**I. DISCLAIMER**

- a) The BID document is not transferable.
- b) This BID is issued by New & Renewable Energy Development Corporation of AP Ltd (NREDCAP).
- c) The Bid document is not a prospectus or offer on invitation to the public in relation to the sale of shares, debentures, or securities, nor shall this Bid document or any part of it form the basis of or be relied upon in any way in connection with, any contract relating to any shares, debentures or securities.
- d) In considering a response to this Request for Proposal (BID), each recipient should make its own independent assessment and seek its own professional, technical, financial and legal advice.
- e) Whilst the information in this BID document has been prepared in good faith, it is not and does not purport to be comprehensive or to have been independently verified. Neither NREDCAP nor any of their officers or employees, nor any of their advisers nor consultants, accept any liability or responsibility for the accuracy, reasonableness or completeness of, or for any errors, omissions or misstatements, negligent or otherwise, relating to the proposed Project, or makes any representation or warranty, express or implied, with respect to the information contained in this document or on which this document is based or with respect to any written or oral information made or to be made available to any of the recipients or their professional advisers and, so far as permitted by law and except in the case of fraudulent misrepresentation by the party concerned, and liability therefore is hereby expressly disclaimed.
- f) The information contained in this document is selective and is subject to updating, expansion, revision and amendment issued before due date. It does not, and does not purport to, contain all the information that a recipient may require. Neither NREDCAP nor any of their officers, employees nor any of its advisors nor consultants undertakes to provide any recipient with access to any additional information or to update the information in this document or to correct any inaccuracies therein which may become apparent. Each recipient must conduct its own analysis of the information contained in this document or to correct any inaccuracies therein that may be contained in this document and is advised to carry out its own investigation in relation to the Project(s)/Tender, the legislative and regulatory regime which applies thereto and by and all matters pertinent to the proposed Project/Tender and to seek its own professional advice on the legal, financial, regulatory and taxation consequences of entering into any agreement or arrangement relating to the proposed Project/Tender.

## **BID for supply of 136 Numbers of Electric Garbage Collection Autos to Tirupati District.**

- g) This BID document, if includes certain statements, estimates, projections, designs, targets and forecasts with respect to the Project, such statements, estimates, projections, targets and forecasts, designs reflect various assumptions made by the management, officers and employees of NREDCAP, which assumptions (and the base information on which they are made) may or may not prove to be correct. No representation or warranty is given as to the reasonableness of forecasts or the assumptions on which they may be based and nothing in this document is, or should be relied on as a promise, representation or warranty.
- h) NREDCAP reserves the right to modify, amend or supplement or cancel this BID document, without any prior notice or without assigning any reason.

### **1 Introduction and Background**

#### **1.1. Introduction**

The Electric Autos which are run by battery and motor is called Electric Autos. One of the main reasons why local administrations choose electric vehicles for waste collection is the fact that they do not pollute. With a view to reducing pollution to improve the quality of life.

#### **1.2. Background**

India is at the cusp of an e-mobility revolution. The Government of India is moving towards accelerated adoption of Electric Vehicles (EVs) by 2030 to cut down its carbon emissions. NREDCAP is the State Nodal Agency for implementation of all Renewable Energy Programs as well Electric Mobility in the State of Andhra Pradesh. Under E- mobility, NREDCAP is promoting various activities to promote adoption of E- Vehicles to conserve the petroleum products and to minimize the vehicular pollution. As per the E-Mobility policy of the Govt. of A.P. vide G.O.MS. No.74, dated 08.06.2018 of Industries and Commerce (P&I) Department targeted to phase out all fossil fuel based commercial fleets and logistics vehicles in top 4 cities by 2024 and all cities by 2030.

## **BID for supply of 136 Numbers of Electric Garbage Collection Autos to Tirupati District.**

**documents on or before 04.07.2022.** Sealed documents shall be super scribed with “Tender for Supply and Maintenance of 136 numbers of Electric Garbage Autos” submitted to New and Renewable Energy Development Corporation of A.P Ltd (NREDCAP), 12-464/5/1, River Oaks Apartments, CSR Kalyana Mandapam Road, Tadepalli, Guntur District- 522 501.

### **Bid Validity period and Extension of Proposal Validity period**

The Bidder shall submit its Bid in response to Bid document which shall remain valid up to Thirty (60) days from the Bid Deadline (“Bid Validity”). Authorized Representative reserves the right to reject Bid which does not meet the validity requirement.

In exceptional circumstances, prior to expiry of the original Proposal Validity Period, NREDCAP may request the Bidders to extend the period of validity for a specified additional period. The request and the Bidders’ responses shall be made in writing. NREDCAP reserves the right to reject the Proposal submitted by any Bidder who fails to extend the period of validity of its Proposal in line with the provisions of this clause.

The Bid Validity Period of the Successful Bidder shall be automatically extended till the date on which the Agreement is signed and is in force.

### **4.1. Qualification Requirements**

Evaluation of Bids will be based on meeting the Prequalification (PQ) check, EligibilityCriteria comprising of General Eligibility Criteria, Technical Eligibility Criteria and Financial Eligibility Criteria. Any Bidder who meets the Qualification Requirements stated herein shall be declared as “Qualified Bidder” for the purpose of evaluation under this BID.

### **4.2 Eligibility criteria:**

#### **(i) BIDDER:**

The Bidder should be a Public limited company or Private limited company or Consortium. The company /companies should be registered in India. The term ‘Bidder’ used hereinafter would therefore apply to both a single Bidder and/ or the Consortium.

The Bid submitted by a Consortium should comply with the following additional requirements failing which shall result in disqualification.

- Number of members in a Consortium should be limited to three (3).
- The Bid should contain the information required for each member of the Consortium
- Each Consortium must nominate a lead member/prime bidder of the Consortium and must submit the Power of Attorney by all members of the Consortium in favour of the lead member/prime bidder.
- Any Company applying as a sole Bidder cannot at the same time be member of any Consortium applying for this Project. Further, a member of a particular Consortium cannot be member of any other Consortium applying for this Project. Any Bidder who submits or participates in more than one Bid for this Project will be disqualified and will also lead to disqualification of the Consortium of which it is a member.

## **BID for supply of 136 Numbers of Electric Garbage Collection Autos to Tirupati District.**

- Members of the Consortium shall enter into a Memorandum of Understanding (MoU) specific to this Project which shall be submitted with the Tender document. The MoU shall, inter alia:
  - Convey the intent to form a Consortium, with commitments in accordance with the Tender Document, which would enter into the Project Agreement and subsequently carry out all the responsibilities as Implementing Agency in terms of the Project Agreement, in case the Project is awarded to the Consortium.
  - Clearly outline the proposed roles and responsibilities of each member at each stage.

The members of the Consortium shall be jointly liable for the execution of the Project in accordance with the terms of the tender document; however, NREDCAP will interact with lead member who shall own all liability and responsibility on behalf of consortium.

The Consortium as a whole must be a sound entity both technically and financially.

The change in composition of the Consortium (i.e. Insertion or deletion of new/existing members) will not be allowed after the submission of the Bid.

- (ii) The company shall be in the field of Electrical Vehicle/ICE Vehicles/Energy Storage/Battery Manufacturing for at least 3 years. In the case of consortium of companies, the lead member shall fulfill this criterion.
- (iii) The Company or consortium Group cumulative annual turnover of at least INR 2 crores during the last three (3) financial years ending with March 2022 duly certified by the Chartered Accountant/ Audited Accounts.
- (iv) The company should have sold 75 numbers of vehicles during the last three years or till the last date of bid-submission date and submit relevant certificate from practicing Auditor. i.e. 2019-2020, 2020-21, 2021-2022.
- (vii) The company/consortium groups should not have been black listed/debarred /disqualified by any Govt. Entity or any International Agency for non- delivery or noncompliance or corrupt/fraudulent practices. The company should give self-declaration to this effect and the onus will be on the applicant.
