screen and above
Security Systems:	Three Layer Security, via encryption and Bluetooth 5.0
Over current shut-off circuit:	Protection circuit with MCCB & RCCB
Connectivity:	Cloud connected

IOT Device for tracking and monitoring

This device is used to tracking and online health monitoring of lithium battery based on the GSM/GPRS network and GPS satellite positioning system, which set multiple function of security, positioning, monitoring surveillance, service traceability, emergency alarms and tracking in its entirety. This real-time battery tracking and health monitoring with anti-theft system of battery gives you battery data, location updates, online battery ON/OFF and detailed reports. It is an invaluable tool

BID for Electric Retrofit Kit of 3-Wheeler Vehicles and Operate Swapping Stations

for monitoring and tracking a lithium battery.

Customer can compel the battery to cut off the output supply in battery theft condition using ON/OFF button on web portal.

Report's location in real time through different interfaces Instant alert for battery under-voltage protection, discharging over current protection, power off, charging over current protection with following features,

- a) Remote battery cut-off (output voltage)
- b) Battery data monitoring by: APP, Web
- c) Web portal to manage multiple batteries
- d) Time and date scalable tracking
- e) Live geofencing
- f) UART and RS485 communication compatibility or any other suitable communication.
